Committees Make Favorable Reports at Meeting Held Yesterday Afternoon

The Ladies' Auxiliary of the Harrisburg Polyclinic Hospital met yesterday at the Nurses' Home, 134 North Second street. About twenty-five members were present at 2 o'clock, when they aided with hospital sewing. Mrs. Samuel Z. Shope presided at the business meeting, where encouraging reports were made by the various committees.

The house committee announced that livingroom furniture for the Nurses' Home had been purchased for \$175; the membership committee reported twelve new members; the chairman of the needlework guild announced the next meeting to be held at the home of Mrs. Henry C. Rineard, 2501 North Front street, next Friday evening; the Thanksgiving offering committee stated that 4,000 bags had been donated and were distributed about November first. A large number of finished garments were reported as being turned in to the needlework guild.

The bazaars will probably be held on the second or third week in December according to plans started at yesterday's meeting.
