NEW BOXING RULES FOR ALL CHAMPIONSHIP BOUTS; AN INTERNATIONAL CODE

New York, Dec. 6.—Following the Carpentier-Beckett contest in London for the European heavyweight championship there was a meeting of the leading representatives of American and European boxing bodies to consider a new set of ring regulations to supersede the Marquis of Queensberry rules, which for decades have governed bouts in all parts of the world.

The meeting was attended by Paul Rousseau, president of the French Federation of Boxing, A. P. Bettinson of the National Sporting Club, Eugene Corri, the famous referee, Victorio Brozer, the French promoter, and other prominent boxing authorities. At the meeting a representative of the Army, Navy and Civilian Board of Boxing Control of America, and the International Sporting Club of New York, submitted the draft of the new code to be known as the international boxing rules.

Private advice indicates that the new regulations found favor and probably will be adopted after some minor alterations as the rules of the International Boxing Federation for the control of ring contests throughout the world. The proposed weight classes will include:

New Weights Flyweight, 112 pounds. Bantamweight, 125 pounds. Featherweight, 135 pounds. Lightweight, 145 pounds. Welterweight, 160 pounds. Middleweight, 175 pounds. Heavyweight, 175 pounds and over.

Under the new rules all weights will be made eight hours before the men enter the ring. The ring will measure twenty feet inside the ropes with at least one inch of soft padding upon the floor and the going sounding the beginning and end of the round, must be at least ten inches in diameter. Gloves worn by the boxers shall weigh not less than six ounces each and no boxer shall be permitted to use hand bandages more than six inches in length and one and one-half inches wide and the material must be of soft substance. No shoes shall be worn which have hard soles or heels, cleats or spikes.

Future bouts will be judged by two judges or a referee who shall begin a vote but he must agree with one or the other judge or call the bout a draw. The referee shall also count out a boxer who drops to the floor and goes down under such conditions after arising from a legitimate knockdown or the referee shall begin from the point where he arose from such legitimate knockdown. The judge's decisions shall be based upon effectiveness or damage accomplished and where effectiveness is equal then aggressiveness shall count.

When Boxer Is Down A boxer shall be considered "down" when any part of his body, other than his feet, are on the floor or when hanging helpless on the ropes, but the referee shall be the judge of such a condition on the ropes and the boxer shall not be considered "down" on the ropes until the referee so calls.

Among the fouls covered in the new rules is one that a boxer arising from the floor following a knockdown, is fouled if struck before he is in a defensive position. As a further protection the scorer of a knockdown must retire to the far corner of the ring after such knockdown and if he does not, the count shall be null and void. The referee shall take his proper position in such corner.

The long series of recommendations suggested for the combined cooperation of the boxing and the Olympic committees, providing that the winner of an international championship must defend his title by fighting a certain number of bouts against the best available opponents, and announcing that such championship and emblematic trophy.

Pitcairn's team, which is to be the attraction, is the same combination which last season carried off the championship in the Western Pennsylvania league, and it can be considered one of the best five in any part of the State from which it hails.

Portland to Attend There will be several features in addition to tonight's tilt at the hall, one of them being the presence of the Portland team, a football squad. The members of this combination, which opposed Tech on the island this afternoon, have been invited to attend the game to-night to the guests of the Independent Association, and are expected to accept the bid.

The lineup of the Independents will remain the same as that of Saturday. McCord has returned to his home here after a short business trip, and will be in good condition for the fray. It is not definitely decided whether the football team will start the game at guard, but it is probable that the former will do so, owing to his accurate shooting.

Triple Tie Is Big Feature in Billiard Tournament

Philadelphia, Dec. 6.—Jerome Koeh of Rochester, who took the lead into a triple tie with John M. Layton and Ralph Greenleaf for the lead in the National pocket billiards championship tournament now being staged at the Parkway, building, by defeating Eddie Egan, of Lehigh, N. J. The match was the longest in the history of the tournament, in that the final score was 125 to 96, victory being won by the fourth inning to the New Yorker.

Both players made considerable use of the safety, and in the majority of innings failed to make a single score. Koeh, however, showed his superior skill throughout the match by his pocketing of difficult shots, and his scientific handling of the safety play. He also returned three successive victories in as many games played.

Fourteen-Year-Old Hunter Lands a Big "Buck"

Metal, Pa., Dec. 6.—Benjamin K. Ailer, aged 14 years, who is considered to be the youngest crack hunter in Franklin county, succeeded in bringing down a large buck weighing 219 pounds without any assistance in the mountains in the first season without any success. Yesterday Benjamin went alone and about dinner he returned with a magnificent assistance to help him with his deer.

This is not the only success Young Ailer has had in his hunting. He has 12 rabbits, two pheasants, eight grey squirrels, one wild turkey and three skunks to his credit. While on his hunt, Harper, aged 17, has a triple bird score in the smaller game. They are the son of Mrs. Annie Ailer, of this place.

BIG HONORS FOR KENNETH R. STARK

Former Tech Student to Manage Penn State Football Team

State College, Pa., Dec. 6.—Announcement was made at the football banquet here last night that Kenneth Rely Stark, of Harrisburg, had been elected manager of football for the 1920 season. This is one of the biggest individual honors that can be conferred upon a student at Penn State, and to-day Stark is receiving congratulations from all sides. He was graduated from Harrisburg Tech with the class of 1917, is a junior in college and is studying industrial engineering.

Announcement of the 1919 football letter awards was also made last night and it includes Dick Rauch, the former Harrisburg Tech and Bethlehem prep star. Hatch played a bang-up game as center and left guard throughout the season. He is one of the eligibles for captain next year and stands very good chance of being elected. Clarence Beck, also a former Harrisburg Tech star, missed being awarded a letter by a very narrow margin, not having played in enough games to qualify.
