United Brethren Churches Dwelt Upon Importance of Educational Work in War

Launching Day in the interest of Lebanon Valley College was observed in the various United Brethren Churches of Harrisburg yesterday when special sermons were delivered from various pulpits in the interest of the Anville institution in particular and colleges in general.

The Rev. W. E. Dougherty, of the First United Brethren Church, speaking on "Objectives in Christian Education," said that the college helps young people to find themselves and to establish themselves definitely in their profession.

United Brethren Churches Dwelt Upon Importance of Educational Work in War

Dr. J. A. Lyter, pastor of the Derry Street United Brethren Church, drew on the great world war to illustrate the importance of the education of denominational schools. He declared that German Kultur is the result of carrying into rationalism religion untempered with the religious element.

Speaking on "Wisdom in Hiding," Dr. S. Edwin Rupp, pastor of the Otterbein United Brethren Church, said that the German ideal of world control is the result of training the mind without any regard to religion.
