

Borah and Johnson Rap Recruiting For Siberia

Washington, May 8.—Senators Borah, of Idaho, and Johnson, of California, issued statements yesterday criticizing the plan of the War Department to recruit 8,000 men to

serve as replacement troops for the American forces now in Siberia. Senator Borah declared it was "deliberate murder" to send the men to Siberia, and both he and Senator Johnson said that since the United States was not at war with Russia it had no right to send armed forces into that country.

More Pulpit Pay Urged; Pays Bookkeeper Better

Atlantic City, May 8.—With the opening remarks that "many Episcopal clergymen are receiving less than I pay my bookkeeper," Edward J. Merriam, of Cranford, a lay delegate, championed the cause of in-

creased salaries for clergy in the New Jersey Diocese of the Protestant Episcopal Church at the closing of the annual convention here yesterday afternoon. Mr. Merriam stunned the convention by his blunt talk. The delegates at an earlier session side-tracked a similar resolution. They were still backward in accepting the

new resolution, when Mr. Merriam volunteered personally to conduct a campaign in every church within the diocese. He will take the question up directly with the senior warden of each parish.

GET BACK TAXES
Altoona, Pa., May 8.—A dozen property owners, who call Altoona their home, have been refunded city taxes paid in the last two years. It has just been learned that they are

not within the city limits. The mistake came about under a former administration when annexation plans were considered and the city assessor placed the names on the tax duplicate in mistake.

TWO CHILDREN BURN
Lancaster, Pa., May 8.—Erla Sweigert, the 7-year-old daughter of Mrs. Dora Sweigert, and Beulah Hamling, 4-year-old daughter of Mrs. Mabel Hamling, both of Denver, were burned to death Tuesday evening at John Brubaker's home in Denver. The children are supposed to have poured kerosene on the kitchen fire. The blazing oil ignited their clothing.
