THE TOYS AND DOLLS ARE LOCATED IN THE BASEMENT

The Y. M. C. A. Calls For \$35,000,000.00

And the money will be used as follows:

—For work with the U. S. soldiers at home, \$11,120,000.00—U. S. soldiers overseas, \$11,994,000.00—the Russian army, \$3,305,000.00—the Italian army, \$1,000,000.00—the French army, \$2,649,000.00—work among the unfortunate prisoners of war camps, \$1,000,000.00. In addition, for inevitable expansion as more soldiers are called, \$3,932,000.00.

—Since the war began the Y. M. C. A. has expended \$5,000,000.00.

—We here at home are awakening to the responsibility with which our country is charged in meeting the needs of the world—ruthless disregard of public welfare is growing less—we are settling to the great task of "making the world safe."

—Many of our boys are "over there"—they are sacrificing their all and cheerfully enduring hardships that we at home may remain safe and comfortable.

—Are you going to shirk the small personal pecuniary obligation necessary to lighten their burdens and make their lot a bit easier?

—The drive is on this week. Let us all face the facts and apply ourselves to the task.

Be Ready When the Y. M. C. A. Solicitors Call Upon You. Dig Deep and Contribute Liberally.
