A Feast of Special Offerings

To Make Your Visit Worth While
At This 47th Anniversary Sale

Of all the trade and merchandise movements originated and introduced by this store, none approach in magnitude of popularity, this great Anniversary Sale. The markets of the world have been called upon to give their best for this occasion. Many of the manufacturers and wholesalers with whom we deal have generously co-operated to make this Birthday Celebration a complete and successful event.

Permit us to extend our hearty thanks and appreciation in a way that is more forceful than mere words—we will let the anniversary specials express our great satisfaction for your good will and support. The values are so pronounced that women can not fail to realize the exceptional opportunities,

We reserve the privilege to limit quantity on any of the Anniversary offerings, and owing to the extreme lowness of price, many will not be sent C. O. D. nor will telephone orders be taken for some. Please carry as many packages as possible. It's a patriotic request because of labor scarcity.

These specials represent values in many, many instances as low as one-third and one-fourth of their real selling price under ordinary conditions. But special concessions by those from whom we buy makes it possible to give you these extraordinary specials.
