

# SALES THAT CAN BE DEFEATED!

This store has a broad field to work in, and is demonstrating daily to the South its ability to have in its midst great mercantile establishments. Through connections that smaller stores could not keep abreast of the weekly sales are the means of reducing the cost of furnishing home and wearing apparel full one third. The daily arrivals aggregate forty cases of merchandise. The output must necessarily be double. This means New Goods all the time—an advantage that you can't overlook. No matter how low a price is brought through special purchasing it is sold without reserve every hour of every day. It will be delivered to your homes free of cost, and it may be returned any time within ten days and have its cost refunded in cash.

# This Week's Sales Cover a Vast Field of Merchandise!

**EVERYTHING FOR EVERYBODY**

## THE BEGINNING OF THE END.

### The Great Sale of Clothing from the Excelsior Clothing Company

#### Is Soon to Close.

So great has been the demand, and so great has been the selling of this immense stock of High-Grade Clothing, that many lots are much broken in sizes, and to make a complete range of sizes in each remaining lot many of the higher-priced goods will now be pushed down into the lower-priced lots. We have rearranged the entire assortment accordingly, and as it now stands it represents Clothing value not likely to be duplicated here or elsewhere.

- Lot 1** now contain's Men's Suits of High-Grade Foreign and Domestic Materials, made in the height of style, regularly sold for \$8 and \$10. To **\$5.00**
