THEODORE ROOSEVELT Who Addressed Republican Convention at Saratoga, N. Y., This Afternoon

By Associated Press Convention Hall, Saratoga Springs, N. Y., July 18.—Patriotism and a genuine expression of heartfelt sympathy for the saddened family of Colonel Theodore Roosevelt, which had just given a beloved son and brother to the cause for which his country is fighting, was the feature of yesterday's opening session of the Republican state convention.

After cordially welcoming the newly-enfranchised women into Republican ranks, Mr. Fassett, in part, said: "We have a right to be proud of the record of our party in Washington. Our representatives have supported the President and the administration better than his own party has supported him."

Plane Strikes Free; One Dead; One Hurt

San Antonio, Tex., July 18.—Flying so low their plane collided with a tree, Second Lieutenant Cary L. Waples, Hyde Park, Mass., and First Lieutenant T. H. Highley, both of Kelley field, figured in an unusual accident ten miles from the field this morning.

"This country needs," the Colonel declared, "a Congress which will give the administration this kind of vigorous support, and yet will fearlessly supervise and when necessary investigate what is being done."

Defines Right Kind of Peace The right kind of peace, the peace which America must insist upon, Colonel Roosevelt said, was "a peace conditioned upon the complete overthrow of Germany and the re-creation of all that we mean by American dominion."

Urges War on Turks "Congress should refuse assent to the War Department's present policy of procrastination, in deferring the necessary extension of the limits for the draft, and in other ways."

Strong Men Necessary "These are the tasks set us as regards winning the war and ending the war," he continued.

Looking toward "the giant task of peace," Colonel Roosevelt said there must be universal obligatory military training.

Over 300,000 English Women on Farms London, July 19.—More than 300,000 women are at present engaged on land in Great Britain compared with 91,000 last year.

There also is a large increase in the number of soldiers German prisoners and interned aliens doing agricultural work.
