Are you sensitive about your face?

It is impossible to hide your face every time people look at you. That disfiguring eruption robs you of your rightful beauty. It lowers your chance of success in life—it brings sidelong glances where there should be smiles.

Anti-Bolsheviks Refusing to Go to Princes' Islands Paris, Feb. 10.—The anti-Bolshevik governments of Russia are apparently firm in declining to participate in the Princes' Islands conference. Nicholas Tschaikevsky, president of the provisional government of Northern Russia, told The Associated Press to-day that he and his government had decided not to go, and are in full accord with the position taken by the Russian committee in Paris, headed by Prince George E. Lvov. Sergius Sazonoff, representing the Denikine, Kolchak and Don governments, reiterated his refusal to participate in the conference. "President Wilson refused to negotiate with Germany until the emperor was deposed, as he did not trust him. We feel the same about Nikolai Lenine, Leon Trotsky and the other leading Bolshevists."

American Red Cross to Help Feed Russ Prisoners in Germany Paris, Feb. 10.—At the request of General Pershing the American Red Cross has appointed a commission to co-operate with the Inter-Allied Commission for feeding and repatriating the Russian prisoners in Germany. It is estimated that there are 100,000 sick Russian prisoners in German hands. There are more than 200 prison camps in Germany which held at one time 1,100,000 Russian prisoners. The number is now believed to have been reduced by deaths and men released to 800,000, who receive barely fifty per cent. of the amount of nutriment necessary to keep an unemployed person in fairly good condition. Alexander, railroad engineer, 1524 North Fifth street, says: "I have used Doan's Kidney Pills in the past and I have found them perfectly satisfactory in every way. When my back has been weak or I have had a dull, constant ache through it, I have used a box or so of Doan's Kidney Pills and they have always relieved me in a short time. I haven't been troubled in this way now for about a year." Herr Street Mrs. G. W. Emminger, 329 Herr street, says: "For a long time I have had attacks of backache and I have suffered from a weak and lame back and soreness through it. I have had nervous headaches, too. Each time when I have been that way I have bought Doan's Kidney Pills at G. C. Potts' Drug Store and they have always promptly relieved those ailments." N. Sixth Street Thos. Kilpatrick, railroad conductor, 1538 North Sixth street, says: "Whenever I have taken a cold it has settled on my kidneys. My back has ached, especially when I have been sitting or lying in one position very long. I could hardly straighten up during one of those attacks. After I have taken Doan's Kidney Pills a short time they have always made me feel like myself again." N. Third Street Mrs. L. W. Moore, 835 N. Third street, says: "Ever since an operation a year ago, I have had trouble with my kidneys. My back felt weak and pained me almost constantly. My kidneys acted irregularly and caused me much annoyance. I felt all run down and my nerves were in awful condition. I used Doan's Kidney Pills and they did me a world of good." (Statement given August 29, 1914). LASTING BENEFIT On January 27, 1916, Mrs. Moore said: "Doan's Kidney Pills cured me of kidney complaint some time ago. For about a year I have been free from all kidney ailments." Peffer Street Daniel Cless, 516 Peffer street, says: "I have used Doan's Kidney Pills for the past several years and have always found them satisfactory. Whenever a cold would settle on my kidneys, my back would get weak and lame and ache terribly. It hurt me to get out of a chair or to stoop over. The kidney secretions passed too frequently and were highly colored. When I have felt this way I have used a couple boxes of Doan's Kidney Pills and they have always relieved me in a short time." Penn Street, N. Mrs. George Greenour, 2001 Penn street, North, says: "About two years ago I found it necessary to take a kidney medicine, and as I had heard so much about Doan's Kidney Pills, I got a box at J. Nelson Clark's Drug Store. I used them mainly for my back, which was weak and lame and made life miserable for me, especially when stooping over. This one box of Doan's Kidney Pills cured the trouble and it has never returned."
