Could You Blame Her? She Had Bought A Whole Year's Supply At The Bowman Shirt Sale For The Men Folks at Home

One man bought over Sixty Dollars worth in beautiful silk shirts. Yes, purchases of this kind did make the stocks of shirts come down some. But then, you know, there were some thousands of dollars' worth of shirts to start with, filling all the counters of the department and the big front windows. And then, of course, fortunately everybody's tastes are not alike. The result is, many patterns that you would not choose other people think are pretty and the patterns you may like others pass by. So the chances are you will not be hard to please, especially when you consider that the large stock in the front window will be added to the many on display inside.
