Ayer's HairVigor

For restoring to Gray Hair its

color, with the glass and freshness of posth. Thin hair is thickened, falling hair checked, and buildness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this opplication, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the bair with a pasty sediment, it wil keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and preventa the formation of dandruf, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit, but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bit-

ters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital or-

gans wasted beyond repair.

Bilious, itemittent, and Intermittent Feyers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Eis Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derapgaments of the stomach and liver, and other abdominal viscers. In their treatment, a purgative, exerting a powerful indusace upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-polored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the bealthy functions of the digestive organs.

Fortify the body against dis-case by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed. Dyspensia or indigestion, Head-ache, Psin in the Shoulders, Coughs, Tightness of the Chest, Dissuess, Sour Eructations of the Stomach, Bad Tasta in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, Lungs, Ham in the region of the Kidners, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better giarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of wemanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it ob-structed and singgish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the
