

Identity of Dead Baby Is Still a Mystery

Harrisburg, Pa., July 28.—Authorities thus far have been unable to learn the identity of the two-day-old infant, whose body was found in an empty coal car at McClellan, near here, on Saturday morning.

The body was discovered by Louis Jay, an employee of the McClellan Coal Company, when he, together with other employees, started to unload the car. The child had been dead about twenty-four hours when discovered, authorities believed.

NERVOUS PROSTRATION

May be Overcome by Lydia E. Pinkham's Vegetable Compound—This Letter Proves It.

West Philadelphia, Pa.—"During the thirty years I have been married, I have been in bad health and had several attacks of nervous prostration and so it seemed as if the organs in my whole body were worn out. I was finally persuaded to try Lydia E. Pinkham's Vegetable Compound and it made a well woman of me. I can now do all my housework and advise all ailing women to try Lydia E. Pinkham's Vegetable Compound and I will guarantee they will derive great benefit from it."

Frank Fitzgerald, 25 N. 41st St., West Philadelphia, Pa. There are thousands of women everywhere in Mrs. Fitzgerald's condition, suffering from nervousness, headache, dizziness, and other symptoms of a functional derangement. It was a grateful spirit for health restored which led her to write this letter to other women who may benefit from her experience and find health as she has done.

For suggestions in regard to your condition, write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their forty years' experience is at your service.

Next Sunday evening will see the closing of the subscription list, at which time it is believed that a sufficient sum will have been raised.

AWARDED WAR CROSSES FOR WORK ON FIELD

For conspicuous gallantry in action Daniel Shroy, of Middletown, private with Headquarters Company, 10th Field Artillery, has been decorated with the Croix de Guerre, according to the army newspaper, "The Watch on the Rhine." Private Shroy is the son of Mr. and Mrs. Samuel Shroy.

The issue of July 4, says: "Major General Robert L. Houze, commander of the 3rd Division, decorated seven men of the 3rd Field Artillery Brigade with the Croix de Guerre at a ceremony held Saturday morning, June 28, at Thur." "The guard of honor was composed of two batteries from each regiment of the brigade and the band of the 76th Field Artillery furnished music for the occasion.

"In presenting the medals, General Houze expressed his pride in them, thanking them in behalf of the government for their meritorious services. He said this same pride was felt by the whole division, and from the other units come nothing but words of praise for the splendid support accorded by our artillery during the war."

HEARD MANY PEOPLE COMPLAIN AND FELT WRETCHED HERSELF

"I don't know when I have heard so many people complaining and looking for relief from weakness and suffering. Perhaps I noticed this because I felt wretched myself," said Miss Anna Prothro, of 58 Howard street, Wilkes-Barre. "I lost my appetite, so that nothing seemed to tempt me. I suppose this was caused by the pains of indigestion and nervousness. I couldn't sleep and would read way into the night to try to get drowsy. I had severe bilious attacks, with splitting headaches, and I was so nervous that the least sound would set my head thumping. "I lost weight and color and had no energy. I kept on working, but thought that I would have to stop, from day to day, and my mother was so worried that she insisted on my taking a vacation. "Shortly after coming to Wilkes-Barre I heard many people talking

about Natonex, the new Nature medicine. It seemed to be just what I needed. I thank my lucky stars that I decided to try it. I eat heartily, with no bad after-effects, and sleep splendidly. My food now gives me real nourishment and, of course, I feel much stronger. My cheeks have color and are filling out and I have not had one of those dreadful headaches since. My nerves have yielded, too, and, in fact, I am anxious to get back and get busy." Men and women who are weak, ailing and run down from indigestion, who have bilious attacks or are nervous and not building up in Nature's way should begin at once this Natonex treatment, which costs but little. Natonex is being specially recommended in Harrisburg by the Gorgas Drug Co., 16 N. Third street, and is sold by leading druggists everywhere.
