THE ALUMNAE FEAST.

WOMAN'S COLLEGE GRADUATES OF THIS AND FORMER YEARS.

NEW FEATURE OF COMMENCEMENTS.

The Luncheon at the Jefferson a Delightful Affair—Many Bright Speeches Made—The Class-Day Exercises and Final Concert.

The middle section of the main dining-room was set apart for the occasion. The tables were decorated with the college colors—green and white—except the one occupied by the graduating class, the guests of the association, which was decorated with pansies, the class flower.

When I was young, the occasion was made by Miss Carter in response to the toast, "When I Was Young." The only idea she had of toasts, she said, was gathered from reports of after-dinner speeches made by men, and as they were given in earnest and dried subjects, they never appeared to be very clever.

THE NEW WOMAN. Comparisons between "the old woman and the new woman" were drawn by Miss Orie Latham Hatcher, very much at the expense of the latter.

CLASS-DAY EXERCISES. The class-day exercises took place in the college chapel yesterday morning in the presence of a large audience.

THE PRESIDENT'S GREETING. After luncheon the president of the Alumnae Association, Mrs. Lizzie McDonald Crump, in extending her greeting, urged those present to embrace every opportunity that would come in their way to further their education and view of life.

MEMORIAL SERMON AT GRACE CHURCH. On Sunday night the ladies of the Hollywood Memorial Association and representatives from the other memorial associations in the city, together with the members of Lee and Pickett camps, assembled in Grace Episcopal church, where Rev. Landon R. Mason preached the memorial sermon.

ALLEGED PIRATES CAPTURED. JACKSONVILLE, FLA., May 31.—Dispatches from Miami, on the lower east coast, report the seizure of the schooner "The Florida" by the United States collector of customs, the Dauntless, which left Savannah two weeks ago, ostensibly on a towing trip, and which is since reported to have landed two cargoes in Cuba, is also reported to have been captured by the cruiser "Reliance," which put out from Key West.
