Details of Ramsey Teacher Pay Bill

William T. Ramsey, Chester representative in the house, while home the week end, gave out some facts about the bill, having for its purpose the increase of the salaries of the public school teachers. The figures stated Mr. Ramsey have been agreed upon nearly all members of the Legislature and the bill which will be presented early next week is expected to pass through the House with very little opposition. The bill raises the minimum salary of all teachers holding provisional certificates from \$45 to \$60 per month professional and city normal from \$75; permanent state normal \$85; holders of certificates from \$75 to \$85. All rural school teachers with two or three rooms in scattered districts where all the grades are taught, given an increase of \$10 per month over the new minimum salary. Teachers receiving \$100 will get an increase of twenty-five per cent, receiving from \$100 to \$150 will get a fifteen per cent increase and all \$200, ten per cent increase. The state will contribute forty per cent of the increase and the local districts will be obliged to meet sixty per cent. The new salary list will mean additional expenditure on the part of the State of \$4,000,000 annually. Commenting on the bill Mr. Ramsey said he feels sure the bill will pass with the approval of a great majority of the members of the House and Senate.
