TESTIMONIALS:

No. 124 Chippewa street, New Orleans, January 3, 1880.

When I may concern: On the 10th day of June, 1879, an abscess formed on the left hip of my wife, which destroyed the use of the limb and left her helpless. Her sufferings were terrible, and her life was rapidly passing away. After trying everything that could be thought or heard of in medicine, without relief, I then heard of Dr. R. H. Roberts, who was known by his vital psycho-magnetic power. In a few weeks, restored the use of the limb. She is now able to walk to his office for treatment and back home, without suffering any further. Signed W. S. BASSETT, Captain of the "MARTHA."

Catarrh, Bronchitis, Affection of the Left Lung, Dyspepsia, Palpitation of the Heart, and "not very well any way," all cured.

I hereby certify that I have been very much afflicted with nasal catarrh, bronchitis, severe dropsy of the left lung, palpitation of the heart and the worst form of dyspepsia for one year, and I was passing into quick consumption, and was nearly dead. Five of the most eminent physicians of this city failed to afford me any relief before I called on Dr. Roberts. Dr. R. H. Roberts wonderfully improved me, and through his treatment, I am now daily gaining strength. I will cheerfully answer inquiries, and will answer questions cheerfully. Signed WILLIAM ZIEGLER.

ARTICULAR RHEUMATISM.

New Orleans, June 6th, 1880.

I have been very badly affected with articular rheumatism, and dropsy of the knee joints, these being swollen very large, stiff and painful, for 6 months. The usual remedies and the prescriptions I tried did me no good. I had made up my mind that I should become a permanent cripple. I then heard of and applied to Dr. R. H. Roberts, who afforded me immediate relief, and by six weeks magnetic treatment a perfect cure. Will answer questions cheerfully. Signed M. WAHLG, Residence, corner Philip and Terret Sts.

ABDOMINAL TUMOR.

No. 32 Second street, New Orleans, January 5, 1880.

I have suffered awfully with an abdominal tumor for four years. No physician when I tried afforded me any relief, until I applied to Dr. R. H. Roberts, who has been treating me just one month. I am now only too happy to testify that the tumor has been entirely removed! My general health is becoming excellent. Signed Mrs. THELMA HAGARDON.

DYSPEPSIA, DROPSY AND NASAL CATARRH.

No. 11 Religious street, New Orleans, January 6, 1880.

I hereby certify that I have suffered very much with dyspepsia for twelve years. After having tried many remedies prescribed by different eminent physicians of this city, all of which failed to do me a particle of good, I was ultimately cured by Dr. R. H. Roberts. Dr. Roberts has also cured my wife of general dropsy of six months standing, and nasal catarrh and deafness of the right ear, she having suffered greatly from the last named disease for ten years. I will answer inquiries. Signed JOHN JUDGE.

Fourth, bet. St. Patrick and St. David Sts. New Orleans, June 1st, 1879.

I hereby certify that I have been deaf in my left ear for ten years, accompanied with all the usual accompaniments. Dr. R. H. Roberts cured me in less than ten minutes to-day, both of the deafness and the accompanying noise. I am 67 years of age. I will be glad to answer inquiries on the subject. Signed PATRICK EGAN.

CONSUMPTION.

New Orleans, September 8, 1879.

I hereby certify that I have been bad with consumption, from nasal catarrh, for over one year. I had "Bubbling" throat, and failed to cure me before calling on Dr. Roberts. I also tried the physicians of the Charity Hospital, but they failed to afford me a particle of relief. Dr. Roberts has perfectly restored me to good health. The awful cough and spitting of corrupt blood have both ceased. Will answer inquiries cheerfully. I live corner Philip and Liberty streets. Signed Mrs. DELIA FOWLER.

ENGORGEMENT OF THE WOMB, DYSPEPSIA AND LEUCORRHOEA.

Mrs. Louis Wolcott, 340 Magazine St., terribly afflicted with engorgement of the womb, dyspepsia and leucorrhoea, was perfectly cured by Dr. Roberts, in May and June, 1878. A remarkable case. Signed Sept. 4.
