MARKET REACTS AFTER EARLY RISE

Heavy Selling Forces Down Leading Issues; Firmer Tendency Shown at Closing Hour

By Associated Press - New York, Sept. 8. (Wall Street) - Heavy selling of General Electric, Bell Telephone and other stocks, followed by liquidation in New York Central and American Telephone caused a sharp reaction in the stock market's early dealings to-day after an initial rise.

General Electric was off 8, Bethlehem Steel 4; Telephone 2 and other issues lost from 1/2 to a point. The selling of General Electric and Pullman came at a time when the market was showing an advancing tendency and the lack of explanation for the liquidation offset all other considerations, so that the bears had matters their own way when once more they attacked prices.

In the final dealings supporting orders were distributed and the market rebounded strongly all around. The close was firm. Liberty bonds, 99.34 and 99.32.
