Take a Sunshine Tablet for Thy Stomach's Sake

There never was such a marvelous prescription for stomach distress and indigestion as Mi-o-na.

No doctor ever wrote a better one; it's so good that H. C. Kennedy says money back if it doesn't relieve.

A woman in Maine calls Mi-o-na the sunshine prescription because she has seen so many sour, miserable, aggravating dyspeptics turned into happy, cheerful, sweet human beings in a few days by taking Mi-o-na.

The stomach is responsible for three-fourths of the nervousness and half the misery of the world.

Anyone can buy a box for only 50 cents, and H. C. Kennedy is authorized by the maker to refund the purchase price if anyone is dissatisfied with the first box purchased.

Thousands praise them for general debility, nervous prostration, mental depression and unstrung nerves caused by over-indulgence in alcohol, tobacco, or overwork of any kind.

For any affliction of the nervous system, Wendell's Ambition Pills are unsurpassed, while for hysteria, trembling, and neuralgia, they are simply splendid.

of Dublin. In a statement printed in Dublin newspapers Mr. McAndrew proposed an organized recruiting campaign throughout Ireland. He said: "I have had many inquiries from different parts of Ireland as to the mode of procedure necessary for young men to join the American Army. The young men state that they only realized recently that America had gone so bravely into the war, and that they have had letters from brothers, cousins and more distant relatives in America who have joined the American Army or Navy. All these American Irishmen, they say, write them that, in their opinion, the war will lead to the freedom of Ireland, as they are satisfied that America will see that justice is done to the people of Ireland without further delay.

"Under the circumstances, the young men of this country feel that it is only right they should co-operate and assist their relatives in America in that country which has always been the home of the Irish people who have had to emigrate, through necessity or otherwise, since 1847. I have submitted the matter to the governments concerned."

POWDER IN SHOES AS WELL AS GUNS

Foot-Ease to Be Added to Equipment of Hospital Corps

Under the above heading the Detroit Free Press, among other things says: "The theory is that soldiers whose feet are in good condition can walk further and faster than soldiers who have corns and bunions increased in rawhide."

The Plattsburg Camp Manual advises men in training to shake Foot-Ease in their shoes each morning.

One war relief committee reports, of all the things sent out in their Comfort Kits, Allen's Foot-Ease received the most praise from the soldiers and sailors. It is used by American, French and British troops, because it takes the Friction from the shoe and freshens the feet.

Why not order a dozen or more 25c boxes to-day from your Druggist or Dept. store to mail to your friends in training camps and in the army and navy.

To meet the conditions various means are being adopted. Efforts are being made to have more girls take up teaching and in several communities ministers have been elected to fill these positions.

Lemoine Boy Writes of Experiences in France

CLYDE GREENAWALT

Lemoine, June 25.—Clyde Greenawalt, a widely-known local boy, who is a member of the One Hundred and Twelfth Infantry, writes that he has arrived in France. He says in his letter that one of the most difficult problems on foreign soil is speaking to the inhabitants. Officers in charge are teaching them the native tongue and with the assistance of a book they are learning a few words which help out considerably. Young Greenawalt writes that they have a fine camping place, located in a beautiful section of the country. The men are engaged in training at the writing of the letter and the only indication of war is the roar of the machine guns at intervals. He enlisted in the Machine Gun Company of the old Eighth Regiment when it was stationed at Lemoine after returning from the border.

Be Careful in Using Soap on Your Hair

Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle. The best thing to use is just plain milled coconut oil. It is pure and entirely greaseless. It's very cheap, and beats the most expensive soaps or anything else all to pieces. For any kind of any dry scalp, and a few ounces will last the whole family for months.

"DRY" FORCES TO FIGHT HARD FOR BOOZE KNOCKOUT

Detroit Businessmen Plan to Offset Views of Shipping Board Official

Washington, June 25.—The Prohibitionists are coming strong to refute the claim of Bainbridge Colby, of the shipping board, that the passage of the bone-dry prohibition amendment at this time would reduce the production of the shipyards 25 per cent.

Senator Gore, chairman of the Senate committee on agriculture, announced that S. S. Kresge and Henry Ford and three other prominent Detroit businessmen are expected to appear at the hearing on the Jones amendment and say that prohibition has added more than 25 per cent to the production capacity of the workmen of their city since it went dry.

Other witnesses expected by the Senate committee are: Postmaster General Burleson, Secretary Daniels, E. N. Hurley, chairman of the shipping board, and Charles M. Schwab, director general of the Emergency Fleet Corporation.

Senator Jones, of Washington, will testify as to the prohibition amendment on the shipyards at Seattle. He will cross-examine Mr. Colby, who has been asked to reappear before the committee to answer to questions on his original statement.

Senator Kenyon will conduct the inquiry to ascertain what paid for the page advertisement in local papers carrying Mr. Colby's testimony in full. The advertising managers of the papers which handled the statement are being summoned to testify.

The Anti-Saloon League, which is organizing the fight for prohibition, is very busy, and has going an elaborate propaganda for the pending measure. Dr. E. C. Dixwiddie, legislative superintendent of the league, has started a backfire movement in an effort to keep senators in line. He is behind the plan to bring the Detroit businessmen here to bolster up their cause, which was badly bungled up by the sweeping statement of Mr. Colby.

The Detroit Petition A petition sent to the Senate committee and to the House to-day, telling of the experience of Detroit manufacturers under the prohibition regime, was signed by Henry M. Leland, president of the Lincoln Motor Company; Joseph Boyer, president of the Burroughs Adding Machine Company; S. S. Kresge, president of the Cadillac Motor Car Company; Richard E. Stroh, vice-president and general manager of the Reno Motor Car Company; Chester M. Culver, secretary of the Employers' Association of Detroit; and others.

The petition says that Detroit is the largest city in America under prohibition and is filling large war contracts promptly.

"There is no division on prohibition," it asserts. "In the factories there are fewer absentees and accidents, and greater unity and higher efficiency."
