POLITICAL ARENA.

THE SITUATION IN VARIOUS PARTS OF THE STATE.

REPUBLICANS MEET.

They Nominated Negroes as Legislative Candidates--Meetings in Elizabeth City--Warwick's Faction--Flood and Pettit in Fluvanna.

NEWPORT NEWS, August 29--(Special)--Yesterday's proceedings at Warwick Courthouse, as expected, did not tend to solve the political problem in this district. It only complicated the situation of the party, and as a result of the "dark horse" theory, the hot-bed of the district will send contesting delegates to the senatorial and legislative assemblies to be held in Williamsburg Thursday afternoon.

A DARK HORSE PROBABLE.

With the events of each day, much room becomes the probability that a "dark horse" will figure in the Williamsburg convention. Knowing politicians express the opinion that none of the avowed candidates will carry off the House nomination.

MR. ROBINSON VERY BERTY.

Mr. Clarence W. Robinson, leaving no stone unturned to get the Senate nomination, he will fight it to the last. He says he is absolutely certain of thirty votes, and has a good chance of securing more. Those he is sure of, he says, are Newport News, 13; Warwick, 13; King and Queen, 13; and the county of getting two delegates from James City, and counts on seven from Elizabeth City.

NEW KENT MAY GO FOR TYLER.

Mr. Lyon G. Tyler, president of William and Mary College, and a brother of Hon. D. Gardner Tyler, was in the city yesterday. He is also a candidate for the Senate. He has a letter from New Kent saying they will give Tyler the majority of the delegates on the second ballot. According to the letter Mr. Herbert Lewis, the local candidate for the Senate, will get the votes and Tyler one on the first ballot, the second ballot will give Tyler one and Lewis two.

BUCKY POLITICIANS MEET.

Halifax Negro Republicans Nominated Colored Legislative Candidates. SOUTH BOSTON, VA., August 29--(Special)--According to announcement, the Republicans yesterday held a convention to nominate two candidates for the House of Delegates. The county chairman is a negro and the nominees, H. Clay Harris and John H. Owen--are both negroes. Only four white men were present to participate in the deliberations of the body. Since last year the negroes have been in control of the party machinery in Halifax; they ignore white leadership because, they say, the whites get no fat offices while the negroes control the machinery. The candidates will, of course, be overwhelmingly elected in November.

ROANOKE'S POLITICAL SITUATION.

Wilkins as delegates to both the Senate and House conventions. They were allowed to choose their own alternates.

A FIRE AT ROUND HILL.

On Monday, about noon, the dwelling-house of James A. Dorrell, at Round Hill, was discovered to be on fire. NEWPORT NEWS, VA., August 29--(Special)--The returns from the mass-meetings in Elizabeth City county, held last night, show a strong Martin sentiment and indicate the defeat of Robinson and Causey. To-day Chief-of-Police England received a telephone message from Sheriff A. H. Baker, of Suffolk, to the effect that he had arrested five negroes, who had come from this city. When searched they gave up between thirty and forty new razors, an equal number of new pocket-knives, and five fine pistols. Chief England had two prisoners held until to-morrow, when he will go down to Suffolk to see if he can identify any of the men or the property, and if he does he will bring them back to this city for trial.

MR. DORRELL'S HOUSE BURNED.

Fire in Loudoun County--Heavy Rains--Political News. LEESBURG, VA., August 29--(Special)--We had a perfect downpour of rain on Saturday and Sunday nights, with severe electrical accompaniments. The farmers were greatly pleased, for fall pastures have been suffering much, and this will be the making of them to a great extent. Probably the fine circus exhibiting here yesterday felt most damaged, as the streams were past forcing in the southern and western part of the county, though it is estimated that there were 5,000 people present, nevertheless. Near here Mr. George Royston had his finest cow killed by lightning, and the flood damage was great.

THE JEWISH NEW YEAR.

The Great Religious Festival Will Begin Next Monday Evening. The Jewish New Year, one of the most sacred of Hebrew festivals, dawned on Tuesday. The festival begins at sunset on Monday night, and the ten days following is a season of penance, which ends September 14th, with the Day of Atonement. The festival is of ancient origin, dating back to the time of Ezra, when the Israelites returned from Babylon to rebuild the Holy City under his direction. At that time it was a religious ceremony, but merely a time of rejoicing. Since the Jews have adopted the calendar of the Gregorian calendar, the festival is now a religious festival, and is accompanied by the blowing of trumpets as of old.
