

### WILL OBSERVE ARMISTICE DAY

#### Local Knights of Columbus Will Go to Philadelphia Next Tuesday

Harrisburg Knights of Columbus will go to Philadelphia on November 11, and take part in the celebration of Armistice Day. The Knights of Philadelphia have prepared a big program, to include a dinner parade. On this date the first anniversary of the signing of the armistice which brought to a close the great conflict in Europe, there will be tendered to James A. Flaherty, supreme knight of the Knights of Columbus, a testimonial dinner at the Bellevue-Stratford, under the auspices of the Philadelphia Chapter of the Knights of Columbus, of which Edward A. Kelly is chairman. During the war the Knights of Columbus organized a welfare committee, and by its work and sacrifices, both at home and abroad, gained a world-wide reputation for patriotism and unselfish devotion to the American doughboys.

By reason of this work of the Knights of Columbus, Supreme Knight Flaherty has been honored in many ways. The French government, in recognition of the services of the Knights of Columbus, bestowed upon him membership in the Legion of Honor, and at Buffalo, on August 5, through M. Marcel Kuecht, a member of the French High Commission, the insignia was conferred upon Mr. Flaherty. Upon the same occasion Secretary of War Baker conferred upon Mr. Flaherty a Distinguished Service Medal as an expression of the appreciation of the United States Government for the services of the Knights. Pope Benedict XV also conferred upon Mr. Flaherty the honor of Knight Commander of the Order of St. Gregory the Great; the Italian government also has conferred honors upon him, and he has been made a doctor of laws of Georgetown University. Mr. Flaherty is a resident of Philadelphia. The citizens of Philadelphia are given the opportunity of manifesting their appreciation of the work done by the Knights of Columbus in behalf of the soldiers of America by honoring their supreme knight. As guests there will be present men of national and international

reputation, State and local prominence, cardinals, archbishops, clergymen of the Catholic Church, and also clergymen of other denominations. The spirit of the affair will be strictly and purely patriotic and American, and all the citizens of Philadelphia are invited to participate. Various subcommittees have been appointed as follows: Arrangements, Philip S. McDevitt, chairman; invitation, John V. Loughney, chairman; printing, James F. Connor, chairman; publicity, James F. Fogarty, chairman; press, William F. Leary.

### Pershing Endorses Third Red Cross Roll Call in U. S.

Washington, Nov. 6.—Gen. John J. Pershing's strong endorsement of the American Red Cross was given here today in a statement in support of the third Red Cross roll call, now in progress throughout the United States and Possessions. The statement by the Commander-in-Chief of the American Expeditionary Forces was as follows: "The American Red Cross is now engaged in a drive to increase its membership. The end of the war has caused many to feel that further activity in support of this society is not necessary. I cannot too strongly urge upon all citizens the desirability and necessity for lending their heartiest support to the continuation of the work of the Red Cross, particularly during the present period of social unrest throughout the world."

### England Looks For Many American Visitors in Spring

London, Nov. 6.—England is looking for a big invasion of American visitors next spring. It is stated that not less than 300,000 passages have already been booked to England. The steamship companies are making every effort to be ready for the anticipated rush, and by the end of May something like 100 liners may be engaged in bringing Americans across. One American who controls several big hotels in New York city is here, looking over London and the larger provincial cities for suitable sites upon which to build hotels on American lines.

### PLENTY OF COAL IN STEEL MILLS

#### Big Stock Was Laid in For Emergency; Shutdowns Seem Remote

New York, Nov. 6.—The iron and steel industry has not been adversely affected by the coal strike so far as all the large producers had accumulated large stocks of coal in readiness for this emergency. Most of the steel companies could continue operations for weeks without serious curtailment for lack of fuel and there is no immediate danger of shutdown, even of the merchant blast furnaces, which would feel the fuel shortage first. The United States Steel Corporation is in the most fortunate position as its cooking coal comes almost entirely from nonunion mines. The independent steel companies get coal from both union and nonunion mines. Regarding conditions in the iron and steel trade at this time, the Iron Age says: "Big iron production figures for October bear out the estimate made by this journal during the month of the extent of the shutdowns in the various districts. The total output of the country was 1,843,558 tons, or 60,115 tons, or 60,115 tons a day, against 2,487,965 tons in September, or 82,932 tons a day, the falling off being about 25 per cent. Three weeks of September were free from the strike. "The blast furnaces of steel companies had an average of 41,796 tons a day in October against 60,954 tons a day in September, a decrease of about 31 per cent. "The improvement in blast furnace operations has been marked in the past two weeks. For the month a net gain was 51 furnaces, 213 being in blast on November 1 against 162 on October 1."

### A. E. F. Sends Back 2,000 Airplanes

Washington, Nov. 6.—Since armistice day 2,000 airplanes, including 247 of German make, have been returned to this country from the American Expeditionary Forces, according to a War Department announcement.

### JAP NAVAL HEAD TO VISIT AMERICA

#### Vice Admiral Kato to Extend Greetings to All Allied Countries

London, Nov. 6.—Vice Admiral Kato, Japanese minister of navy, has arrived here at the head of an official mission which is to visit all of the principal Allied countries, to convey the friendly greetings of Japan and congratulations on the winning of the war. The Japanese admiral has been received by the first lord of the Admiralty to whom he delivered the message from his country. The mission will go to the Continent to visit France, Belgium and Italy. It will return home by way of America. In a statement published under his name, Admiral Kato says: "My mission is to give to all of the Allies the friendly greetings of Japan and congratulations on the winning of the war. But we are hoping to see something of what is being done by each country in the way of reconstruction after the war. "The great problem for all of the nations now is to economize, and in Japan we would like to see a general agreement for disarmament. "In my country there are no plans yet for a reduction of the navy or army. We are waiting to see what is done in that way by the other great powers. That seems to me to be the position of all of the nations. They are willing to disarm, but are waiting for a general agreement for that purpose. "The Japanese people are fervently hoping for the success of the League of Nations, in which they see the prospect of the establishment of a permanent peace. All the nations have had enough of war, and the world must now give all its energies to securing lasting peace. "This being so, I rather regret that the Allies are retiring from Russia before the complete pacification of the country has been obtained. While Russia is in such a disturbed state there is always the probability of another great war breaking out, and I would have been glad to see the Allies energetically

take in hand the establishment of a sound, permanent government for that country. "However, Japan will loyally assist her friends in keeping the peace of the world, and will especially give her aid in this direction to her ally, Great Britain, and things in the Far East are settling down rapidly."

### Villa Led Attack Against San Diego

Juarez, Mexico, Nov. 6.—With a force of from 70 to 100 men, Francisco Villa piloted an attack against San Diego, Chihuahua, recently, committed depredations and, learning that Federal forces had been sent in pursuit of him, fled to Los Organos, near the Conchulla line, where he camped Saturday, according to El Correo Del Norte, of Chihuahua City.

### Sir Knights to Confer Degree on Big Class

The degree team of Star of America commandery No. 113, Knights of Malta, consisting of twenty members will visit Cincinnati Commandery, No. 96, to-morrow evening. It will confer the Malta degree upon a class of applicants. The degree team is as follows: Commander, Granville E. Wood; generalissimo, Frank F. Flegel; captain general, George W. Schlosser; prelate, William F. C. Liesmann; senior warden, Wilbur M. Cramer; junior warden, Charles R. Jones; first guard, Samuel D. Mead; second guard, John E. Adams; warden, William V. Tomlinson; sentinel, Alfred

J. Simmers; standard bearer, C. R. Ross; sword bearer, Charles J. Wert; assistants, Lawrence R. Hand, Carl B. Sarvia, John F. Lenker, Harry F. Minahan; bugler, John W. Heckman; pianist, Harry J. Finetrock; master of ceremonies, W. S. Fisher. On Tuesday evening, November 11, the team will confer the same degree upon a number of candidates in its hall, 26 North Third street.

### Phila. Loan Upset by State Supreme Court

Philadelphia, Nov. 6.—The city's \$90,000,000 loan program was yesterday smashed by the unanimous decision of the State Supreme Court, applying the new charter restrictions. The \$90,000,000 stopped is the un-sold portion of three loans totalling \$127,500,000. About \$37,000,000 of the \$127,500,000 has been borrowed, and all but a few million of it spent. Sale of the remainder is stopped by the Supreme Court. The three loans are the \$67,100,000
