Drummers' Linen Samples

In years gone past we have from time to time secured Drummers' samples to offer our patrons, but during the past two years the request or even suggestion to the importers for this line of goods was regarded as a sickly attempt to humor. However, through persistent effort we have ultimately achieved what may have been regarded as the impossible and secured a full line of Drummers' linen samples comprising table cloths, napkins, lunch cloths and towels.

These will be put on sale to-morrow at practically to-day's wholesale prices. Considering the scarcity of this, the most coveted of all fabrics, this is a remarkable offer and we invite those who contemplate taking advantage of this opportunity to come as early as possible and avoid disappointment.
