Hygienic 5 15 .250

East End closed in on Swatara last night and won out, score 3 to 1. It was one of the best baseball arguments seen in the City Junior League this season. It looks now like East End as this season's champions, the season being two-thirds over.

Karmatz was the East End mound selection. He had the kibosh on the Swatara hitters all the time, allowing but two singles in the game. Kurtz was hit more frequently, but kept his safe swats well scattered. It looked like a tie until Ellenberger juggled by Snyder's grounder. Strine scored while he was trying to get the ball to catch Snyder at first base. Strine's hitting was a big factor in the game.

How Runs Came
Swatara scored her only run in the first on East End's two errors. East End followed suit on Strine's two-base hit, a bad throw at second and a sacrifice hit. Both teams played airtight ball until the end of the sixth when East End chased two runners over the rubber and won out by a 3 to 1 margin. This evening St. Mary's will meet Hygienic. The score:

Motive Power Protests After Row Over Decision of the Umpire

Philadelphia, July 25.—Johnny Kilbane, featherweight champion, who meets Joey Fox, the English title holder, next Monday night at the Phillies' ball park, was wined, dined and honored at the Adelphia Hotel by Cody Drennan and a bunch of friends. Kilbane, after being presented with a set of cuff buttons by Frank Poth, made a speech in which he said that he never in his life went into a fight that he did not give the best he had in the house. He said:

"It has been said that I did not try my hardest in the fight I had here with Benny Leonard. I wish to say that in every fight I have had here I have done everything I could to win and win as quickly as possible.

"When I entered the ring with Leonard I was confident that I would win. I did everything I could. I was beaten by a better man. Of course, I went out of my class in meeting Leonard, but I do not wish in any way to detract from the fine fighting qualities of Leonard. I was beaten and that is all I have to say except to emphasize that I did all I could to win.

"Many times when I have been on my way to the ring side I have been asked by my friends how I feel and how

Fred Alexander, New York, and S. Howard Voshell, Brooklyn, defeated Charles Carran and Chick Benton, Cleveland, 6-4, 10-8, 8-6. Harry Wick, Jr., Cleveland, and Walter Westbrook, Detroit, defeated Henry Botten, and Harold Hone, Cleveland, 6-2, 6-3, 5-7, 6-4.

long the other fellow will stay. Let me tell you that when the other fellow takes a chance you have a chance to win quickly. If he is in there to score a knockout, you, too, have a chance to score in a punch. But, if a fighter is there to stay the limit then it is a different matter. If he keeps covered up he is pretty hard to get at and under those conditions it is hard to knockout any good boy."
