ber 1, 1874, nor after March 31, 1875,
under the name of "Premium List".

Under the name of "Premium List", tak-
ing January 1, 1875, the postage on news-
papers is required to be prepaid by the
publishers at the time of mailing, thus
relieving the subscriber of the necessity
of paying at his postoffice the quarterly
postage as heretofore.

Postage Prepaid by Publishers.

The unprecedented success with which
the Times has met, since its establish-
ment, is convincing evidence that the
people of the West and South, fully ap-
preciate the efforts of a journal, which,
in addition to its enterprise as a news-
paper, has the courage to boldly declare
and constantly maintain the principles
of the political faith.

The public journal mostly deserving of
Democratic support is the one that, in
addition to being a full and faithful and
consistent advocate of Democratic prin-
ciples. A Democratic newspaper is the
newspaper for Democrats to support, and
the ideas sometimes sought to be inculcated
by those who have an interest of their
own in doing so that the people must go
outside their party organs to "find the
news," is absurd and irrational. There
is no sort of incompatibility whatever
between the political and non-political
journal as to the matter of news; many
of the papers now published throughout
the country, and especially valuable for
the amount and variety of their intel-
ligence, being also known for the ability
and earnestness with which they cham-
pion their peculiar party views. Hence
all things else being equal, it is manifest-
ly the duty of Democrats to limit their
newspaper patronage to such as are of
their own way of thinking and not to
squander their means on those that wage
constant warfare upon their established
convictions.

It is our desire to see the Times in the
hands of all Democrats, and every well-
wisher of the Government throughout
the land, and in order that this may be
done, we are now offering the following
extraordinary inducements to those who
will interest themselves and act in the
support of the Times.

The Times is under the editorial man-
agement of STRONG HUTCHINS, one of its
founders, associated with JOHN N. ED-
WARDS and R. H. SYLVESTER, who are
well and favorably known to the Demo-
cracy of the Northwest, in charge of a
large and capable staff of writers and re-
porters.

WILD OATS.

PROSPECTUS FOR 1875.

Champion American Comic Paper!

Illustrated by a corps of the best Ameri-
can artists, and contributed to by the
most popular humorists and satirists of
the day.

Wild Oats now enters successfully up-
on the sixth year of its existence, and
has become the established humorous and
satirical paper of the country. It was
started and continued the first year as a
monthly, then, to satisfy the demand of
the public, it was changed to a fortnightly.
Still continuing its good work of
hitting off as it flies, and showing up
the political and social shams by its
wonderfully accurate and pungent editorial-
ing, it achieved even greater success than
before, and was recognized as the ablest
and brightest of its class. Since then we
have yielded still further to the public
demand, and now publish Wild Oats
weekly! It has literally grown into its
present shape on its intrinsic merits, be-
ing the first successful weekly humorous
paper ever published in this country.

Among the artists especially engaged to
furnish illustrations for Wild Oats are
Frank Bellow, Thomas Worth Hopkins,
Wells, Shelton, Wolf, Jump, Kettles,
Stuckard, Day, Poland, and several
others who are yet known to fame.

In its literary departments Wild Oats
will, as it always has, stand alone and
unapproachable. At least one first-class
serial story will always be found in its
pages, by the best humorous, satirical,
and character writers in the United
States; while its sketches and squibs
will be sparkling, original and pointed.

Wild Oats will be first-class in every
particular, and on this account may be
taken into the best families without fear
or suspicion, as no word or illustration
will appear that can offend the most fas-
tidious.

VINEGAR BITTERS

**DR. J. WALKER'S California
Vinegar Bitters**

Dr. J. Walker's California
Vinegar Bitters are a purely Veg-
etable preparation, made chiefly from the
native herbs found on the lower
ranges of the Sierra Nevada moun-
tains of California, the medicinal
properties of which are extracted
therefrom without the use of Alcohol.
The question is almost daily asked,
"What is the cause of the unparal-
leled success of VINEGAR BIT-
TERS?" Our answer is, that they
remove the cause of disease, and
the patient recovers his health. They
are the great blood purifier and a
life-giving principle, a perfect Re-
novator and Invigorator of the system.
Never before in the history of the world
has a medicine been compounded pos-
sessing the remarkable qualities of VINE-
GAR BITTERS in healing the sick of
every disease man is heir to. They are
a gentle Purgative as well as a Tonic,
relieving Congestion or Inflammation of
the Liver and Visceral Organs, in Bilious
Diseases.

The properties of DR. WALKER'S
VINEGAR BITTERS are Aperient, Dis-
phoretic, Carminative, Nutritious, Laxa-
tive, Diuretic, Sedative, Counter-Irritant,
Sudorific, Alterative, and Anti-Bilious.

Grateful thousands proclaim
VINEGAR BITTERS the most wonder-
ful Invigorant that ever sustained the
sinking system.

No person can take these Bitters
without taking directions, and re-
main long unwell, provided their
bones are not destroyed by mineral
poison or other means, and vital or-
gans wasted beyond repair.

Bilious, Remittent, and In-
termittent Fevers, which are so
prevalent in the valleys of our great
rivers throughout the United States,
especially those of the Mississippi,
Ohio, Missouri, Illinois, Tennessee,
Cumberland, Arkansas, Red, Colo-
rado, Brazos, Rio Grande, Pearl,
Alabama, Mobile, Savannah, Ro-
anoke, James, and many others,
with their vast tributaries, through-
out our entire country during the
Summer and Autumn, and remarka-
bly so during seasons of unusual
heat and dryness, are invariably ac-
companied by extensive derange-
ments of the stomach and liver, and
other abdominal viscera. In their
treatment, a purgative, exerting a
powerful influence upon these vari-
ous organs, is essentially necessary.
There is no cathartic for the purpose
equal to DR. J. WALKER'S VINEGAR
BITTERS, as they will speedily remove
the dark-colored viscid matter with
which the bowels are loaded, at the same
time stimulating the secretions of the
liver, and generally restoring the healthy
functions of the digestive organs.

Fortify the body against dis-
ease by purifying all its fluids with
VINEGAR BITTERS. No epidemic can
take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Head-
ache, Pain in the Shoulders, Coughs,
Tightness of the Chest, Dimness, Sour
Eructations of the Stomach, Bad Taste
in the Mouth, Bilious Attacks, Pal-
pitation of the Heart, Inflammation of
the Lungs, Pain in the region of the Kid-
neys, and a hundred other painful sym-
ptoms, are the offspring of Dyspepsia. One
bottle will prove a better guarantee of
its merits than a lengthy advertisement.

Scrofula, or King's Evil, White
Swellings, Ulcers, Erysipelas, Swelled
Neck, Goitre, Scrofulous Inflammations,
Indolent Inflammations, Mercurial af-
fections, Old Sores, Eruptions of the Skin,
Sore Eyes, &c. In these, as in all other
constitutional Diseases, WALKER'S VINE-
GAR BITTERS have shown their great cur-
ative powers in the most delicate and
intractable cases.

For Inflammatory and Chronic
Rheumatism, Gout, Bilious, Remit-
tent and Intermittent Fevers, Diseases
of the Blood, Liver, Kidneys and Bladder,
these Bitters have no equal. Such Dis-
eases are caused by Vitiated Blood.

Mechanical Diseases.—Persons
engaged in Paints and Minerals, such as
Plumbers, Type-setters, Gold-beaters and
Miners, as they advance in life, are sub-
ject to paralysis of the Bowels. To guard
against this, take a dose of WALKER'S
VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions,
Tetter, Salt-Rheum, Blotches, Spots, Pin-
ples, Pustules, Boils, Carbuncles, Ring-
worms, Scald-head, Sore Eyes, Erysi-
pelas, Itch, Scurf, Discolorations of the
Skin, Humors and Diseases of the Skin of
whatever name or nature, are literally
died up and carried out of the system in a
short time by the use of the Bitters.

Pin, Taps, and other Worms,
working in the system of so many thou-
sands, are effectually destroyed and re-
moved. No system of medicine, no re-
medies, no sublimities will free the
system from worms like these Bitters.

For Female Complaints, in young
or old, married or single, at the dawn
of womanhood, or the turn of life, these To-
nic Bitters display so decided an influence
that improvement is soon perceptible.

Cleanse the Vitiated Blood
whenever you find its impurities bursting
through the skin in Pimples, Eruptions,
or Sores; cleanse it when you find it ob-
structed and sluggish in the veins; cleanse
it when it is foul; your feelings will tell
you when. Keep the blood pure, and the
health of the system will follow.

**ARTHUR'S ILLUSTRATED
HOME MAGAZINE
FOR 1875.**

Bright, cheerful, progressive, always up
to the advancing thought of the times.
The Home Magazine takes rank with the
leading and most influential periodicals
of the day. It is on the side of temper-
ance and true christian morality. What-
ever is hurtful it condemns without
fear or favor, and makes itself felt in the
homes of the people as a power for good.

The Great Household Magazine of
America, is more thoroughly identified
with the people in their home and so-
cial life than any other periodical in the
country.

"Deborah Norman; her work and her
reward." A new serial story by T. S.
Arthur will be commenced in January.
"FIFTY YEARS AGO; or the cabins
of the West," by Rosella Rice. We an-
nounce this new series of articles with
real pleasure, knowing as we do that it
will be among the most attractive that
we shall offer our readers next year.

Miss Rice, besides holding the pen of a
ready writer, has in her possession a large
amount of original material from which
to draw, and a wide acquaintance with
people whose personal reminiscence are
rich with pioneer incidents and experi-
ences.

"Homes for the People," a series of ad-
mirably suggestive articles on homes and
how to make them pleasant and attrac-
tive, by Mrs. E. B. Duffer.

"The Story Teller." This department
will be unusually rich. Besides an
abundance of short stories, two or three
serials will be given during the year.

"Pipsaw" Potts the inimitable de-
lineator of home life and character, will
have an article in every number
