FIRE DESTROYS SUMMER HOME

Price Cottage at Buena Vista Springs Burned With Valuable Furnishings

Waynesboro, Pa., March 22.—The first serious fire since the opening of Buena Vista Springs Hotel on the Blue Ridge, east of Waynesboro, in the summer of 1893, occurred shortly before midnight Wednesday night when the large and splendid cottage of Miss Sydney Price, of Baltimore, was burned to the ground, presumably caused by an incendiary.

The cottage stood to the east of the tramway leading from Cascade to Cascade, and about 200 yards from the hotel. It was built by Miss Price eighteen years ago and was one of the first of the large cluster of cottages adjacent to the big resort. Miss Price and her sister, Mrs. Josiah Johnston, also of Baltimore, have occupied the cottage ever since it was erected. The house contained about ten rooms and all conveniences. The furnishings were exceptionally rich and elegant, much of the furniture being mahogany and including many rare antiques and precious heirlooms, which can never be replaced.

Chautauqua to Be Held at Mechanicsburg This Year

Mechanicsburg, Pa., March 22.—Last evening Dr. Paul M. Pearson, of Swarthmore, Chautauqua director, held a length conference with the guarantors of the Mechanicsburg Chautauqua to determine whether it should be held this year or not. At a meeting some time ago, on account of war conditions, the guarantors practically decided not to have the affair if they could be released from the contract. An important reason for the decision was that all the prominent guarantors were also interested in and working hard for the Red Cross and Y. M. C. A. drives and for all other war fund work.

Mr. Pearson's visit was to induce the guarantors to reconsider their decision and after a long discussion, lasting until after 11 o'clock, they decided to hold the Chautauqua during the summer. Mr. Pearson personally subscribed for 100 tickets, amounting to \$200.

Important Real Estate Sale at Mechanicsburg

Mechanicsburg, Pa., March 22.—The Messes Hopple and Swartz, insurance and real estate agents, yesterday purchased from the Union Real Estate Company, of Mechanicsburg, the large three-story brick building in East Main street in the square. The building is occupied as apartments and offices. Messes Hopple and Swartz have their office on the first floor of the building. The real estate firm also purchased two frame houses in South Washington street from the same company.

Trappers Realize Big Money These Days

Allentown, Pa.—Although Lehigh county is so thickly settled that fur-bearing animals are much scarcer than ever before, the price of furs, on account of the war, has jumped to such figures that the men engaged in trapping have never made so much money.

Several years ago the boys who trapped muskrats were glad to get 15 cents for the skin, muskrats now command all the way from 60 to 85 cents. Many women do not know that when they buy a muskrat coat for \$200 to \$250 they are getting a rat caught in New York, Pennsylvania or Delaware, which three states furnish the finest muskrat skins in the world. A boy from the lower end of the county several days ago brought to Allentown half a dozen skunk skins. He imagined them worth possibly \$5, and was astounded when they realized him \$5 apiece.

Judge Sentences Prize Bulldog to Death

St. Louis.—Mike, a prize bulldog, owned by H. W. Harp, of 5250 Maple avenue, president of the Luecke Grocery Company, must die. Death sentence was pronounced on him by Judge Sanders when he declared Mike vicious. Luecke protested, and was himself fined \$10 for allowing Mike to roam around without a muzzle.

DROPS DEAD AT STREET CORNER

Daniel Fortney Stricken With Apoplexy While Waiting For Car at Mechanicsburg

Mechanicsburg, Pa., March 22.—While waiting for a trolley car at the square here this morning, Daniel Fortney, aged 65 years, fell to the pavement unconscious. A physician was summoned, who found the man was dead and gave apoplexy as the cause.

Mr. Fortney was employed at the Wickersham Nurseries about a mile below town and was on his way to work. He had two sons, one living at Harrisburg and another at Enola. No funeral arrangements have been made. The body is at the Harper Myers undertaking rooms.

Forage Poisoning Causes Death of Farm Horses

Waynesboro, Pa., March 22.—Dr. John P. Stover, of Greencastle; Dr. B. M. Beattie and Dr. Samuel Wadel, of Chambersburg, have made an investigation of an unusual illness among animals at the farm of T. W. McCleary, in Hamilton township, and at Lewis Singer's, in the same township. Following the investigation it was found that the animals were suffering from forage poisoning. Eight out of ten horses were sick on the farm of Mr. McCleary, and Mr. Singer has lost two since Friday. The veterinarians found that the cause of illness was using prepared feed that had spoiled.

Cumberland Valley Firemen to Meet at Waynesboro

Waynesboro, Pa., March 22.—At a joint meeting of the executive committees of the Mechanics Fire Company and the Always There Hook and Ladder Company, it was decided to hold the annual convention of the Cumberland Valley Volunteer Firemen's Association here July 4 and 5. The executive committee of the association at its meeting some

"Simply Wonderful" Says Miss Naylor

Her Appetite Now Is Simply Grand and She Sleeps Like a Little Child

"I never dreamed that there was such a splendid medicine in the world — it is simply wonderful," joyfully exclaims Miss Ida E. Naylor, of 2121 S. Second street, Steelton, Pa. "I had been all run down, but as soon as I started to take Tanlac I began to feel better and I've kept right on improving until now I feel fine. My headaches are all gone, my appetite is just grand and I sleep like a little child. Honestly I can't say enough good things about Tanlac." Tanlac is now being introduced here at Gorgas' Drug Store.—Adv.

EASY TO DARKEN YOUR GRAY HAIR

You can Bring Back Color and Lustre with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so easily. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients, called "Weyth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant. Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Weyth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.

months ago designated Waynesboro as the place for holding this year's convention in response to an invitation extended at the last convention at Hagerstown. This is the centennial of Waynesboro's incorporation as a borough and the friends of the Cumberland Valley want to celebrate the event.

CORN UNHUSKED IN FIELDS Waynesboro, Pa., March 22.—Quite a large amount of corn remains unhusked in the fields in sections around Waynesboro, and there are many tons of fodder still standing in shocks or lying scattered over the ground. Farmers say the corn is not damaged by standing in the

fields, nor is the fodder damaged. Inability to secure help to harvest the corn and do other farm work is attributed by the farmers as the reason for leaving the corn in the fields. LINE FROM HARRISBURG Waynesboro, Pa., March 22.—

Waynesboro will soon be on a motor-truck freight line from Harrisburg. The first motor-truck line out of the city will be put into operation Sunday when light, speedy trucks will start for New York by way of Philadelphia and Trenton. Round trips will be made in two days, Tuesday of each week a round

trip will be made to Lewistown, on Thursday trucks will be sent to Chambersburg. In the future it is proposed to extend the lines through the Cumberland Valley to Waynesboro and Hagerstown. FORMER SHERIFF DIES Hagerstown, Md., March 22.—

Former Sheriff Isaac S. Long, aged 63 years, who retired from office last December, died at the hospital here yesterday following an operation for stomach trouble. Mr. Long was a Republican and an efficient officer. He is survived by a wife and three children and two brothers.
