

RHEAS TEN STRIKE, Democrats Win in Every District in the State.

A PERFECTLY CLEAN SWEEP, All of Our Nominees Will Go to Fifty-Sixth Congress.

THE NINTH CONSIDERED SAFE, Contest Was Very Close There—Fine Weather, But a Small Vote Was Foiled—Democrats Elect McCorkle as Senator in Lexington District.

The elections in Virginia yesterday were for members of the United States House of Representatives and for a few members of the General Assembly of Virginia to fill vacancies. We give below the returns received by us up to the hour of going to press, omitting scores of mere precinct returns, which throw no light at all upon the county vote:

FIRST DISTRICT, The Hon. William A. Jones Carries Everything Before Him.

Accomac. The vote in this county, Accomac, is the lightest cast in recent years for congressman. It is the smallest Republican vote ever cast. Jones (Democrat) carries the county by 1,250 majority. The total Republican vote in the county is about 1,500.

NORTHAMPTON, Cape Charles: From present indications W. A. Jones, Democratic candidate for Congress, will have about 300 majority in the county over Bristow (Republican).

Lower Northern Neck. Warsaw: Jones (Democrat) carries three precincts in this county by 143 majority. Lancaster: Jones (Democrat) carries his majority to be heard from. Northumberland county, with two precincts to be heard from, which will not materially change the result, gives Jones 57 majority. Lancaster, with two precincts to be heard from, gives Jones 52 majority. Westmoreland, with four precincts to be heard from, gives Jones 190 majority.

C. Harding Walker, for State Senate, was elected without opposition. There was a very light vote.

Fredericksburg. Total vote of Fredericksburg 450, divided as follows: Jones, 240; Bristow, 40; Crockett, 1. Six votes thrown out. Jones's majority, 241. Gain for Jones of 25 votes.

Mathews: Vote light. Jones's majority in Mathews 271.

Middlesex. Stormont: There are four precincts in Middlesex county, three of which give Jones 18 majority. There is one precinct to be heard from. Jones carried county in 1892 by 114.

GloUCESTER, Gloucester Courthouse: Jones's majority in Gloucester is 118, with one precinct to be heard from. The full return will probably reduce this majority slightly.

SECOND DISTRICT, Young Easily Defeats His Two Republican Opponents. Norfolk: Throughout the Second District the vote has been light. No disorder has been reported. The negroes have taken but little interest in the election. Young (Democrat) is undoubtedly elected, and his majority will probably be large, reaching the highest mark in this city. The Republican split did not deal at the polls, the factions voting for their respective candidates, Holland and Wise. Returns are slow coming in, and from the more remote precincts in the district no news can be had until tomorrow, consequently correct figures cannot be given at this hour. In two precincts in Norfolk county, which is ordinarily Republican, Wise shows a loss of 500. Holland leads Wise in Norfolk city. Young's majority in this city of 2,000, a gain of 1,000.

NORFOLK CITY, Norfolk: Norfolk city complete gives Young (Democrat) 5,817. Wise (Republican) 557, Holland (Bowden Republican) 1,002.

NANSEMOND, Suffolk: Returns from eight precincts of Nansemond county show that the vote for congressman is only about half what it was two years ago. The votes to-day in eight precincts are: Young, 483; Wise, 96; Holland, 12. Two years ago same precincts gave Young, 966; Wise, 1,045; Whaley, 12.

NEWPORT NEWS, ELIZABETH CITY, AND WARWICK, Newport News: The election to-day was the quietest in the history of the city, and the smallest vote was polled, less than a third of the registration number being cast. The city gave Young (Democrat) 286, Wise (Republican) 242, Holland (Republican) 260. Wise's plurality over Young here two years ago was 47. Elizabeth City, including Hampton, gives Young 47, Wise 47, and Holland 21. Warwick county gives Young 282, Wise 132, and Holland 121.

PRINCESS ANNE, Princess Anne: Young's plurality in Princess Anne is about 200.

WILLIAMSBURG, Williamsburg: The election here passed off quietly. Young (Democrat), 95; Wise (Republican), 82; Holland (Republican), 2. Light vote polled.

YORK, Yorktown: York county gives Young 23, Holland 167, Wise 75, with one precinct not heard from.

JAMES CITY, Williamsburg: The following is the vote in two districts of James City county: Stonehouse—Young, 58; Wise, 29; Holland, 26. Powhatan District—Young, 87; Wise, 96; Holland, 7. In Precinct No. 2, James-town District, Young, 56; Wise, 15; Holland, 2. Precinct No. 1, in same district, will probably give Young a majority.

JAMES CITY COUNTY, including Williamsburg, with one precinct missing, gives Young 94 plurality.

PORTSMOUTH, Portsmouth: Returns from all the precincts in Portsmouth county give Young (Democrat) 59 majority over Wise (Republican).

ESTIMATED DISTRICT MAJORITY, Norfolk: Conservative estimates place the Democratic majority in the Second

District at about 2,000, showing heavy gains all along the line. The election was devoid of excitement, and in Norfolk was one of the quietest ever held.

THIRD DISTRICT, Capt. John Lamb First; Russell and Weisiger Nowhere. (For detailed returns from Richmond, Manchester, &c., see another page).

FOURTH DISTRICT, Sidney Epes Elected Over Thorp by Safe Majority. Petersburg: Unofficial returns indicate that Epes, Democratic candidate for Congress, has carried the counties of Prince George and Dinwiddie by good majorities, and that his election is assured by a safe majority. The vote everywhere was light. Reports received at headquarters here give Epes the counties of Lunenburg, Newburg, Greensville, and Sussex. Thorp's estimate of majority in Mecklenburg, his stronghold, is 900.

LATER, The latest unofficial, but reliable, returns from the district assure Epes's election by nearly 2,000 majority.

BRUNSWICK, Lawrenceville: Two precincts heard from give Epes (Democrat) 122 majority. Indications are that Epes will carry the county by a fair majority.

GREENSVILLE, Emporia: Only two precincts have been heard from. Will not hear from the other three until morning. The county will give S. P. Epes (Democrat) 250 majority.

MECKLENBURG, Boydton: The election here for congressman passed off quietly to-day. With registered vote of over 600 at this place only 445 were polled, two thirds of whom were colored, and therefore Republican. The total vote of the county is about 470, but the estimate of both parties is that not more than 300, or 2,000 at the outside, have been polled to-day. The returns from other county precincts are not attainable at this hour, with any degree of accuracy, but from the best information obtainable Thorp has carried Mecklenburg by a majority ranging anywhere from 700 to 1,200. The vote here was: Thorp, 216; Epes, 122; Thorp's plurality, 194. Reports from other precincts give a large majority for Thorp in this county.

NOTTOWAY, Crews: The election passed off quietly here. A small vote was polled. Epes, 236; Thorp, 34; Jones, 3; Ellis, 1. Large Democratic gain.

NOTTOWAY COURTHOUSE: The election here passed off quietly to-day with the following results: Epes (Democrat), 239; Thorp (Republican), 33; Jones (Republican), 2; Ellis (Republican), 6; Bevan (Independent), 6. Many colored voters remained away from the polls, and a good many of those who turned out cast their ballots for Epes.

BLACKSTONE, Blackstone: Vote here: Epes, 347; Jones, 5; Thorp, 15; Ellis, 4.

STONY CREEK, Epes (Democrat), 9; Thorp (Republican), 9; Ellis (Republican), 2.

PETERSBURG, The election to-day was the quietest in the history of politics in this city. The negroes, as though by common understanding, abstained almost solidly from voting, and in the aggregate very few Republican ballots were cast. Such apathy in the Republican ranks, whether real or feigned for a purpose, never before shown. The Democratic vote was light. The total vote of the city was: Epes, 1,182; Thorp, 147; scattering, 103. Epes's majority over Thorp, 1,032.

POWHATAN, Powhatan Courthouse: Vote of county cannot be obtained to-night. The county has probably gone for R. T. Thorp by a reduced majority.

STUWART, Waverly: Waverly Precinct—Epes, 104; Thorp, 43. Stony Creek—Epes, 70; Thorp, 43.

FIFTH DISTRICT, Swanson Re-Elected by About 2,000 Majority. Danville: Official and unofficial returns from the city of Danville and the counties of Pittsylvania, Patrick, Henry, and Franklin, and estimates based on partial returns and estimates as to Floyd, Carroll, and Grayson counties, based on previous elections, indicate the re-election to Congress of Swanson (Democrat) by a majority certainly exceeding 2,000. It may possibly reach 3,000. Should the other counties of the district show as large a Democratic gain as Pittsylvania does in this election, Swanson's majority in the district will be about 3,000.

FLOYD, Floyd: Parr's majority over Swanson in the county estimated at from 400 to 500. In 1892 Brown (Republican) had a majority of 715.

FRANKLIN, Rocky Mount: This precinct gives Swanson a majority of 1,000. The same ratio of 80 or 1,000 in the county.

GRAYSON, Chestnut Yard: Returns from Grayson county give Swanson (Democrat) 115 majority.

HENRY, Martinsville: Martinsville gives Swanson 115 majority. The Republicans usually carry this precinct by a big majority. The vote here indicates that the county has gone Democratic.

PATRICK COUNTY, Stuart: Official and unofficial returns from seven precincts in this county make Swanson and Parr about even. There have been carry-over Democratic gains. Both sides claim the county, and the result will be close. Parr, three years ago, carried the county for State Senate by 757; Brown (Republican) carried it in 1892 by about 250.

PITTSYLVANIA, Chatham: Swanson has carried Pittsylvania by over 2,000 majority. Swanson's majority was 1,181 in 1892.

SIXTH DISTRICT, Peter Oty Has an Easy Victory and Big Majority. Lynchburg: From the present indications Major Peter J. Oty has swept Sixth District from one end to the other, carrying every precinct in it by unheard-of majorities. Peter Oty has carried later than a third of the registration number being cast. The city gave Young (Democrat) 286, Wise (Republican) 242, Holland (Republican) 260.

JAMES CITY COUNTY, including Williamsburg, with one precinct missing, gives Young 94 plurality.

PORTSMOUTH, Portsmouth: Returns from all the precincts in Portsmouth county give Young (Democrat) 59 majority over Wise (Republican).

ESTIMATED DISTRICT MAJORITY, Norfolk: Conservative estimates place the Democratic majority in the Second

District at about 2,000, showing heavy gains all along the line. The election was devoid of excitement, and in Norfolk was one of the quietest ever held.

THIRD DISTRICT, Capt. John Lamb First; Russell and Weisiger Nowhere. (For detailed returns from Richmond, Manchester, &c., see another page).

FOURTH DISTRICT, Sidney Epes Elected Over Thorp by Safe Majority. Petersburg: Unofficial returns indicate that Epes, Democratic candidate for Congress, has carried the counties of Prince George and Dinwiddie by good majorities, and that his election is assured by a safe majority. The vote everywhere was light. Reports received at headquarters here give Epes the counties of Lunenburg, Newburg, Greensville, and Sussex. Thorp's estimate of majority in Mecklenburg, his stronghold, is 900.

LATER, The latest unofficial, but reliable, returns from the district assure Epes's election by nearly 2,000 majority.

BRUNSWICK, Lawrenceville: Two precincts heard from give Epes (Democrat) 122 majority. Indications are that Epes will carry the county by a fair majority.

GREENSVILLE, Emporia: Only two precincts have been heard from. Will not hear from the other three until morning. The county will give S. P. Epes (Democrat) 250 majority.

RALEIGH, N. C., November 8.—(Special.)—The result of the election in North Carolina is such as to surprise even the most sanguine of the Democrats. As Democratic State Chairman Simmons stated, estimates actually cannot be made. He said: "We have the State by not less than 5,000 majority, if counties give a large majority for Thorp in this county."

FOURTH VIRGINIA, Looking Forward to the Governor's Visit and Pay-Day. (Correspondence of the Dispatch.) SAVANNAH, GA., November 7.—The Virginians in the Seventh Army Corps are looking forward with great pleasure to the coming of Governor Tyler with General Lee, and they are going to the depot to escort them. The best substitute for going back to Virginia to bid her a fond farewell before leaving for the land of sugar and Habana cigars will be to have Virginia come to us in the person of her Governor. Of course, all the soldiers are happy when General Lee is with them, for the humblest man in the whole corps never approaches him without finding in him a friend, always pleasant and full of ready to help.

THE SEVENTH ARMY CORPS, left this evening for Jacksonville. He goes to superintend the transfer of the hospitals there. Those who are in condition to be marched will be taken aboard the ship at Newport, or Fort Thomas, Ky.

ACTING-ASSISTANT-SURGEON G. R. WHITE will have charge of the emergency hospital at Aberdeen street, Savannah.

THOSE WHO ARE TOO SICK TO BE MOVED from Jacksonville will be put in the Seaside Hospital there.

THERE ARE NOW ONLY 139 MEN in the main hospital here, and most of these are only suffering with colds.

THE MEMBERS OF THE FOURTH VIRGINIA are casting their votes towards pay-day. As usual, they have been looking forward to it ever since the first of the month. It is a day that is usually heralded a long time before it really comes by visions and rumors.

JUST NOW a man with money in the Fourth Virginia is about as scarce as Spanish soldiers will be in Cuba after January 1st, for the men have not only spent all their own money, but all that could be borrowed from comrades or their captains or lieutenants, until each man is only worth what he has on his back, and this is all that prevents the regiment's making an assignment.

PRIVATE LONG, of Company A, was sent to the Regimental Hospital yesterday with a mild case of fever.

CORPORAL N. O. WILLIAMS, of Company L, and Private Kelly, of Company F, returned from the Second Division Hospital at Jacksonville, yesterday. Corporal Williams left for his home, in Portsmouth, to spend a thirty-day furlough.

THE FOLLOWING MEN, who have been spending sick furloughs at their homes, reported to their respective companies for duty to-day: Sergeant J. M. McCoy, of Company B, from Norfolk; Private Robert Russell, of Company L, from Portsmouth; Private P. L. Seay, of Company L, from Richmond.

AUTUMN SCENTS, (Cleveland Plaindealer.) "How lovely is night in autumn," she softly murmured, as she passed a moment later they passed a field of decaying cabbages.

WE DO NOT EMPLOY OR SELL OUR GOODS to agents in this city. Any one so representing himself, or one so representing himself as a rubber-stamp works, Samuel S. Roseford, Proprietor, 909 east Main street.

ROOSEVELT WINS, The Rough Rider Chosen to Be Governor of New York.

HIS MAJORITY ABOUT 20,000, The Vote Above the Harlem Republican

BROOKLYN GOES DEMOCRATIC, Only One Republican Congressman from the Greater New York—Chanler and Levy Elected—Other Marked Democratic Gains.

NEW YORK, November 8.—Theodore Roosevelt (Republican), late colonel of the First United States Volunteer Cavalry, has been elected Governor of this State by a plurality anywhere from 18,000 to 20,000. All Colonel Roosevelt's associates on the Republican State ticket are probably elected with him.

HEAVY REPUBLICAN LOSSES, The returns, both from Greater New York and from the counties outside of this municipality, are incomplete, but enough have been received to indicate a heavy falling off in the vote up the State, while that in the city was well sustained.

THE CONSEQUENCE IS A FALLING OFF IN the Republican plurality in the State from 21,000 to the approximated figures given above. Outside of Greater New York the vote for Van Wyck is only about one fifth of 1 per cent. above that of Porter in 1892.

LOSSES ON CONGRESSMEN, There appears to be a loss of four Republican congressmen in the Brooklyn districts—the Second, Fourth, Fifth, and Sixth—and Congressman Quigg, who had a majority of about 9,000 at the election last year, has been defeated by William Astor Chanler, in the Albany District (the Twentieth), Glenn (Democrat), has been elected to succeed Southwick (Republican).

IN THE MUNICIPALITY OF NEW YORK the old-time Democratic majority was approximated, Van Wyck's vote being about 90,000 greater than that of the Republican candidate.

BROOKLYN DEMOCRATIC, The latter result was helped in some measure by the result in the Borough of Brooklyn (Kings county), which, in 1892, gave Black (Republican) a plurality of 2,562, but to-day gave a Democratic plurality of about 16,829. Brooklyn is the home of Judge Van Wyck, but this fact does not wholly explain the practical reversal of pluralities, which, it is possible, is attributable to the lukewarmness of the voters, and to the fact that the Democratic party, in the person of Senator Platt in the majority contest last year.

UP-THE-STATE VOTE, The returns from many counties up the State are incomplete, and in some cases are missing altogether. The indications, being computations upon the figures at hand, point to a Republican plurality in the counties above the Harlem of about 100,000, to offset which the Democrats can produce only the 80,000 plurality in Greater New York.

SOLDIER VOTE, The soldier vote will not be counted until December 1st, but it is not likely that the ballots from the camps will materially alter the result. There would seem to be the greater probability that the majority for Roosevelt will be increased.

SULZER, FREE-SILVERITE, ELECTED (Congressman Sulzer (Democrat), whose district re-nominated him upon the free-silver platform, is undoubtedly re-elected.

LEGISLATURE IN DOUBT, Little is known as to the vote for State Senators and Assemblymen. The Republicans had in the last Legislature a majority of twenty-eight on joint ballot, and the usual record of the party control, and that there will be no material diminution of that majority. A Republican Legislature will mean the election of Platt in place of Senator Murphy.

EVERY CONDITION WAS FAVORABLE to the polling of a full vote in all parts of the State.

NO TROUBLE AT POLLS, In this city, there was no fulfillment of predictions of trouble at the polls. The State deputies, authorized by act of the last Legislature, were most in evidence in the East Side districts, where the cheap lodging-houses are located. The number of arrests made was below, rather than beyond, the usual record of a general election, and in many cases the occasion was found to be in carelessness of registration.

FIGHTS FEW, Fights at the polls were few and easily quelled. There was no friction between deputies and police, and no serious disturbance to the other in the preservation of order.

NEW YORK, November 8.—Comparisons of the votes for Governor are made with that of 1892, when, on a total of 1,423,570, Black (Republican) had a plurality over Porter (Regular Democrat) of 212,922.

IN GREATER NEW YORK Black's plurality over Porter was 25,705. The National Democratic candidate for Governor received 15,416 votes in the four counties embraced in Greater New York, and 29,688 in the State.

VOTE OF BROOKLYN, NEW YORK, November 8.—The borough of Brooklyn complete gives Roosevelt 82,255; Van Wyck, 99,987.

VOTE OF KINGHAMTON, KINGHAMTON, N. Y., November 8.—The city complete gives Roosevelt 4,727; Van Wyck, 3,448—a plurality for Roosevelt of 1,279.

WATERTOWN, W
