## Money Growing on Bushes Wouldn't Be Easier to Get—Drugstore Shoppers Who Avail Themselves of These Prices Are Happy in the Consciousness of That Fact.

### PRICES ONE FOURTH LESS THAN YOU HAVE BEEN IN THE CUSTOM OF PAYING.

We've cut the prices on most everything in the store's stock. We've hewed nearly to the point of cost the price of all patent medicines on the market—patent medicines you've been in the custom of paying much more for. We propose to do double—triple—the business of any other drugstore in the city. Remember that prices haven't been cut at the expense of quality—that the reputation this store's enjoyed for high quality goods will always be merited. The best will be the lowest ebb of quality. Excursionists, cut out this advertisement and bring it with you on your trip to Richmond; Richmondites, preserve this advertisement for reference. Stop paying the needless high prices that other drugstores charge, and profit by the savings that shopping here brings. Out-of-town orders to the amount of \$5 sent free.

### Seawright Magnesian Lithia Springs Co.

The best Mineral Water in the market to-day. What Virginia physicians say of it:  
FROM STAUNTON.  
DR. J. ST. P. GIBSON says: "If used freely, the Seawright Water is almost a specific, for all diseases arising from excess of uric acid, such as Rheumatism, Gout, &c. I have recommended the water in many cases of weak digestion and dyspepsia, and do not remember one that it has not benefited."  
DR. B. M. ATKINSON says: "I have advised its use in many cases in my practice, and a member of my own family has used it with very decided results."  
DR. C. T. LEWIS says: "I have had occasion many times to use the water, with very gratifying results—in a great many cases of indigestion with marked benefit each time. In one of the worst cases of acute indigestion I ever saw it was the only thing the stomach would retain for three days,

and the patient recovered rapidly under its use. For constipation nothing is better."  
DR. R. P. REESE says: "I have been so forcibly impressed with the wonderful effect of the Seawright Water, upon a patient suffering from acute attack of Bright's Disease, engrafted on a chronic case, I feel that, in justice to the afflicted, as well as to the profession, I must give an unqualified endorsement of this wonderful water." Case described in detail, and the letter concludes: "He has drunk the water with great and astonishing benefit. There is very little albumen in the urine, swelling has almost entirely disappeared, sleep well, good appetite, mind clear, cheerful and bright, rides out every two or three days. The remedies he has been taking are such that I am forced to believe the chief factor in this improvement is the Seawright Water."  
Seawright Magnesia Lithia Water, 50c. a bottle—\$5 a case.  
DR. WELCH'S GRAPE JUICE—UNFERMENTED.  
Dr. Welch's Grape Juice is from choicest Concord grapes, pressed and sterilized by improved apparatus—delicate straining, extreme clarifying, and great cleanliness pervading the whole process.  
In the grape season, rich, ripe, carefully-selected grapes are cleanly pressed; and the juice properly heated in porcelain, is hermetically sealed in glass bottles.  
Only luscious grapes, a clean process, the preventing of the least particle of alcohol, and the skill acquired by years of experience, can produce such a beautiful, palatable, healthful juice, retaining to perfection the delicate grape aroma.  
Easier to digest than milk. Price, 50c. a pint; two dozen pint bottles, \$10.  
Miller's Malt Extract, the best Malt for a run-down system. Only \$1.50 dozen bottles.  
Munyon's Homoeopathic Remedies, the 25c. ones for 19c.; the dollar ones for 84c.
