

Plan Factory Raids to Call 2,000 Child Workers to School

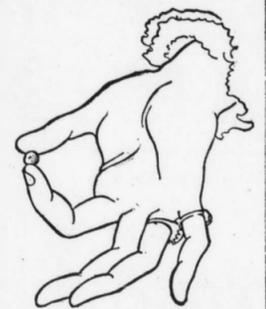

Philadelphia, Sept. 24.—A city-wide raid upon all factories, plants and stores where children are employed will be made by the bureau of compulsory education this week, in an effort to bring back to school at least 2,000 children of public school age who are working illegally and violating the child labor laws.

Water Power Measure Goes Into Conference

Washington, Sept. 24.—After a spirited discussion, the Senate last night voted 42 to 9 to send the administration water power bill as passed by the House, to conference for consideration in connection with the Senate bill, for which the House substituted the measure drawn by the secretaries of war, interior and agriculture.

WITH FINGERS! CORNS LIFT OUT

Freezone is magic! Corns and calluses lift right off without pain

A few cents buys a tiny bottle of the magic Freezone at any drug store. Apply a few drops of Freezone upon a tender, aching corn or a callus. Instantly that troublesome corn or callus stops hurting, then shortly you lift it out, root and all, without any pain, soreness or irritation.

RHEUMATICS NO LONGER GLOOMY

They have used "Neutrone Prescription 99" and found it there with the punch that kills Rheumatism. Only the skeptical now suffer. The victims of Rheumatism all tell the same story, they have sore, inflamed muscles and stiff joints, they have no ambition or strength and get nervous, cross and irritable, which is not to be wondered at. Thousands of old-time Rheumatists are now in the best of health after using "Neutrone Prescription 99."

More Action on Peace Appeal, Says Burian

Amsterdam, Sept. 24.—In an interview given to a Berlin newspaper, Burian, Austro-Hungarian foreign minister, said he was not surprised at the reception of his peace note. Naturally he did not suppose that the entente would straightaway declare readiness to enter into peace negotiations.

U. S. Losses by Submarine Offset by Finished Ships

Washington, Sept. 24.—Deliveries of completed vessels from shipyards in the United States during July and August, Shipping Board reports today show, were more than enough to offset the submarine losses of America since the beginning of the war. Ships sunk aggregate 541,925 deadweight tons, while new ones put in service in the two months aggregated 610,779 deadweight tons.

1,799 New Christian Endeavor Societies

Washington, Sept. 24.—Three years ago the Christian Endeavor Societies of the South agreed on a five-year program which should seek to organize 100 new societies. At the all-south convention of Christian Endeavor Societies, held at Memphis, it was reported that 1,799 new societies and more than 100,000 members had been formed in the first three years of the campaign. It is probable that 2,500 new societies will be organized during the period instead of the original 1,000 sought. This phenomenal growth is marked with an evangelistic earnestness that has done wonders for those churches in which the society is organized.

Thomas W. Page Named as Chairman of Inquiry Into Conditions of Crops

Washington, Sept. 24.—First steps looking to the fixing of prices for standard grades of raw cotton were taken yesterday by the government in the naming of two committees, one to investigate the entire cotton situation, and the other to control during the period of this inquiry the distribution of cotton by purchasing all of the staple needed by the United States and the Allies at prices it approved by the President.

Thomas W. Page, vice-chairman of the Tariff Commission, was named chairman of the committee of inquiry which is to hold hearings over the cotton growing states.

Before the War Industries Board made public the personnel of the committees, senators and representatives from the southern cotton growing states met with members of the cotton states marketing board to discuss the proposed price fixing.

The conference adopted a resolution setting forth that it opposed price fixing in principle and appointed a committee to represent the facts to the government committee of inquiry in an effort to convince them that price fixing is not necessary.

WRITES FROM WAR ZONE

"Harrisburg can be proud of her boys," is the message sent to this country by Sergeant Ira M. Arthur, 2342 Lexington street, a member of Battery F, 198th United States Field Artillery, serving in France. Sergeant Arthur gives a vivid description of the fighting and what it is like to live under fire, eating, sleeping and living in dugouts when not on duty.

TRAFFIC RULES MADE BY POLICE

Department Issues "Don'ts" For Children, Pedestrians and Children

New booklets governing traffic and rules and regulations to insure the safety of motorists and pedestrians, were issued by the police yesterday. They contain a number of warnings to pedestrians and motorists, and "don'ts" for children. Some of them are as follows:

You Who Drive

The tips to drivers are as follows: 1. Don't imagine you are within your rights if you go at the maximum speed allowed by law. You must not endanger the safety of others.

For Those Who Walk

Here are some of the specific rules to help you save your life and property: 1. Don't run across streets through heavy traffic. The busiest man wastes at least thirty minutes a day; why risk your life to save five minutes crossing the street?

Don'ts For Children

Here are the don'ts for children: 1. Don't play in the roadway.
