SUM OF \$1,889 CLEARED AT WARNER PARK.

Red Cross and French War Orphan Society to Share Equally.

According to a hurried count made Monday night by the officials, the Labor day gate receipts at Warner park amounted to \$1,889.15.

The Chattanooga French War Orphan Society represents the American Duvour fund, an organization in France composed of a group of ten long established efficient French societies.

Donations received here are sent directly over. Their aim, as set forth in literature, is to clothe and feed a quantity, but to preserve to France the children of the men who in every rank of life represented what was most noble, most brave and most high-minded in their country.

This society asks for a definite sum, from \$25 a year upward for an individual orphan, who may be selected from the photographs and histories sent over from France, to whom one may write and from whom letters may be received.

CANTEEN SERVICE AS SEEN AT BOTH THE TERMINAL AND UNION STATIONS

Committee for Each Day Works From 8 in the Morning Until 8 at Night.

The canteen committee with Mrs. C. C. Nottingham as captain, is serving the troops Tuesday. Members of her committee are Miss Jessal Holtzclaw and Miss Margaret Ead, Lieutenants; Mesdames John Fouche, D. S. Abernathy, W. M. Elliott, H. L. Cory, G. M. Lillis, Dunham Townsend, Kelso Haley, Brunswick Low Bruce Crabtree, Misses Mary Mitchell, Louise Vanduyke, Genevieve Montague, Louise Spears and Rowena Sizer.

Monday afternoon Mrs. T. O. Selman's committee was on duty at the terminal station, serving hot coffee, cigarettes, post cards, etc., to a whole trainload of soldiers all of whom seemed in the very best of spirits.

Quite a crowd was attracted around the white shingle hut at the left of the station was filled with members of the committee in their blue and white uniforms, bearing the Red Cross insignia, and every one was as busy as could be doing something for the boys.

The committee for each day in the week goes on duty at 8 in the morning and remains until 8 at night.

At the Union station two representatives of Mrs. Selman's committee were serving cigarettes and post cards to a bunch of about eighty-five soldiers, or two coaches full, who were from Fort Oglethorpe. They had expected to leave at 10 in the morning but through some mistake in the schedule were detained until some time in the afternoon.

Quite a crowd was attracted around the gates of the station by the boys' singing, and they sang well. "Keep the Home Fires Burning" and "Smile, Smile, Smile," were among some of the selections. Their chorus singing of the boys showed good training and the boys sang with enthusiasm.

During an intermission in their free concert they began to talk about paying. A member of the Service League happened to be present and asked one of the boys for his hat, which she passed among the crowd, and collected \$2.10, after which the two canteen workers added 35 cents each, making a total of \$2.60. This was given the corporal who said it would be invested in coffee for their supper, otherwise they would have gone without coffee.
