IMPORTANT TO IRON MANUFACTU-RERS. JAMES RENTON, of Newark, New Jersey, has discovered a process for manufacturing wrought from him an ore welding farmace; an improvement and, siy set sy him an ore welding farmace; an improvement in the near facture of iron long sought after, but never accessfully at-tained until Mr. Beuton's discovere, and which produces at a single heat the best quantity of blooms, of a less cost than pig iron is now usually under. Letters Parent have been or the sale of rights, and its introduction throughout the West; and as the presenting printed against the West; and as the presenting price of iron is infriend many capitalists to invest in its manufacture, without being aware of the great advantages this new and valuable investigation. too has over any other known mode, we think it but subser-ving their interest to thus early impress upon them the im-portance of an examination of the ment of this late inven-tion before embarking in any other mode for making inva-assuring them of its entire success and practicability, as demonstrated by the furtinges now in successful operation after

this plan.
It is not our purpose in this advertisement to speak particularly of the almost incalculable advantages the process possesses over all other modes for making from (as this is contained in our circular, which we will be pleased to mail contained in our circuian, which we will be pleased in that to the address of any one interested in the matter,) but to call the attention of those about investing in the manufac-ture of Iron, and respectfully invite an examination of the furnace we are executing in this city, and which will be in operation by the 5th June next, or to the furnaces of the American fron Company in Newark, New Jersey, now operating with complete success. BUENA VISTA WATER CURE.-1853. DRS. WEBBER & EDMONDS,

TAKE pleasure in amounting that they are now ready for the reception of patients at their establishment at Lineum Vista Springs. The romantic, healthful and pectures one character of the locality at Bonna Vista Springs is so widely and generally known through the numerous so widely and generally known through the numerous riscors who annually resort to the place for its medicinal waters, that the proprietors deem it necessary to say but little on the subject. The country is wild and broken, abounds in game, is exempt from epidemic invasion, bas an unconfined and sulubrious atmosphere, and the establish-ment is supplied with an abundance of pure running free

stone water, equal to any in the State.

Dr. Wensen is a physician of forty years' experience in the active practice of his profession, and has just returned from a tour timorch the Northern and Eastern States, during which he vested the best water-core establishments in he country and enjoyed ample access to all the best nour-es of information on the subject.

Dr. Elocosis, though a counter practitioner, has several years experience, and brings with him into the establishment the professional devolves and energy incident to the excher periods of life. The means for amusement and re-

creation are ample and free of charge.

Taxon.—For Board and treatment from 8 to \$10 per week.

Patients are expected to bring with them two blankets, two montorts or a feather bed, six large crash towels, two montorts or a feather bed, six large crash towels, two sheets, and some old lines for bandages, or they will be charged extra for such in the establishment. Very sick and feetile persons will furnish an attendant, who will pay board, or be charged for such extra. RED SPRINGS.

WE take pleasure in amnouncing to our numerous friends and patrons, that we are now ready to accommodate all who may wish to avail themselves of the benefits of our place. Estimaive preparations have been made for the common to thoth of the invalid and the man of pleasure. It were needless for us to attempt to set furth the value of our place, in a medicinal point of view. Many, afflicted with various duences, have visited us, and after a few weeks sojourn, have gone way either entirely cured or groutly relieved particularly such as have been afflicted with Scrofula, discusse of the Shin, Stone in the Bladder, and also of the Discussive System in general. Of these fact, there is an abundantic System in general. castive System in general. Of these facts, there is an abundance of proof, and many who have certified to them, and the came lave gone forth to the afflicted people. And we have at this time two living specimens of Scrofula cases, cured and and well, with us, to be seen an testimony to our declaration; one of which was simost a hopeless case.
