

FULL FIGHTING FORCE FOR LIBERTY LOAN DRIVE

ALL SET FOR WEEK'S CAMPAIGN OPENING MONDAY.

All Zone Organizations Named, Luncheon at Noon Starts Festivities.

The fourth liberty loan organization for Chattanooga and Hamilton county has been completed by Chairman Geo. H. Patten. The soliciting teams have been appointed and everything is in readiness for the big gun which will start the campaign Monday at noon.

These business men and women of Chattanooga will go into the trenches with strict order to stay there until Friday night, Oct. 12. Many plans in connection with the drive are being worked out, and owing to the most efficient organization, the campaign, even though it has not been inaugurated yet, is almost assured a complete success.

"Stoop, Look and Loosen—Buy Liberty Bonds" is the sign that is posted on every telephone post in this community. While the advertising matter has been late coming to the local chairman, E. A. Wheatley, has accomplished most effective work in an advertising way, and will carry the campaign more extensively next week when the advertising material from the main headquarters arrives.

The liberty loan organization as completed is as follows:

Loan Me Your Money. Illustration of a man in a suit holding a large stack of money.

"Something Big Enough to Die for". Advertisement for Liberty Bonds. Includes text: "I gave up everything to come here—my friends, my loved ones, my position, my future. But I am happier than I have ever been before in all my life. I can't explain why, exactly, but I think it is because at last I have found something big enough to die for." (From the letter of an American soldier in France). "Something big enough to die for!" Even at close range, surrounded on all sides by the intimate horrors of war, face to face with blood and wounds and suffering and death, choked and blinded by the smoke of battle, his vision of the eternal Rightness of the Cause is undimmed. The Liberty of the world is "big enough to die for." It is big enough to save for, and to lend for; big enough to buy Liberty Bonds for—to our very utmost! Buy! Buy Till It Hurts! Contributed to the Winning of the War by the B. F. GOODRICH RUBBER COMPANY 402 Market Street
