For the Complete Cure of Coughs, Colds Influenza, Asthma, Bronchitis, Spitting of Blood and all other Lung Complaints

THIS preparation is getting into use all over our country.

The numerous letters we receive from our various agents, informing us of cures effected in their immediate neighborhoods, warrant as in saying it is one of the best, if not the very best Cough Medicine now before the public.—
It almost invariably relieves and not unfrequently cures the very worst cases. When all other Cough preparations have falled, this has relieved the patient, as Purgists, dealers in Medicines, and Physicians can testify. Ask the Agent in your nearest town, what has been sleling it for any length of time he will tell you it is the best medicine extant. Below we give a few extracts from letters we have received leatly regarding the virtues of this medicine.

Dr. S. S. Oalin, of Knoxyille, Ga., says.—I have been using your Liverwort and Tar very extensively in my practice for three years past, and, it is with pleasure I state my belief in its superiority over all other articles with which I am acquainted, for which it is recommended.

Mossrs, Fitzgerald & Brenners, writing from Waynesville, N. C., says:—"The Liverwort and Tar is becoming daily more popular in this country, and we think justly so. All who have tried it apeak in commendable terms of it, and say it is very beneficia in alleviating the complaints or which it is recommended.

Our Agent in Pickens District, S. C., Mr. S. R. McPall,

its very beneficia in alleviating the complaints or which it is recommended.

Our Agent in Pickens District, S. C., Mr. S. R. McPail, assures us that he uses liwith great benefit in his own family and recommends it to his neighbors. "He gives an instance is negro woman in his vicinity, who had been suffering with disense of the Lungs for years, attended with sever cough, who was relieved by the Livorwort and Tar.

Such are the good reports we hear of this Medicine from all parts of the South. For a report of the surprising cures all parts of the South. For a report of the surprising cures it has performed in the Western and Northern and Eastern States, we would invite the suffering patient to read the pamphlet which accompanies each bottle. To all we say, have ope, have hope!

Try the Medicine!! Be warned in senson!!! And neglec not that couch which is daily weakening your constitution.

Try the stediented He warned in season? And neglection not that cough which is daily weakening your constitution, irritating your throat and lungs, and inviting on that dread-disease, Consumption, when so soothing and healing a remedy can be obtained as Rogers' Syrup of Liverwort and Tar. "Excelsior"!!

A T the greaterial of Agricultural Implements in Nash-ville on the 4th, 5th and 6th of June, 1856, THE "EXCELSIOR CORN COB MILL" WAS AWARD-ED THE HIGHEST PREMIUM, as will appear from the following extract from the report of the committee. They say—
"Of Corn and Cob Crushers there were 3 entries, but in consequence of some accidental breakage, only two made trials. 1. Fxcelsior, by J. C. Baldwin (Leavitt's Patent.)

2. Joyce's Star Mill, by B. S. Weller. Little Giant, by O. H. Anderson.

Both these Croshers are constructed on similar mechanical principles, and use about the same power; but the judges gave the premium to fluidwin's Mill. It seemed to have more capacity in a given time, but its chief superiorihave more capacity in a given time, but its chief superiori-ty consists in its having moreable rings, which constitute the grinding surface, and of course the wearing surface These grinding surfaces are east iron, and can be re-newed readily and at little cost.
