Do Not Let the "Flu" Make a "Fluke" of The Liberty Bond Campaign

Even though the Spanish influenza is hitting the Liberty Bond drive hard, this is the time to show your real patriotic spirit. Do not wait for the Liberty Bond salesmen to come to you. Hunt one up, or your nearest bank, and lend your money to Uncle Sam at a good rate of interest.

Some people seem to think when they buy a Bond they are spending their money. But they are simply lending, and the savings will come handy in later years. So lend all you can and your savings will grow, backed up by the best security on earth—the greatest country on earth—The U. S. A.
