CUMBERLAND VALLEY

OFFICIAL COUNT IN CUMBERLAND

Tabulation of Votes Cast on Tuesday Makes Glen D. Mains Poor Director

Carlisle, Pa., Nov. 9.—Official tabulation of the vote cast on Tuesday for the leading county officers was complete late last night. It practically decides the question of the poor directorship. Glenn D. Mains, Republican, leads George W. Bretz, Democrat, by 42 votes, but unofficial returns of a part of the soldier vote show a majority for Bretz of about 11 votes, unless scattered ballots of county men in service change this.

The official figures are as follows: Sheriff, Melly, R., 3781; Adams, D., 5422; Line, S., 149; Pryor, P., 484. Prothonotary—Graham, R., 5174; Minter, D., 4122; Marsh, S., 137. Director of the Poor—Mains, R., 519; Bretz, D., 4477; Clark, S., 165; Snavely, P., 415. Coroner—Davis, R. W., 4318; Deardorff, D., 4583; Coble, S., 161; Young, P., 455. Jury Commissioner—Harro, R. W., 4203; Tritt, D., 4554; Hosler, S., 194; Lindsey, P., 460.

SHERIFF NAMES DEPUTY Carlisle, Pa., Nov. 9.—Ephraim L. Adams, just elected sheriff of Cumberland county, announced today that he would appoint as his deputy, William H. Peffer, the present official and a Democratic leader in this section. The announcement came as a surprise, as according to rumor other men who had backed Adams' candidacy were mentioned as probable selections. The new deputy is a former newspaperman.

Miss Mary Beetom Bride of S. S. Houston at Carlisle

Carlisle, Pa., Nov. 9.—Social interest here centered in the marriage last evening of Miss Mary Beetom and S. Sharpe Houston, both of Carlisle. The event was a quiet home ceremony at the residence of the bride here, the Rev. Glenn M. Shafer, pastor of the Second Presbyterian Church, conducting the service. Only immediate friends and relatives were present. Later a wedding supper was served and reception held at the home of the bride, which was attended by guests from Philadelphia, Shippensburg, Chambersburg, Waynesboro and other points. The couple left on a wedding tour after which they will live in the Hamover Apartments here. The bride is prominent socially and is the daughter of E. C. Beetom, president of the Carlisle Trust Company and a leading local manufacturer. The groom is financial secretary to Frank C. Bosler, a wealthy banker and western landowner.

NEWS ITEMS OF THE WEST SHORE

CAMP HILL PAVED STREET ASSURED

State Aid Will Be Given Through Agreement With Highway Department

Camp Hill, Pa., Nov. 9.—After several years of waiting this little borough is now assured of its paved street. At a meeting of council last night an agreement from the State Highway Department was received and Council passed an ordinance on first and second readings entering into the compact. The ordinance will be passed on final reading at the next session of council. The voters of this borough several years ago passed a loan of \$20,000 to be used for paving of Market street and since that time little has been done. The state was unable at that time to give any aid and the matter was almost forgotten until several months ago. It is likely that the state will start work on the street early in the spring. Let spring the borough spent several thousand dollars for rebuilding Market street, but it did not hold up under the heavy traffic, and now in bad shape. Temporary repairs will be made until the roadway is permanently improved.

An ordinance concerning the gas company and the water company to make all repairs to their pipe lines and make all connections was also presented at the meeting last night.

Doctor Tells How to Strengthen Eyesight 50 per cent in One Week's Time in Many Instances

A Free Prescription You Can Have Filled and Use at Home Philadelphia, Pa. Do you wear glasses? Are you a victim of eye strain or other eye weakness? If so, you will be glad glasses can now be discarded through the principle of this wonderful free prescription. One man says after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses. It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to spare the trouble and expense of ever getting glasses. Eye troubles of every description may be wonderfully benefited by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and allow it to dissolve. With this liquid, bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you even a little, take steps to save them now before they get too late. Many hopeless eye specialists and widely prescribed eye treatments have been saved if they had cared for their eyes in time. Note: Another prominent physician admitted, said: "Bon-Opto is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. The manufacturers guarantee it to strengthen eyesight 50 per cent in one week's time in many instances or refund the money. It can be obtained from any good druggist and is one of the very few preparations I feel should be kept on hand for regular use in almost every family." It is sold in Harrisburg by H. G. Kennedy, Croll Keller, J. Nelson Clark and other druggists.—Advertisement.
