USED RESINOL FOR BAD SKIN TROUBLE

Considers Recovery Remarkable
Brooklyn, N. Y., Aug. 14.—"For almost six years I suffered from a severe case of skin trouble which began with swelling and intense pain in my knee. Then my leg became inflamed and sores broke out, which itched and burned terribly day and night. I tried many remedies, but gained no relief. I even spent six months in the hospital, and the doctors wanted to amputate my leg. At last I tried Resinol Ointment and Resinol Soap and obtained relief from the first application. My knee is now well, and I consider the cure remarkable, as my trouble was very serious." (Signed) Mrs. Henri Mauer, 416 Hooper street.

"It Worked Wonders" Says Mr. Clendenin

Camp Hill Farmer Gives Due Credit For Aid Tanlac Fave Him
"I was fairly eaten up with catarrh of the head and stomach," says Jacob Clendenin, a well-known farmer of Camp Hill, near Harrisburg, Pa. "Finally I was persuaded to give Tanlac a trial and I am now free to say that it is really a wonder worker, for it certainly fixed me up in fine shape. Now I can eat anything with relish and enjoyment. I sleep like a top and wake up refreshed and rested, and I do not suffer from headaches as I used to." Tanlac is now being introduced at Gorgas' Drug Store. Tanlac is also sold at the Gorgas Drug Store in the P. R. R. Station in Carlisle at W. G. Stephens' Pharmacy; Elizabethtown, Albert W. Cain; Greencastle, Charles B. Carl; Middletown, Collins S. Fawcett's Pharmacy; Waynesboro, Clarence Croft's Pharmacy; Mechanicsburg, H. F. Brunhouse. The genuine Tanlac bears the name "J. G. Gore Co." on outside carton of each bottle. Look for it.

Shall We Feed Germany And Stint Ourselves?

An examination of the American press shows that the German war for food, which was the first sign of life of a new-born German Government, has not aroused any large amount of compassion over here. To many observers this "propaganda" is important as the opening gun of Germany's fight for a victory at the peace table. All our late full-Germans, pro-Germans and pacifists are expected to come out of hiding forthwith and "show mercy to the defeated." "They will come," predicts the Kansas City Star, "bearing bouquets, asking permission to offer consolation to the prisoner and to leave tracts and flowers in the cell. . . . Heaven spare us now from such." On the other hand, Mr. Herbert C. Hoover, the Food Administrator, says: "There has been a great deal of unnecessary furore in this country about feeding the Germans. We are not calling upon the American people to make any sacrifice with a view to feeding the Germans. Remove the water-tight blockade and the Germans will take care of themselves."

The leading article in THE LITERARY DIGEST this week—November 30th—takes up the latest phase of the peace negotiations and by presenting the sentiments of editors of all political persuasions gives the reader a concrete idea of how America feels upon the subject of feeding Germany this winter. Other articles that will be of great interest to the American people upon subjects that concern them intimately, are:

This instructive Map will be eagerly welcomed by the readers of "The Digest," for on it they can easily trace the progress of the great Allied army of occupation in its triumphant march toward the Rhine. The map also shows the German territory to be occupied by the American and Allied armies under the terms of the armistice. The "bridge-heads" along the line are clearly indicated, with the neutral zone shown in color; also the battle line as it stood when hostilities ceased at the eleventh hour on the eleventh day of the eleventh month of the year. Briefly, the entire region that will be most prominent in the news for a long time to come will be available for ready reference through this map. It is worthy of permanent preservation.
