

GREENLEAF BAND GIVES DELIGHTFUL PROGRAM

WAR CAMP COMMUNITY SONGS DRAW CROWD.

Talbert MacRae's Last Day as Song Leader—Garnett Hedge, Soloist.

The Chattanooga appreciates the every Sunday afternoon concert being arranged under the auspices of the Camp Community service was again attested Sunday when the seventh of the series was given. The program was given by the Greenleaf band and the soloist, Garnett Hedge, who has been with the band since its organization in 1917. The band is composed of the following members: Talbert MacRae, leader; Garnett Hedge, soloist; and the following: J. L. Mack, Mrs. L. G. Walker, O. K. Lebron and W. L. Tries.

The band from Camp Greenleaf which gave the enjoyable program, was formerly at Fort Riley, Kansas, and is regarded as one of the best in the army. The rumor that it may soon be sent to the front is being spread in much regret by Chattanooga. This band gave the first of the present series of community concerts some weeks ago. Sergt. M. J. Whistler, the talented leader, who had responded generously with solos when the house applauded in appreciation of their selections. Of special note were the ever popular "Marianne" (Waltz) which received a change; Tobani's arrangement of "The Bohemian Girl," blending "The Harp That Once in Tara's Hall," "Then You'll Remember Me" and "The Evolution of Dixie." This interesting composition is a fantasia depicting the gradual evolution of "Dixie," through "The Creation," "The Abolition" and "The Minstrel," the melody is developed until there emerges the immortal "Dixie." This return becomes a waltz, then a march, and at last grand opera.

TOLBERT MACRAE LEAVES FOR ANOTHER CAMP

SINGING LEADER GOES TO CAMP DODGE.

Will Be Heard Tonight for Last Time as Capt. Corcoran in Pinafore.

The last appearance of Tolbert MacRae before a Chattanooga audience will be tonight when he takes the part of Capt. Corcoran in "Pinafore" at the Lyric. When he led the community singing at the Pilgrim church Sunday afternoon, the public did not know that he had been transferred to Camp Dodge, near Des Moines, Ia., where he is right away to take up his work at another camp. Otherwise, there might have been a rousing vote of thanks given the government singing leader for his untiring services at these Sunday afternoon community concerts and at other places.

Mr. MacRae sang the solo parts with the First Baptist church Sunday morning, making a fine impression with his splendid voice. It is with much regret that the Chattanooga music-loving public will give him up to go to another field of work.

Following the concert, which was given Sunday afternoon by the Camp Greenleaf band, No. 2, the committee in charge of the community singing met to select some one to lead until the holidays, the school having been closed on account of the influenza epidemic. It was decided to appoint any one in place of Mr. MacRae. It was decided to ask J. O. Carter to direct the singing for the present. Mr. Carter is the young man who is already directed the singing after Mr. O'Hara left until the coming of Mr. MacRae. He is with the Provident Life Insurance company.

The committee which sponsors the Sunday afternoon concerts and community singing is composed of: O. P. Darwin, chairman; Mrs. Morris Temple, vice-chairman; Mrs. John Lamar Cook, chairman of program; Mrs. L. G. Walker, chairman of publicity; Mr. O. K. Lebron and Mr. W. L. Price. The committee decided to have more singing in the future.

Mr. MacRae, with his wife and little son, John, will leave probably Tuesday. The band concert Sunday afternoon was considered one of the best programs yet rendered, and it is a matter of regret to the entire community that with the mobilization of the army these bands will be lost to Chattanooga.

Garnett Hedge, a well known and talented tenor from the army post, delighted the large audience with his splendid voice and was repeatedly encored.

MOUNTAIN SETTLEMENT APPEALS FOR HELP

KING SUFFERING FROM EPIDEMIC OF INFLUENZA.

Red Cross Will Send Nurse. Mrs. McDonald Will Receive Clothing at City High.

An appeal has been made to Chattanooga through Mrs. Lucy Holtsclaw McDonald for help in managing the influenza situation at Kimo, a country settlement near Monticello. Dr. Lillian Johnson, of Memphis, Mo., is in charge of the settlement work there and is very much concerned over the epidemic prevailing there now. Thirty days have died within the past few days, states Dr. Johnson in her communication, and many men at the heads of families have been among the victims since the prevalence of the disease. These families must necessarily suffer this winter unless relief comes. The appeal is for a nurse or nurses, for clothing for children and grown-ups, also pieces of old sheets or table linen to furnish cloths for the sick room. Mrs. McDonald has agreed to take charge of these things if they are left at the Chattanooga High school not later than Wednesday, as the needs are urgent and help must be sent this rural settlement at once.

The queer little name, Kimo, was born of a kindred spirit for all mankind and simply means kin company; that is, that they are all kin in the welfare of the community and humanity. The settlement is located in the Cumberland mountains, removed from the railroad, between Monticello and Tracy City.

The Red Cross here has been appealed to for a nurse for this settlement, and will send one just as soon as it can secure one able to go.

Four Hundred and Twelve to Leave Wednesday. A special train of about eleven cars will leave Lyric, Ga., Wednesday, Dec. 18, for points east. The train will carry 413 discharged engineers from Camp Forrest. It's Dangerous to Neglect a Cold. Never allow a cough to hang on week after week. A cough is usually a symptom of some disease of the throat or bronchials and may well be regarded as a signal of danger. No one can tell what serious disease may follow when it is neglected. As a rule the disease that causes the coughing may be cured by taking Chamberlain's Cough Remedy. In more than nine cases out of ten it is all you will need.—(Adv.)
