A meeting of the Council of Jewish women will be held Monday afternoon at the temple.

Chattanooga Woman's club will hold a meeting Tuesday afternoon.

Members of the Chattanooga Woman's club were delightfully entertained Friday evening when the officers, numbering 120, of the Fifty-first regiment, were hosts of a hop, which was given at the gymnasium.

Music was furnished by the regimental orchestra, which is considered one of the best orchestras at Camp Forrest.

An ice course and fruit punch were served. The favors were miniature green flags.

A large delegation from the Woman's club attended, also a number of the young society and university girls.

The evening gown of pastimes worn by the ladies and the military uniform of the officers combined to form a charming scene.

Among those receiving were: Col. Newell, Maj. and Mrs. Buckner, Capt. and Mrs. Watson, Lieut. and Mrs. Clay, Capt. and Mrs. Ferrell, Capt. and Mrs. Shaffer and Capt. and Mrs. Hester.

When news came over the wire that Mrs. J. A. Rountree, general chairman, Birmingham, Ala., and Virginia A. Poppenthal, president-general, of Charleston, S. C., announced the complete endowment by the United Daughters of the Confederacy of an entire ward in the American military hospital, Neuilly, France, there was a throbbing of pleased gratification in every southern heart.

The work of endowment was adopted by the United Daughters of the Confederacy last November at the annual convention, which met in Chattanooga, and each state division was assigned endowment of one bed. It is a glorious undertaking splendidly planned and executed, and carries to the boys at the front the wonderful spirit of the Confederacy and dauntless courage of its leaders.

So ready has been the response and so unexpectedly large the contributions by funds received only from the U. D. C. of South Carolina, Virginia, Arkansas, Georgia, California, Tennessee divisions, and the Shreveport, La., chapter. Beds in this ward will bear on their brass name plates Jefferson Davis, Woodrow Wilson, Lee, Patrick C. Cleburne, Richard Jackson, John B. Gordon, Shappan Mitchell, P. T. Beauregard and "The Private Soldiers of the Sixties."

Other states also responding so rapidly that the war relief committee having charge of the work feels confident that an additional ward will be endowed at a very early date. This committee is composed of Mrs. J. A. Rountree, chairman, Birmingham, Ala.; Miss Nellie C. Preston, Seven Mile Ford, Va.; Mrs. J. L. Woodbury, Louisville, Ky.; Mrs. Jackie Daniel Thrash, Barbours, N. C.; Mrs. J. T. Beal, Little Rock, Ark.; Mrs. C. B. Stone, Galveston, Tex.; Mrs. C. C. Clay, Oakland, Cal. Their work has been tireless and the result far beyond even their most hopeful expectations. In each state a director of war relief has been appointed, those in the above-named states, whose work has resulted in endowment of the first ward, being: Mrs. R. D. Wright, Newberry, S. C.; Mrs. A. A. Campbell, Weytheville, Va.; Mrs. Frank Tillar, Little Rock, Ark.; Miss Alice Baxter, Atlanta, Ga.; Mrs. Herbert Schick, Bakersfield, Cal.; Mrs. E. O. Wells, Rockwood, Tenn.; and Mrs. Peter Youre, Shreveport, La.

Many beautiful, appealing expressions of sentiment and heart-felt sympathy have accompanied donations, a check of \$600 having been sent with the plea to the committee, "Do hurry. The gassing of our men; the dead and wounded from the decks of the transport ships; the fathers, the bravest; the dead and wounded from the bloody trenches! Oh, dear God, we cannot wait for hospital room!"

The Wesley class of Centenary church is entertaining this evening for the soldiers in the basement of the church. St. Patrick's day ideas will be carried out. Glenn Young will sing several Irish songs. A good program has been arranged.

The Missionary society of the Third Presbyterian church will meet with Mrs. D. E. Bushnell on Clark street after noon at 2:30. An interesting program will be given on "The African Trail."

The Dixie club of New York is one of the most popular among metropolitan organizations, keeping alive, as it does, the spirit and ambitions of the southland. Miss Belle Kinney, of Nashville and New York, is chairman of art. A very brilliant entertainment was given this spring under the auspices of her department, at which the guests of honor included some of the most prominent American artists. Among them were Herbert Adams, sculptor; Louis Mora, Irving Weiss, Marjorie and Marjess Parsons, Edwin H. Blashfield, and others. The entertainment was given at Hotel Astor.

Herbert Adams, N. A., spoke on "Art in Our Capital"; Wm. A. Coflin, N. A., spoke on "Art in the War"; Edwin H. Blashfield, N. A., Amer-

ica's greatest mural painter, made an address.

Mr. Coflin is honorary president of the Fraternal de Artists and chairman of the committee of 100 for artists' relief.

Dr. Barker is Against Twilight Sleep—Many Ladies Pine to Grow Thin Like Taft.

"The best physicians are cautioning the mothers to go slow about taking the new twilight sleep," said Dr. Charles E. Barker, health expert from Washington, in his address before the Council of Women Friday afternoon.

In giving the anesthetic, the doctor said, too tendency was to effect the mental life of the child.

His advice was to get into the habit of regular exercise, especially such movements as would exercise the abdominal muscles; eat vegetables; fruit and milk and avoid meats and candy.

The auditorium of the courthouse was filled to its capacity with women, with the exception of one lone man, who sat through the lecture, getting much timely advice about wearing apparel, especially concerning corsets, and the speaker was ready to give the demonstrations. During the little stir while the speaker revved his coat preparatory to giving the demonstrations, the single man—and he was a single man—who had possibly come to the conclusion that he had about all the information on these subjects he could digest, got his hat and quietly stole out.

One woman said she had a question to ask which was burning her tongue, but could not summon up the courage to do so over the shoulders of a man sitting in front of her.

Dr. Barker said that in all his wedded life it took him many years to get his wife to loosen up just a little bit, and in five minutes devoted to the subject of corsets in his talk he could scarcely expect to even make an impression. No doubt when the young man becomes a benedict he will be equipped with a store of knowledge on hygiene for the benefit of his better half.

In the beginning of his discourse Dr.

lumbis, S. C., to visit their sons, Capt. Sam and Capt. Phil Whitaker. Mr. Whitaker will only stay a week, while Mrs. Whitaker will remain a month. Their youngest son, Kenneth, is in the marines, in France.

Miss Marie Barnes is here from Ward-Belmont to spend the week end.

Miss Marguerite Brenizer will go from Wellesley to Philadelphia to spend the Easter holidays.

TENNESSEAN STANDS HEAD OF HONOR ROLL

W. H. Wilson, of Lynnville, Sells More War Stamps Than Any Other Rural Carrier.

Rural mail carriers all over the country have been so successful in the sale of thrift and war savings stamps that a roll of honor has been prepared, not only as showing the enthusiasm of postal employes in the rural service but as a matter of comparison to act as an incentive for renewed effort in future sales. According to the department records Rural Carrier W. H. Wilson, of Lynnville, Tenn., leads the roll of honor, having sold war savings and thrift stamps to the amount of \$4,544 during the month of December. This is quite a distinction for a Tennessee rural carrier, when it is taken into consideration that there are over 50,000 rural carriers in the service.

CONSIDER GRAVE QUESTIONS OF WAR

Gov. Rye Asks That All Business Be Suspended for One Hour on April 1.

Supt. J. W. Abel, of the Hamilton county schools, has received a letter from Supt. S. W. Sherrill, of the department of public instruction at Nashville, asking him to observe 1 o'clock in the afternoon of Monday, April 1, in all the schools of Hamilton county; this hour having been designated by Gov. Rye at which time he has asked that all business be suspended during this time to consider the war questions that involve the world.

Plans will be started at once in all of the schools for the observance of this day. Mr. Abel will instruct the principals and teachers to prepare programs for the occasion. The letter in full is as follows: "The governor of our state has asked that all business be suspended for one hour at 1 o'clock in the afternoon Monday, April 1, and asks all the people of the state to consider for this time the grave questions involved in this world war.

"I am hoping that we may include the schools in this call and that you may have all the schools in your county observe the hour as designated above. Have them give a program that will emphasize the work the children can do to win the war. Have someone explain this fully to them and have the children sing patriotic songs. Such an observance of the hour can do much good.

"We hope you will get behind it and make it a success. Sincerely, (Signed) S. W. SHERRILL, Supt. Dept. of Public Instruction.
