

HARRISBURG GUN CLUB INVITES ALL FAHS TO LEARN SHOOTING; HILL GAME TODAY

KEYSTONE BOY IS SPEED KING

Hickey, of Connellsville, Will Be Star Driver at Uniontown Motor Races

All eyes in the motor world will be turned, shortly, on the enterprising village of Uniontown, where millions of dollars are common as turnips, and where drivers are as plentiful as corn cobs on the magnificent speedway. The historic Independence Auto Derby is to be run here on July 13, and the indications are that a mighty throng from Western Pennsylvania will attend. All the star drivers of the country, and not forgetting Hickey, will be on the program, which is by all odds the best card ever offered at Uniontown. Fayette county will turn out by thousands just to see Hickey, who recently won only a workman in a garage here. Now he has won the friendship of the greatest drivers in the game and the respect and support of thousands of motorists.

Ralph DePalma congratulated Hickey after the race at Chicago last month, when Hickey finished fourth after a remarkable display of skilled and consistent driving. Those who know Ralph best know that this is not of the ordinary for the tactician to comment on the driving of a competitor. Hickey was tutored in the early stages of his racing by smiling Ralph Mulford, and the Fayette county boy was quick to pick up the angles of the game. This year he finished fifth in the Sheephead Bay and fourth at Chicago. Last year his record was excellent. He is now being driven by Hickey, who is known as the "Fayette county phenom," declared that a driver must beat Hickey to win.

Hickey is popular with all of the drivers. He handles a car after a tire bursts like the late Spencer Wishart, who was never known to lose control of his car. Hickey will drive in the Independence Derby and the Australian pursuit race on July 13. He will pilot the car in which Mulford secured the world's twenty-four hour record at Sheephead Bay Speedway.

RACING AT CLEVELAND
Cleveland, July 18. — The 1918 Grand Circuit harness racing season opened with a five-day meeting at North Randall track here today. Virtually all of the trotting and pacing stars of the country are included among the two hundred and fifty-two nominations to the twenty-two events. They will be driven by America's foremost reinsmen. Five races, with a total value of \$10,500, the feature of which was the Edwards stake, were on today's card.

KIWANIS CLUB TO PLAY
The Kiwanis Club star nine is scheduled to play the Evangelical Publishing House team at the H. A. C. field to-night. The game promises to be a fast one, principally because the Evangelicals are planning to tack the Kiwanis scalp on the wall as a trophy of the hunt. "Nuthin' doin'!" Today they're not getting a game from us," says Manager Reeser of the Kiwanis baseball deans. "Watch us win."

HOW KAISER SHOOT'S GAME

Has Animals Driven Right to Him and Takes Pot Shot, Explains Tom Marshall

Question: Saw an article saying the Kaiser was a great sportsman, giving the amount of game he had killed in 1908 as \$1,730 pieces. Who keeps track of his killings on game, we have a way of checking him up on human lives, which are now far in excess of his game record. Answer: His records are kept by the caretaker on his game preserve, who is in touch with all of his killings on wild game, which is always done from a blind built in such a manner that there is no element of danger to the Kaiser. The game is driven by him by beaters. Wings of brush are so constructed that game is forced to pass within easy shooting distance. The sport from the angle of good, red blood diversion and his presence in game is a trophy of the hunt. With those encountered should a man go into the country and for a reasonable compensation get permission from a stock-raising friend, to go into hiding, near the trail where the milch cows were being driven in at evening and taking a shot at one of those contented cows which they passed on their way to the barn paddock. He is a good or great sportsman, America has no man in his class.

Will the war conditions decrease the attendance at the Grand American Handicap this year? What dates will it be held? Are the programs out? Where could I get one? Answer: The attendance may not be up to last year's record, so many of the trapshooters having gone into the service of Uncle Sam. There will be many entries as can be taken care of to advantage. The Grand American Handicap is held upon the grounds of the South Shore Country Club, August 6-9, 1918. No programs have been issued as yet. Address E. R. Shaner, Secretary Interstate Association, 219 Coltart Square, Pittsburgh, Pa., for program.

HERE IS YOUR CHANCE FOR LEARNING TO SHOOT STRAIGHT

The Harrisburg Gun Club, With Wonderful Range on the Conodoguinet Creek at Oyster's Dam, Invites Men and Boys to Join and Become Proficient Shots

summer of 1916 had passed we were equipped with Government rifles and every man had qualified. To-day, thirty-four of those young men are in the Army, nineteen of them are officers and all of them highly proficient in marksmanship. Learned at our little range leased from Colonel Ott at Locknow. Those brave boys will tell you it pays to learn the science of shooting accurately and quickly. We now have one of the largest ranges in the state, located along the Conodoguinet creek about a half mile north of Oyster's Dam, and we are urging personally, and I now urge that your good paper take up this matter in an endeavor to induce young men and old to come to our range on Saturday afternoons or throughout the week and practice at the targets. The cost of ammunition is small. Any one not owning a rifle will be loaned one by the club. We have a number of rifles just for this purpose. This invitation is extended also to organized bodies, such as the Harrisburg Reserves. No better opportunity could be offered them than on these grounds. There is also ample ground space for drilling purposes. All that the Harrisburg Rifle Club will require is that applicants subscribe to the rules governing the operation of the range and pay a nominal fee to assist in defraying expense of upkeep of the range. Men and boys of Harrisburg and vicinity, it's up to you. C. A. DUNN, Vice-President, Harrisburg Rifle Club.

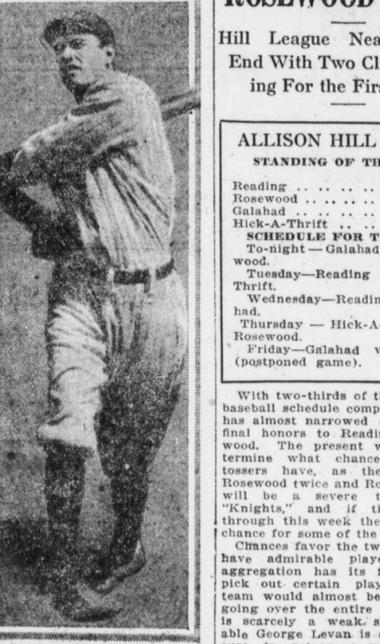

HARRISBURGER WINS SHOOT

John G. Martin, of Harrisburg, led the field with 144 out of a possible 150 in the Hercules Gun Club's annual registered target shoot at Spring Valley Saturday afternoon. Henry Jermy, of Darrancton, was second with 142. Edward H. Adams, of Reading, was third with 141 and Frank L. Sidebotham, of Philadelphia, who looked like a certain winner until the last thirty targets were sprung, of which he missed five, was fourth, with 139. Adams, of Reading, captured the Berks and Lehigh target championship. Sixty-three men participated.

Steel League Does Not Promise Exemption to Its Ball Players

"Dear Sir—Your letter of the 23d ultimo was received in this office on the 9th and we hasten to reply. We have gone carefully into the matter of professional baseball players' exemption from military work in our various plants and as far as we know no exemption is promised to such employees entering our service. We cannot very well see how exemption could be at all promised to anybody entering our service, as it is quite beyond our power to grant this immunity. We trust this covers what you desire, and beg to remain, yours very truly, E. LEWIS, "Vice President."

Steel League Does Not Promise Exemption to Its Ball Players

Join the Steel Workers. He asked to be informed of the conditions on which players were being enlisted, and wanted to know whether it was true that they were being promised exemption from draft. It is also learned that official cognizance of the steel and shipbuilding menace has been taken by the major leagues, and they have protested both at Washington and at the various plants, but they have made no headway. And furthermore it is doubtful if they will make any headway. It seems ridiculous that the major leagues believe that the officials at Washington should lay aside the weighty military problems in winning the great world war, to enter into a baseball squabble just because a certain crowd of men wave a large amount of money invested. They should remember that not only do finances run into billions in the conduct of the war, but also that human life is sacrificed in the fight for democracy.

GALAHAD PLAYS ROSEWOOD TODAY

Hill League Nears Season End With Two Clubs Fighting for the First Place

ALLISON HILL LEAGUE
STANDING OF THE CLUBS

Galahad 9 9 600

SCHEDULE FOR THE WEEK
To-night—Galahad vs. Rosewood.
Tuesday—Reading vs. Hick-A-Thrift.
Wednesday—Reading vs. Galahad.
Thursday—Hick-A-Thrift vs. Rosewood.
Friday—Galahad vs. Rosewood (postponed game).

With two-thirds of the Allison Hill baseball schedule completed, the race has almost narrowed down for the final honors to Reading and Rosewood. The present week will determine what chance the Galahad tennisecker, as they must meet Rosewood twice and Reading once. It will be a severe test for the "Knights," and if they can pull through this week they still have a chance for some of the honors. Chances favor the two leaders, who have admirable players, and each aggregation has its followers. To pick out certain players on each team would almost be the same as going over the entire roster. There is scarcely a weak spot. Dependable George Levan is almost always sure to secure a winner. "Dop" Werts is likely to be used by Reading during the remainder of the season. Earl Waltz is the third of the railroaders in vantage. Added to their skill in pitching is the fact that they are all heavy hitters; in fact, among the best of the league. Compared with the Reading flingers, Rosewood has its three "Ladies"—Leidig and Landis. These tossers are experienced players, upon whom Manager Killinger can depend in a pinch. Landis has had college experience, being a member of the University of West Virginia staff for several seasons. The other two tossers are local products who have worked their way up to the top. Leidig comes from Chesapeake and Longenecker hails from Penbrook.

The Majestic offers one of the coolest spots to sweetening, humanity that can be found anywhere in town. The new bill of vaudeville that opens at the Majestic contains two headliners. WILHOIT MAKING GOOD IN KAUFF'S PLACE

Joe Wilhoit, the young Giant who is playing regularly in Benny Kauff's position in center, is making good with the stick. It was thought that Joe would not be the equal of Kauff with the bat, but his average for his first five games as a regular proves that he is an able substitute for Kauff. Wilhoit batted .412 in his first five games.

Summit Is Only City Club Which Has Not Met Defeat

In a fast game played in the Allison Hill Junior League played at Seventeenth and Chestnut streets Saturday afternoon, Summit defeated Swatara by the score of 7 to 3. "Mose" Swartz, the 14-year-old wonder boy, who was at bat five times, got a home run, a double and two singles. His pitching was also responsible for winning the game. Swatara has lost four games and Summits have taken three of them. The Cadet nine and Swatara will battle Tuesday. This makes the tenth straight win for the Summit nine, and not one defeat. Costly errors by the Swatara also assisted in the defeat. The score by innings— R. H. E. Swatara 000 020 100—3 6 5

Batteries—Webb and Matchett; Swartz and Pindar
