Broadway Limited Is Held Up on Main Line

The eastbound section of the Broadway Limited, Train No. 27, twenty-seven minutes late reaching Harrisburg yesterday, having been delayed thirty-three minutes at Millin on account of a cylinder head being forced out in the engine. The mishap was the result of losing a head cover belt and what is known as a lap. It was necessary to change engine to complete the run over the division.

Express Employees Will Hold Picnic at Hershey

The Brotherhood of American Railway Express Employees will hold an outing at Hershey Park Saturday. In addition to the regular amusements, there will be several contests between the members, such as ball games and races. An orchestra has been engaged for the afternoon in order to furnish music for the dancing, and in the night the regular orchestra will furnish the music.

Want to Construct Railroad in Mexico

Mexico City, June 12. — Foreign mining companies of Sonora, acting together, have asked the Department of Communications for a concession to construct a railway connecting the mines in Sonora with those in the Gulf of California. It is proposed to connect the new line with American railroads at the border and the petitioners claim it will open up rich and undeveloped mineral districts.
