HARRISBURG IS CLEAN OF Typewriting Machines; Government Holds 3,800

Harrisburg is cleaned out of typewriting machines. Men engaged in this industry were scouring the whole neighborhood to-day for anything in the shape of a mechanical writing device. At the same time, down in the Middletown Government warehouses, repose some 2,000 typewriters of one make and 1,300 of another. Red tape holds them in storage, while the whole nation is crying for help.
