U. S. Daughters of 1812 in Interesting Session

Vividly showing how the German people had been educated to their present state of mind and also telling that the Teutonic nation believes they are the superpeople of the world, the Rev. Dr. George Preston Mains spoke before a meeting of the United States Daughters of 1812. Throughout his talk Dr. Mains told of the ideals of the German people and their unscrupulous means of accomplishing their end.

A report on the state conference recently held at Scranton was made by Mrs. James B. Mersereau, regent, who presided at the meeting. She also gave an account of the national meeting at Washington. Vocal solos were sung by Mrs. Mabel Buttrick and Miss Katharine Dubbs. Current events were read by Mrs. Mabel Cronise Jones. Refreshments were served at the close of the program. Mrs. Mersereau and Mrs. Samuel Z. Shope acted as hostesses.

KIDDIES ENJOY A DAY'S OUTING

Pupils of Susquehanna Open Air School Picnic at Hershey; Raise Money

"The most delightful ever" is the way both pupils and teachers of the Susquehanna Open Air school comment on the annual picnic held at Hershey Park, Wednesday. The children, numbering more than fifty, in charge of Miss Madeline Ritter, Miss Claudine McVitie, teachers, left this city on a special street car early in the morning. Once at the park, a royal good time was in store for all. The children enjoyed boating, swimming and other outdoor sports.

Several hours in the big park gave the children a cadaverous appetite and they needed no Mr. Hoover's teaching on food conservation. A number of local concerns furnished the provisions for the picnickers. The ice cream was given by Russ Brothers, the cakes by Thorley Baking Co., and the pretzels by the Harrisburg Pretzel Co. A number of minor donations were also made.

Almost \$40 was realized by the rummage sale, held recently at Sixth and Calder streets by the children. The money raised will go into the school fund. The teachers take this opportunity to thank those who gave their first pennies.

Thirty Aliens in Army at Middletown Naturalize

Thirty aliens serving in the United States Aviation Corps, at Middletown, under the command of Major William Harrison were yesterday afternoon made citizens of the United States at a Naturalization Court held by Federal Judge Charles B. Whitmer, of the Middle District of Pennsylvania.

The thirty aliens naturalized at yesterday's proceedings include all aliens attached to the depot. The naturalization of these men was greatly facilitated by reason of a law recently enacted by Congress making provisions for the naturalization of men in the United States service. While ordinarily an alien must have five years of his intention before the final proceedings, the recent act made it possible for enlisted men to be naturalized without this, and many of the men naturalized yesterday had not yet filed their first papers.

At the Ordnance Depot, at Middletown this morning, it was said that a new bill now being made to round up all unaturalized men there that they be made citizens within the next several weeks.
