CRITICAL TIMES SEIZED UPON

Both Parties at Washington Have Adventurers Seeking to Ride Into Prominence. OBJECT TO DIRECT ASSENT

(BY JOHN D. ERWIN.)

Washington, Oct. 29.—There are daring political adventurers in both the republican and the democratic parties. These are men who have seized upon a critical time in the affairs of the country to ride into prominence with a view of putting themselves in line for the presidency.

The distinguished senator from Missouri, James A. Reed, is one of the ablest men on the democratic side of the senate. He is an orator of great force. He is a master of invective, and he does not hesitate to employ his peculiar talents to the disadvantage of any who may come in a threatening manner before him.

Reed Opposed Wilson. Whenever opportunity presented itself he has harshly criticized the policies of the president. When it came to the work of the peace commission he naturally took issue with the president, and therefore there came a pattering and hugging force in the senate.

When the treaty and the league of nations came he aligned himself with the republican irreconcilables. His ambition was to destroy what President Wilson had done, and he joined with Borah and Johnson and the rest who sought to feather their own nests.

RHEUMATISM Cannot Be Cured

BY RUBBING WITH LINIMENTS AND OINTMENTS. "A few years ago I suffered from a severe attack of articular Rheumatism that rendered me almost helpless. By the use of the usual external remedies I was able to check the pain somewhat, but I did not regain the full use of my limbs and on cloudy days or when exposed to dampness or cold I would immediately suffer from stiff aching joints. I began to take S. S. S. and all symptoms at once disappeared, until now I have no fear of exposure to the worst sort of weather. I feel my duty to recommend S. S. S. to all who wish to free themselves from the torturing clutches of Rheumatism."

Physicians now agree to many forms of Rheumatism caused by a germ in the blood. The pain is not the disease itself, but merely a symptom—nature warning you that you have been attacked. The only intelligent treatment, therefore, is through the blood; treatment directed toward eliminating disease germ from the blood.

Rheumatism is a stubborn disease. It is not on the surface, therefore you must not expect to be able to cure it with remedies applied to the surface. No one ever yet effected a permanent cure in this way, so why should you continue to suffer while relying upon treatment that has failed in thousands of cases?

The experience of others afflicted with Rheumatism is your best guide, and by following their advice you can not only save yourself untold suffering, but rid yourself of a disease that will eventually wreck your body and leave you helpless. Almost every victim of Rheumatism has practically the same experience. They are so impressed with the pains and suffering of the disease and are so anxious to get rid of them that they have treated the pains alone and overlooked the cause. They have rubbed with liniments, lotions and ointments in an effort to get temporary relief, with no chance of doing themselves any permanent good.

Such was the experience of Mr. Caspus Bibb, of 2424 Tenth Avenue, Bessemer, Ala., who writes to tell how he found relief from his terrible affliction. He says:

Our medical department maintained for the benefit of afflicted, and if you will fully about your case you will be given complete advice as to the treatment necessary for your individual case, for which a charge is made. Address S. S. S. Specific Co., 405 Swift Laboratory, Atlanta, Ga.—(Adv.)
