A. HUTZLER'S SONS, No. 315 Broad street, WILL BE

CLOSED ON MONDAY, OCTOBER 10TH,

ON ACCOUNT OF HOLIDAY,

AND WILL REOPEN TUESDAY MORNING,

ON TUESDAY MORNING,

Nothing superfluous either in the language that invites you or that speaks of what we are doing. Not the shadow, but the sunlight of everything that is handsome, new, and novel in the store just now. Day by day the variety of beautiful things have added each in their turn a spark of its lustre, until we are loaded and overloaded in every department.

THE CARPET AND HOUSEWEAR DEPARTMENTS are not the least interesting just now. This is the time to fit up your house against the discomforts of the cold winter's blasts, against the unpleasant shabbiness. If you expect to reap the benefit of greater contentment at home than you can ever find outside, it becomes your duty to do so. We are in position to make "little go far." Carpets and other floor coverings, Upholstery, Window-Shades and Curtains, Poles, and Decorations were never so cheap before; never shown in such variety. Our buyers have been laboring for months to place before you the very best of everything that the foreign and domestic markets offer. There is striking prettiness everywhere, whether you are looking for a Carpet at 25c. or one at \$1.75 a yard. How else could we have increased our Carpet trade to the largest in the city?

Some very beautiful effects in the Ingrains. They were never so effective in style--never better in quality, nor ever so cheap. We carry the best makers' goods--the most artistic patterns. Bigelow and Hartford Brussels--all the exclusive designs they are making this season. Wiltons, Axminster, Velvets, Tapestry Brussels, and Venetian.

There has been surprising trade in Smyrna Rugs. The cause leaked out with the prices. The manufacturers charge one price, we another; you can compare their printed price-list with ours. The difference is in our favor nearly 50 per cent.

Ingrain Druggets, Jute Druggets, Jute Rugs. Not much to say in favor of Jute stuffs other than they look cheap.

Nottingham Lace by the yard. Seventy-five pieces bought with our recent great purchase of LACE CURTAINS--6 1/2, 9, 14, 20, 27, 29, 33, and 45c. a yard--not a piece but what is worth double that price.

If you desire to make your own Curtains we offer you every facility to get them up cheap. Imported Linen Scrim, 42 inches wide, 7c. a yard. Handsome Lace Trim-Work Scrims at 8, 9, 10, and 12 1/2c. Lace to trim them with, of course.

BED-COVERING is another thing of interest to you just now. The "Gem of California," the most superior Blankets made in the world. You have seen them before--Fancy Clover-Leaf Border, bound with satin ribbon. The large sizes cost \$12. We bought two hundred pair, and are selling them at \$6.45. Another that is all wool--the Seven-fold Blanket--the price is down to \$3.50 a pair. No such values were ever known. From this price we go down until we reach the low price of 80c. a pair.

Calico Comfortables at 45c. at 75c. at \$1. \$1.25, \$1.45, \$1.55, \$1.65, \$1.80, \$1.90, \$1.95, \$2.05, \$2.15, \$2.25, \$2.35, \$2.45, \$2.55, \$2.65, \$2.75, \$2.85, \$2.95, \$3.05, \$3.15,
