LEAGUE NATIONS HELD IN NO FAVOR

Might Be Uncomfortable for Germany, Imperial Chancellor intimates.

(Associated Press.) Amsterdam, June 26.—There will be no further discussion of President Wilson's four principles of a basis for general peace by Count Von Hertling, the imperial German chancellor.

This announcement was made by the chancellor in the reichstag in the debate after the speech of Foreign Secretary Von Kuehlmann. Proposal of a league of nations after the war is not looked upon with favor by Count Von Hertling who intimated that such a league might make it uncomfortable for Germany.

"I originally had no intention of taking part in this debate," said the chancellor. "The reasons for my contemplated reserve are obvious, namely, the experiences I have had together with my predecessor's remarks in previous speeches.

"If we spoke our willingness for peace that was regarded as a symptom of weakness and our immediately impending collapse. By others it was interpreted as a crafty trap.

"Did we speak on the other hand of our unshakable will to defend ourselves in a war of conquest so criminally thrust upon us it was said that it was the voice of German militarism to which even the leading statesmen must submit willy-nilly.

"I went a step further on Feb. 24 and expressly stated my attitude toward the message of President Wilson in which he discussed his four points and gave in principle, my assent to them. I said that these four points of President Wilson might possibly form the basis of a general world peace. No utterance of President Wilson whatever followed this so that there is no object in spinning any further the threads there started.

"There is still less object after statements which have since reached us, especially from America. These statements, indeed, made it really clear what is to be understood from a peace league of peoples or a league of peoples for the maintenance of freedom and justice.

"The opponents made it clear that they would be difficult to isolate the uncomfortable upward strivings of Germany and by economic stranglehold to extinguish her vital breath. I considered it as against this quite proper that the foreign secretary make a statement on the details of our political position in the east from Finland to the Black sea and in my opinion he fulfilled the task thoroughly.

"On the other hand," continued Count Von Hertling, "some of his statements were given a more or less unfriendly reception in wide circles." "The chancellor said he would not go into the question of the responsibility for the war. "There are already testimonies that Germany was not to blame."

"I feel obliged to clear away the misunderstanding which, it seems, we obtained in the interpretation of the second part of the secretary's statement," he continued. "The tendency of these utterances of the secretary was purely to shift the responsibility for the continuation and immeasurable prolongation of this terrible war to the enemy powers entirely in the sense I had indicated on Feb. 24, for it goes without saying there can be no question of lessening our energetic defense or our will, or of shaking our confidence in victory."

Stormy applause followed this utterance by the chancellor. "Now, as before," he added, "the ruler of the empire, the princes and the people stand together and confidently together. They trust in our incomparable troops, our incomparable army leaders and our united people, which are unshakably standing together, and we may hope that the Almighty, who hitherto has helped us and led us from victory to victory, will reward this faithful German people."

Regret was expressed by Deputy Groeber, centrist, that the utterances of the foreign secretary were still as blood-thirsty as ever. He added: "Nevertheless, I believe we have passed the climax of international hatred. German war aims offer no obstacle to a truce of God."

Count Von Westarp, conservative, said that the words of the foreign secretary regarding responsibility for the war, alarmed him. Dr. Von Kuehlmann's declaration did not strengthen the will to peace.

SHE WAS DYING OF PELLAGRA

Texas Woman Was on Death-bed and Doctor Said There Was No Hope.

TOOK BAUGHN TREATMENT

Soon Got Better—No Symptoms Have Returned.

Mrs. H. U. McCrary, Bardwell, Tex., writes: "In the spring of 1915 I was taken with Pellagra. My doctor said there was no hope. By then I could not leave my bed any. I heard of Baughn's Pellagra treatment and sent for it. After two or three days I began to get better and continued to get better until I got well. I am sure I would have been in my grave today if I had not got it, and no symptoms have returned.

The symptoms—hands red like sunburn, skin peeling off, sore mouth, the lips, throat and tongue a flaming red with much mucus and choking; indigestion and nausea; either diarrhoea or constipation. If you have Pellagra you can be cured by Baughn's Pellagra treatment. Get big free book on Pellagra. Address American Compounding Co., Box 2025, Jasper, Ala., remembering money is refunded in any case where the treatment fails to cure.—(Adv.)

TURKISH TROOPS ARE OPERATING IN PERSIA

(International News Service.) Washington, June 26.—Turkish forces operating in northwest Persia number about 2,000, according to a dispatch, under date of June 24, received by the state department today from American Minister Caldwell, at Teheran.

No further details of the sacking of the American missionary hospital and the seizure of the consulate at Tabriz are available, the dispatch added.

"Abroad," he continued, "they will, I fear, regard it as a new peace offensive. An appeal to the good will of England is useless."

Secretary Kuehlmann made a general reply to the criticisms raised in the debate. He said the most difficult questions in the conclusion of a peace would be territorial questions and proceeded to deal in some detail with the rectifications that would be required by Austria-Hungary and Bulgaria. Discussions between the two central powers would offer no difficulties.

The secretary referred to the difficulties of settling the frontier questions between Turkey and Bulgaria, owing to the sentimental grievances left by the Balkan war, and said that Germany and Austria had done their best to establish a compromise. He added, he hoped a final transfer of northern Dobruja to Bulgaria can occur and the better it will be for the interests of the entire alliance.

Regarding Rumania, the foreign secretary observed that criticism had been evoked because Germany had demanded no war indemnity in money or in the economic domain.

"Rumania has, however, under the group of treaties submitted to you, to render very considerable services to Germany even in the way of money," he said. "With a conscientious fulfillment of obligations, the Rumanian financial position will be the result of brilliant and the Rumanian people will be obliged to make serious efforts in order to be able to meet those obligations. The objection that Germany is not concerned is untenable, for we must render it possible for the debtor to make payment."

NO BASIS FOR RUMOR OF ASSASSINATION OF CZAR

(Associated Press.) London, June 26.—There is no foundation for the persistent rumors that Nicholas Romanoff, the former emperor, has been assassinated, says an Exchange Telegraph dispatch from Moscow dated June 21.

A report received in Copenhagen through Stockholm Tuesday quoted the Russian newspaper Vjia as saying that Russian red guards had murdered the former emperor in his residence at Ekaterinburg.

ITALIANS BEGIN COUNTER ATTACKS IN MOUNTAINS

(International News Service.) Rome, June 26.—In addition to driving all the Austro-Hungarian troops that had crossed the Piave back to the eastern bank, the Italians have begun a counter-offensive in the mountains where they made important gains.

An official statement issued by the war office on Tuesday night said: "On the Asiago plateau, the course of raids on the slopes of Monte di Val Tella, 102 prisoners were captured. Along the northwestern front of the Giappa sector our troops were in action, combined with heavy concentrations of artillery. Infantry thrusts carried out with great spirit gained us considerable ground from the enemy. We took 1,353 prisoners, seven of them officers."

The Austrian war office claims that 50,000 Italian prisoners have been taken and estimate the Italian total loss at 150,000 men.

124,525 DRAFT MEN SUMMONED

Crowder Calls White and Colored Registrants to Be Mobilized During July.

Washington, June 26.—White and colored draft registrants numbering 124,525 were summoned to the colors for general military service in a call issued today by Provost Marshal-General Crowder. Mobilization will take place at intervals during July, starting with the entrainment of 27,257 white selected men on July 5.

Today's call, combined with that for 220,000 to be mobilized July 22-25 ordered by Gen. Crowder last night, and with the various special calls previously issued, will remove from civilian life during July a total of 367,967 men.

The call issued today is divided into four sections for entrainment purposes. From July 5 to 9, white registrants numbering 33,259 are to be entrained; from July 15 to 19, whites, 21,255; July 16 to 20, colored, 45,000; and from July 23 to 31, colored, 25,011.

Although the order issued last night for 220,000 men probably will deplete the present available in class I in most of the draft districts, it was pointed out that the bulk of the men called for July will not go to camp until after the middle of the month and by that time it is expected the additions gained by reclassification and by the new registration of 21-year-old youths will be available.

YOUTH WHOSE NECK WAS BROKEN FINALLY DIES

John Hamilton, whose neck was broken a few days ago, when he fell from a wagon and struck his head on a rock, died Tuesday afternoon at Erlanger hospital.

Hamilton, whose home was about eight miles north of Daisy, was picking blackberries by the roadside. In some manner he lost his footing and fell from the wagon on which he was riding. Paralyzed from the shoulders down he was brought to Chattanooga in O'Donohue's ambulance and taken to Erlanger for treatment. His father, J. T. Hamilton, a well-to-do farmer of near Daisy, accompanied him here.

The body was removed to O'Donohue's undertaking establishment. Funeral services will be held from Sts. Peter and Paul's Catholic church at 9 o'clock Thursday morning, with Father Francis Sullivan officiating. The interment will take place in Mount Olivet cemetery.

RUBE WINS LAST GAME BEFORE DONNING KHAKI (Associated Press.) Memphis, June 26.—Rube Marshall pitched his last game in the Southern league this season and Friday will start on a journey which will lead him to the pitching of bombs in "no man's land." Rube won his last game yesterday over Roy Fentress by a score of 4 to 1, but he had a hard time doing it, for Roy pitched some good ball himself. Flagstad, of course, got his usual hit, which invariably leads to the Lookouts' first run. Fred Graff's holding featured, he accepting eleven chances without the shadow of a bobble. The locals scored one in the second and three in the third, and the Chicks scored their lone run in the sixth. The box score follows:
