

IRWIN'S RULES AT MARKET OPENING

Prices Good With Exception of Motor Groups and a Few High Priced Specialties; Equipments Share in Rise; Rails Dull and Irregular

New York, June 28. (Wall Street)—With the exception of the motor group and a few high priced specialties, firmness ruled at the outset of today's dealings. U. S. Steel advanced a large fraction, affiliated issues recording similar or greater gains. Equipments, some of the metals and oils, Pittsburgh Coal and Ohio Gas shared in the rise which was attended by considerable activity. General Motors, Studebaker, Texas Company and Industrial Alcohol were reactionary with declines of 1 to 2 points. A sale of Brooklyn Union Gas at 105 represented a loss of almost 12 points. Rails were dull and irregular.

U. S. REGULARS TO GIVE BATTLE

[Continued From First Page]

Many Ways to Victory Conversion generally turned around pet ways of eliminating "Boches." The regimental mascots, a bull terrier, a goat—which was to be defended at all costs—a pet monkey, a lizard and a parrot which pride itself on billingsgate, all formed part of the outfit.

Long Troop Trains Long troop trains set down their burdens within the narrow confines of the tent city—appropriately called Camp Cinder—while barges laden to capacity ferried the troops, ending stream out to the waiting lines.

Marines Slipped Out of Philadelphia With No One in the Secret New York, June 28.—So quietly did a regiment of marines included in that part of the Pershing expedition which already has landed in France slip away from the Philadelphia navy yard that a sailor based on the pier, practicing the ground did not know 2,700 men under command of Colonel A. Doyen, were on their way to the battle front.

English Mach Pleased at American Speed

London, June 28.—Arrival of an advance force of the American Army in France is the predominant feature in the news columns of the morning newspapers, which display under big headlines such details as are allowed to be published. The Times commented on the arrival as an omen of hope and promise to friends of ordered freedom, a sure presage of an allied victory and the signal of a democratic peace to be wrung from defeated Germany, while the moral effect will be unmeasurable.

Fine Old Home to Be Pershing's Headquarters

Paris, June 28.—Major General Pershing, the American commander, has left the hotel in which he has been staying since his arrival in Paris to make his home in a fine old residence in the Rue de Valenciennes, so as to be near his headquarters. The house, which has a magnificent garden, formerly belonged to Prince Gortchakoff, it was leased before the war by Ogden Mills, of New York, who placed it at the disposal of General Pershing.
