

MINERS' LEADERS QUIT BECAUSE OF MANY STRIKES

No Longer Willing to Take Responsibility For Action of Men

Berlin, June 24.—No longer willing to take the responsibility for the "economic need and incalculable suffering" caused by repeated strikes, leaders of the old Miners' Union Associations in the Ruhr district have tendered their resignations. These men, most of whom are Majority Socialists, have bitterly opposed the strikes which for weeks have been disrupting the coal fields.

POS-LAM REAL TREAT FOR SKIN THAT ITCHES

Only those who have itched and scratched and still itched continually can appreciate what it means when the aggravation is ended by the soothing, penetrating, antiseptic influence of Poslam. And what relief to be rid of any eruptions, blemishes which have entailed prolonged embarrassment. Turn to Poslam first for the quick healing help which ailing skin must have. You do not have to wait in uncertainty for indications of improvement. It soon shows.

A statement accompanying their resignations, "and are not answerable to our comrades." "A large portion of our members and officials are prevented from attending miners' meetings and are shouted down, cursed and threatened, while irresponsible 'word heroes' work in the most senseless manner for the destruction of our association in order to attain their political purposes, which lead to economic and political anarchy and prepare the ground for counter-revolution opposition. They see in the Spartacists their ally and peacemaker.

He ransacked the cash register, but got very little coin, as it had been removed the night before. Several cigar cases and a large quantity of cigars and tobacco were taken. A ticket punch was left on the counter by the yegg.

MRS. GERHOLD TRIES SUICIDE

Woman Was Acquitted of Murder of Floyd Keller, Her First Husband

Chambersburg, Pa., June 24.—Although she contends that she wanted to end her life, Mrs. Zella Keller Gerhold probably saved it by looking into a mirror to direct the aim of her revolver. Angered because she believed her husband unfaithful to her, she went to an upstairs room of her home in Mercersburg, near here, and pointed the pistol at her heart. However, by looking into the mirror she misjudged the angle of the pistol and instead of entering her body, the bullet passed under her left breast causing only a painful flesh wound and some powder burns.

EARLY WHEAT HARVEST

Waynesboro, Pa., June 24.—The wheat harvest is about ready for the sickle in this region, some of it entirely so and a few began to-day; the harvest will be in full swing all along the line by the middle of the week. The grain stands up finely and the crop looks to be a bumper one. A seeming paradox is that the wheat harvest in this region will precede the hay making. The grass was held up by the cold season in April and but little of it has come to maturity, so that the wheat can be cut and housed before any considerable portion of the hay crop is ready to be harvested.

JUMPS FROM BRIDGE

MY TIRED FEET AGHED FOR "TIZ"

Let your sore, swollen, aching feet spread out in a bath of "Tiz."

Just take your shoes off and then put those weary, shoe-crinkled, aching, burning, corn-pestered, bunion-tortured feet of yours in a "Tiz" bath. Your toes will wriggle with joy; they'll look up at you and almost talk and then they'll take another dive in the "Tiz" bath.

When your feet feel like lumps of lead—all tired out—just try "Tiz." It's grand—it's glorious. Your feet will dance with joy; also you will find all pain gone from corns, callouses and bunions.

There's nothing like "Tiz." It's the only remedy that draws out all the poisonous exudations which puff your feet and cause foot torture.

Get a 25-cent box of "Tiz" at any drug or department store—don't wait. Ah! how glad your feet get; how comfortable your shoes feel. You can wear shoes a size smaller if you desire.
