

# KIWANIS CLUB ENDORSES BILL AIDING TEACHERS

### Walter Shaffer Speaks Before Businessmen at Noon Luncheon

Kiwanis Clubs of the State will be urged by the local organization to support the Woodruff bill calling for increase in teachers salaries, it was announced today by Al. K. Thomas, chairman of the committee on the bill. It is planned to make the movement in behalf of the bill statewide. When the legislation was first proposed, the Kiwanis Club of Harrisburg backed it with a strong series of resolutions. The committee recommended an appropriation of \$25 to the Visiting Nurses Association. Al. K. Thomas, cashier of the East End Bank, won the attendance prize, a pair of Walk-Over shoes, donated by H. S. Parhamore, of the Walk-Over shop, at the club's weekly luncheon in the Penn-Harris today. Thomas H. Bogar, of the Bogar Lumber Company, distributed the most interesting of his expertly prepared papers, an aluminum calendar with thermometer devices attached. Manager Peter Magaro of the Regent Theater, presented the Kiwanis with tickets entitling "one and a soldier, sailor or marine" to admittance to the Regent next Monday evening when "Little Women" will be shown. The committee also will be given at the evening performances.

William H. Boyer, "farmer-barrister," sang two selections and it was announced that J. Stewart Black, Kiwanis pianist, Mr. Boyer and a violinist will present a recital in Pughstocket Hall Thursday night, March 14.

George Ames, general eastern manager of a large motion picture firm, was scheduled to address the meeting. A telegram saying that because of his wife's illness he was

# DOCTORS HAND OUT LIVE TIPS

### Take Public Into Confidence

Prominent physicians claim people fall in life because of "nervous hunger" that is the cause of the nervous, nervous man or woman who is "there" it work or play.

Strong, well nourished nerves is the secret of success, health and happiness.

Men and women try to live regardless of health, strength, ambition, energy and hope, they exceed the speed limits, wasting nerve strength and energy and fall to store up reserve force, afterwards they only exist, life has no joys.

Without energy, ambition, strong nerves, and pure blood one cannot hope to enjoy the fullest measure of success and happiness.

A noted specialist says, "Phosphated Iron brings strength to the blood, energy to the brain, that it is a perfect combination of vital elements of great value to the human body. It increases body and nerve energy, restores ambition and staying powers."

He also says: "If you are the victim of overwork, worry, excess of mental and physical force, the blues, and the pleasures of life are no longer enjoyable, that you need Phosphated Iron to brace, build you up and put you on your feet again."

Special Notice—To insure physicians and their patients getting the genuine Phosphated Iron we put up in capsules only, so do not allow dealers to substitute any pills or tablets.

unable to come, was read. He promised to make a later date. Mr. Ames is one of the best known amusement men in the country. The session of the Kiwanis Club will be held next Thursday at the Penn-Harris. Members are asked to bring a soldier, sailor or marine who has seen service overseas. Charles L. Schmidt, chairman of the entertainment committee, is now busy on plans for this session which he assured a Telegraph reporter, would be the best ever staged by the club.

Walter Shaffer, the Dauphin aviator, told interestingly of his experiences in the clouds. He was the guest of William Strouse. Peter Magaro introduced as his guest, Lieutenant G. H. Merchant, Roy D. Egan, grand master, and Usher A. Hall, grand secretary of the grand lodge of Pennsylvania, Independent Order of Odd Fellows, were the guests of William M. Brown, of the invitational committee. A number of other guests were present.

Irving B. Robinson, chairman of the committee on arrangements, announced that plans are under way to charter a special Pullman car to convey club members to the Kiwanis convention at Altoona. The local organization may present an invitation to the State Kiwanians to meet here next year.

**AD ODD FELLOWS TO CELEBRATE** Dauphin Lodge, No. 160, Independent Order of Odd Fellows, will celebrate its seventy-third anniversary tomorrow evening with a special program to be given in Fackler's hall. Every straggler from the service in good health, or, if physically disabled, compensated by the system of war risk insurance. While the actual responsibility of the war department does end here, the moral responsibility does not end until the soldier has been absorbed by normal civil life.

"Feeling this moral obligation as we do, the purpose of the war department, is to co-ordinate, through my office, the various activities of the Federal, state and city government as well as those of private organizations, looking to a system which will minimize the injustice and the peril of unemployment of discharged soldiers. The war department wants to do all it can to supplement and to help local effort."

Mr. Woods in his letter expresses the opinion that the vast majority of discharged soldiers return to their pre-war occupations naturally.

"As a business man I believe that the services of a discharged soldier are an excellent 'buy' for an employer."

# MAYOR IS ASKED TO AID SOLDIER BACK FROM WAR

### The War Department Wants Fighters Properly Restored to Civil Life

Mayor Daniel L. Keister today received a letter from Arthur Woods, special assistant to the secretary of war, asking the executive's co-operation in efforts to "safeguard the economic welfare of soldiers who have been discharged from the service and are returning to your state and city to re-establish themselves in civil life." Copies of this letter have been mailed by Mr. Woods to mayors of all principal cities.

The letter continues: "The opportunity that the War Department has to actively serve the enlisted man," Mr. Woods writes, "expires, it might be thought, with their separation from the service, fully paid, and with a sixty dollar bonus and transportation to their homes. They go from the service in good health, or, if physically disabled, compensated by the system of war risk insurance. While the actual responsibility of the war department does end here, the moral responsibility does not end until the soldier has been absorbed by normal civil life."

"Feeling this moral obligation as we do, the purpose of the war department, is to co-ordinate, through my office, the various activities of the Federal, state and city government as well as those of private organizations, looking to a system which will minimize the injustice and the peril of unemployment of discharged soldiers. The war department wants to do all it can to supplement and to help local effort."

Mr. Woods in his letter expresses the opinion that the vast majority of discharged soldiers return to their pre-war occupations naturally.

"As a business man I believe that the services of a discharged soldier are an excellent 'buy' for an employer."

## Champ Clark Denies He Said President's League Would Fail

Atlanta, Ga., March 13.—Champ Clark, ex-Speaker of the House of Representatives, in a signed statement given out here last night, denied that he had ever said the League of Nations had no chance to be ratified by the United States Senate.

"Anybody who says that I said 'President Wilson's League of Nations' has as much chance of being ratified as you have of being Pope of Rome," is a malicious liar," the former Speaker declared.

Mr. Clark's statement was made after hearing of statements published in a New York newspaper.

## EVERY RAILROAD MAN SHOULD READ THIS

Peterson's Ointment Co., Inc., Buffalo, N. Y. Dear Sirs: I was afflicted with what the doctors said were Varicose Ulecers, and up until about five weeks ago I have been treating them for about a year and five months.

With all the treatments that were prescribed to me by several doctors I received little benefit, and they kept spreading and gave me much distress and caused me to quit my work.

I was induced by a brother brakeman to try Peterson's Ointment, and after I had used two boxes I saw the wonderful results. You can tell suffering ones troubled with ugly, painful and horrid ulcers that your Ointment is a cure for them when everything else fails, as I have tried am, your every thing.

"I know and dozens of people write me," says Peterson of Buffalo, "that Peterson's Ointment also cures old sores, salt rheums, piles, skin blemishes, all disappear after taking Bliss Native Herb Tablets according to directions. Every mail brings testimonials of the beneficial results obtained by the regular use of these tablets. They are recognized as the pioneer standard herb remedy for the stomach, liver and kidneys, and are so consistent in their action that every box contains a guarantee to refund the purchase price if they fail to benefit. Each box contains 200 tablets. The genuine bears the picture of the founder, Alonzo O. Bliss on the cover, and every tablet is stamped with our trade mark (A.B.) Price \$1 per box. Sold by leading druggists and local agents everywhere.

# Had Lumbago for 25 Years--Took Bliss Native Herb Tablets and Struck Oil

William S. Crump, Bridgeport, Ill., not only benefited by using Bliss Native Herb Tablets, but the good health obtained helped him to profit financially. This is what he writes: "I was bothered with what the doctors said was Lumbago for 25 years, but I could hardly turn, but today I don't know what a pain is. Bliss Native Herb Tablets fixed me up fine and since then I have struck oil, and I'm now on easy street in good health."

"I have studiously avoided discussion in my lectures or in interviews, though asked to do so in both. I gave as a reason that I was studying the subject and the arguments on both sides thoroughly."

"When the news came over to the House the last night of the session that fifty Senators had signed a round robin against it, I said that the League of Nations could not be ratified because it takes two birds to ratify—that is unless they changed their minds, because of amendments or for other reasons—all of which is a mathematical demonstration."

Mr. Clark's statement was made after hearing of statements published in a New York newspaper.
