

TOBACCO WILL HELP YANKEES WIN THE WAR

Keep the Fighters Happy and German Line Must Crumble

When you come to the end of a perfect day, and you're due for a sudden lurch, Do you sometimes think of a royal jay? Whose jaw you would like to punch? Do you sometimes think of the joy it would bring— And last you a whole long week, To just wind up for a right hand swing And land on the Kaiser's beak? Well, this is the end of a perfect day— With nobody round to stop; To get your teeth in the Kaiser's ear And your knee in the Kaiser's crop; To get your thumbs in a loving way On the back of the Kaiser's neck, While the sun goes down with a flaming ray, And lights up the royal wreck.

We suspect that our friend the poet, "Brainless Bates" is no pacifist. Judging by the trend of his written thoughts he would make meat out of Kaiser Bill whether the day was perfect or down below zero with the steam pipes frozen and the milk bottle busted. But he has the wrong idea. What chance has any one over here to land a right swing on that shifty, slippery old demon? The way to make a royal wreck out of him is to take such good care of Uncle Sam's fighters that the Germans will crumble from sheer hankering. Send tobacco. Make the boys happy. Then watch them fight. When the Huns see these Yankee boys joyful as a clam in high water, with robs of good American tobacco, and when they whiff its redolent aroma drifting on to Berlin they will throw up the sponge. Sounds thrilling, but it isn't. Now that the big drive is about to start—the drive that will tell something of what is to be expected from American soldiers, it is more urgent than ever that the soldiers should be contented. In some parts of the country a custom has taken hold whereby four persons contribute 25 cents each, making one dollar. This single bill can readily be tucked in an envelope and sent to a smoke fund headquarters. We are suggesting a 25-cent contribution because even that small sum will buy quite a respectable tobacco kit, the tobacco people also adding their share to each gift. That is to say each dollar pays for four separate packages, with a total retail value of at least \$1.80. Don't bother about getting your knee in the "Kaiser's crop," but get your hand out of your pocket and bring along some contribution of whatever denomination for this worthy cause.

Shippers Ask For Removal of Railway Switching Cost An effort is being made through the Shippers' Official Service Committee for Central and Southern Pennsylvania, to get Director General of Railroads McAdoo to direct all shipments to receivers on their own sidings without any extra cost to the shipper, without a private siding. Under Government supervision, a shipper or receiver may no longer designate when and where his shipment to be delivered. Where there is more than one railroad entering a city, receiver methods having siding on one road, are liable to receive notice that their carload shipments have arrived on another road, thus necessitating the expense and delay of transferring their shipments from the railroad siding to their own property.

The desire of the Shippers' Committee, organized some time ago at the suggestion of the Railroad Car Service Committee in the Harrisburg district, is that the railroad in the district relieve the receivers of the burden of transferring their shipments from one road to their own siding on another road.

Look to Chinese Cook For 'Ways That Are Dark' The tragedy of five loaves of good wheat bread being cast into the garbage pail belonging to the Oriental Restaurant, 427 Market street, was greatly modified to-day, when the proprietor, Ernest L. Morrell, put the blame on a Chinese cook. By accounts, this cook is full of ways that are curious. When he heard that the employer had engaged another chef to take his place, the celestial cook ordered the porter to put the bread boxes outside, where the zero weather soon ruined the bread for table purposes. The porter then did his bit by throwing some of the frozen bread into the garbage, thus completing the irreparable waste.

RED CROSS COME TO AID OF SOLDIER WHO LOST TICKET The Home Service Department, of the Harrisburg Chapter, of the Red Cross, was brought into active use by a soldier yesterday. The man was enroute to his cantonment and lost his ticket. He had sufficient funds to bring him to Harrisburg. When he arrived here he asked the Red Cross for aid, and, after a hearty meal furnished him by the local chapter, he went on his way to the cantonment.

The Home Service Department is ably represented by Miss Helen Leib, who has taken over the duties of the Philadelphia. Miss Leib will be in her office, in the Fager Building headquarters, each Thursday afternoon from 3 o'clock to 5 o'clock, ready to render assistance to soldiers and their families.

HAD RHEUMATISM AND STOMACH TROUBLE "Had Headaches and Dizzy Spells" says Mrs. M. E. Johnson, 149 Adams street, Steelton, Pa. "I have been troubled for a long time with stomach trouble and rheumatism. My stomach would become distended with gas after eating and pained very much. "Was bothered constantly with rheumatic pains in shoulders and back, also in my limbs. "Had headaches and pains over eyes, would get dizzy and weak. "Sanpan cleaned things up in a rapid manner. Am no longer troubled with stomach, have no rheumatism nor headaches, feel fresh and strong and do not get dizzy. "Sanpan is being introduced at Keller's Drug Store, 405 Market street, Harrisburg—adv.

Plan to Rebuild Second Baptist Church, Destroyed by Fire Last Summer

Plans for the rebuilding of the Second Baptist Church, recently destroyed by fire, are being made, and the Rev. Dr. F. H.
