

IRELAND QUIET IN CAMPAIGN TO KILL THE DRAFT

Home Rule Proposals Likely to Be Rejected by the Bulk of Country

By Associated Press
 London, May 7.—Ireland remains remarkably quiet, says the Dublin correspondent of the Daily Mail in reporting on conditions there incident to the anti-conscription campaign. "Although the church is raising," he adds, "an enormous national defense fund which is ostensibly being collected to fight conscription, it apparently does not prefer to accept responsibility for the manner in which the money is spent and control of the fund has passed into the hands of the Sinn Fein. The lists of names of men who signed the anti-conscription pledge under the direction of the priests is said to be in the hands of Sinn Feiners as a basis for a registration system.

"Conditions appear daily to be growing worse as nationalism is being spread further along on the Sinn Fein front. Moderate men of the Irish convention have faded out of public recognition and it is quite obvious that whatever are the government's home rule proposals they will be rejected contemptuously by the bulk of the country and denounced more passionately than was conscription.

"The shortage of silver continues very acute and difficulty in making change has almost paralyzed business in some towns. Postage stamps are being used in the midlands and in the west instead of coin. The Bank of Ireland has received in the past three months a supply of silver five times greater as compared with the same period in previous years, but as long as the hoarding continues, all efforts to meet the shortage probably will be futile."

Dublin, May 7.—Denial that the Irish episcopate is influenced by the Vatican in opposing conscription, was made in a speech at Thurles on Monday by the Most Rev. John Hartly, Archbishop of Cashel. He said, "I have no objection to any action by the Pope, he said, arose in the imagination of some English bigots who had attempted by a cry of 'no popery' to intimidate the Irish bishops."

"The English Catholic Union, he added, talked of appealing to the Holy See, but it did not represent all the Catholics in England. Archbishop Hartly continued:

"If they appeal to the Holy See it is not the Irish bishops who will suffer."

The Irish bishops had interfered in the conscription issue, he declared because conscription raised moral and religious questions.

NEW \$1 AND \$2 BILLS TO APPEAR JULY 4
 By Associated Press
 Washington, May 7.—Designed for the nation's first war-time currency, Federal Reserve Bank notes of \$1 and \$2 denominations to-day were approved by the Treasury and the new bills will make their appearance in general circulation about July 4. A note of the war period is given to the reverse side of the \$2 note in the design of one of the newest battle-ships. The face of the \$2 note bears a portrait of Thomas Jefferson.

The boy is five feet ten inches tall, weighs 175 pounds and is wonderfully developed. He has been in training at Fort Oglethorpe and hopes to be in France soon.

POLICE MATRON URGED BY MAYOR
 Commissioner Lynch Offers Resolution Giving Memorial Day Funds

Amendments to the ordinance requiring garage owners to keep an accurate record of all automobiles brought in for repairs were passed to-day. When passed finally the measure will require owners to furnish daily reports to the chief of police giving a full description of the cars and of repairs made. Mayor Keister, who introduced the original ordinance in Council, presented the amendments to-day. The ordinance will become similar to the one compelling pawnbrokers to make a daily report not later than 10 o'clock in the morning and imposing a penalty of from \$25 to \$100 fine for violations.

The contract for 5,200 feet of cable to extend the fire and police alarm telegraph lines to the fourteenth ward was awarded to-day to the Hazard Manufacturing Company at a bid of \$232 a thousand feet.

Mayor Keister introduced an ordinance creating the position of police matron, giving her the power of an officer and placing the salary at \$960 a year. A resolution introduced by Commissioner Lynch was passed. It authorizes giving \$200 to grand Army posts and other patriotic organizations for Memorial Day observance.

Before Council adjourned a local hotel proprietor appeared before the commissioners asking whether an arrangement could not be made to have ashes and refuse collected from hotels. At present this is not being done. Commissioner Hassler said he will confer with officials of the bureau of ash and garbage inspection on the subject.

Baptist Churches Begin 14th Annual Convention

The fourteenth annual convention of Baptist Churches of the Harrisburg Association, opened this morning in the First Baptist Church, Second and Pine streets. The meeting was opened at 10 o'clock, the moderator, the Rev. Walter H. Dallman, presiding. The Rev. H. E. Paul conducted devotional services, and the Rev. W. J. Lockhart delivered an address of welcome. Reports of officers and committees and routine business occupied the morning session.

The devotional services, conducted by Mrs. W. J. Lockhart, opened the afternoon session at 1:30 o'clock. The afternoon meeting, known as the women's business session, was opened with an address of welcome given by Mrs. J. C. Staley. Mrs. Amos Auger delivered a response, and the president, Mrs. E. E. Fischer, made an address. Business of the session followed. William G. Russell spoke on "The Call for Larger Things."

At this evening's session, the Rev. J. C. Killian will speak. The Rev. A. J. Domenica will deliver an illustrated lecture on "Work Among the Italians." The Rev. A. H. Souillard will address the meeting to-morrow morning, and C. A. Soars will speak on "Our State Work." In the afternoon, "The Responsibilities of the Local Church for the Kingdom's Enterprise," will be the subject of a conference led by the Rev. Edward C. Kunkle. An address by Dr. W. Quan Rosselle will be the feature of to-morrow evening's session.

Guffey and Party Here For Meeting Saturday

Joseph F. Guffey, candidate for Governor on the Democratic ticket, and Samuel B. Tansley, candidate for Congress-at-Large, were at state Democratic headquarters in this city to-day, discussing plans for a mass meeting to be held here Saturday night at which it is expected National Chairman Vance C. McCormick will preside.

They left at noon for Lancaster, where they will meet other Democratic campaigners this afternoon, and will go to York for a meeting to-night. The schedule for the rest of the week of Guffey and his party, as announced here, follows: To-morrow evening, Norris; Thursday, Bucks county and Philadelphia; Friday, Allentown; Saturday, Pottsville, and Harrisburg in the evening.

Washington Township Loses Appropriations From State For Roads

Letters have been sent to road supervisors of Washington township, explaining to them the amount of money the district loses by not adopting the new cash tax system under which townships receive an annual appropriation from the state. Washington township is the only one in Dauphin county, it is said, which does not follow the new law, the supervisors continuing the old "work tax system." Figures submitted to the supervisors show that Washington township lost the following appropriations: 1910, 1,120; 1911, \$1,040; 1912, \$900; 1913, \$500. A movement has been started in the township to have the supervisors follow the new act so that the district can get the benefit of subsequent appropriations.

These men, he said, had come to England with definite instructions to resist every maneuver to bring them into contact with enemy citizens.
