A TALENT OF KNIGHTS.

QUITE A LARGE CROWD WITNESSED TOURNAMENT YESTERDAY.

THE CONTEST WAS VERY CLOSE.

Six Knights Tie for First Prize—Mr. R. D. Alburt Wins—Other Winners Are Messrs. Epps, Parrish, and Montague—Lovely Queen and Maids.

The tournament at the Exposition-Grounds yesterday morning was a very interesting feature of the Thanksgiving-Day celebration.

The following knights were the winners: First prize, Mr. R. D. Alburt, Knight of Rock Castle; second prize, Mr. Frank Epps, Knight of Blackstone; third prize, Mr. W. D. Parrish, Knight of Goochland; fourth prize, Mr. J. H. Montague, Knight of Cherokee.

The attendance at the tournament was not very large, considering the unalloyed beauty of the day. People were coming and going all during the time, however, and while the grandstand was about half full, it is impossible to estimate with accuracy how many attended altogether.

CHARGE TO THE KNIGHTS.

The knights assembled in front of the judges' stand at 11 o'clock promptly, and received their charge. This address was delivered by Mr. Thomas W. Gardner, of this city.

Each knight was given a trial at the ring, then the contest began. A contest followed which was as exciting as any tournament could afford. The riding was very good.

SILVER REPUBLICAN PLANS.

Proposed Alliance With Anti-Imperialists, Especially in the East.

CHICAGO, November 30.—The Silver Republicans, in conference here Tuesday and Wednesday, planned, it is announced, to ally themselves with the "anti-imperialism" agitation, especially in the Eastern States, where the silver issue does not attract attention.

Co-operation with Edward Atkinson's following will be sought, the purpose of the Silver Republicans is to gain, if possible, with this new issue, a foothold in Eastern States, so that their party can more truly claim to be a national organization, and thus become a more effective whip for holding the Democrats to the issue and to the issue.

There is no place for the anti-imperialists of the East to go except into our party," said Mr. Dubois.

The assured composition of the United States Senate for several years convinces them that silver legislation cannot be passed for many years yet.

THE GILMORE PARTY.

Its Members Narrowly Escaped Being Shot by the Filipinos.

MANILA, December 1.—1250 A. M.—When the landing party from the United States battleship Oregon, under Lieutenant-Commander McCracken, took the town of Vigan, province of South Ilocos, last Saturday, they found there an escaped prisoner, A. L. Sonnenheim, who furnished the first authentic account of the experience of Lieutenant James Gilmore, of the United States gunboat Yorktown, who, with a party from the Yorktown, was captured by the insurgents near Iloilo, on the east coast of Luzon, last April, while making an examination of the mouth of the river there in an armed boat.

Mr. Sonnenheim was imprisoned at Abra for a long time, with Lieutenant Gilmore and seven sailors, but contrived to escape, carrying a concealed note, written in naval cypher, dated Abra, November 18th, addressed to "my naval officer" and saying: "You may have perfect confidence in anything the bearer says." The note was signed "Gilmore."

SURRENDER OR DEATH.

According to Mr. Sonnenheim, when Gilmore's launch entered the river from Raia harbor, under cover of Esguin W. Stanley's gun, the landing was received with three volleys. Two of the Americans were killed and two mortally wounded. Every man was hit, and Gilmore received a flesh wound in the leg. It was a choice between surrender and being slaughtered. Lieutenant Gilmore asked the terms of release. The insurgents proposed that he procure the presence of the Spanish garrison, if ammunition should be done undertaking to send the Spaniards and Americans to the Yorktown. A sailor of Lieutenant Gilmore's party carried this proposition to the garrison. The Spanish commandant replied that he would not accept of a Spanish soldier firing upon him as he went.

LINED UP FOR SLAUGHTER.

The Americans were then bound hand and foot and taken to San Isidro, where General Luna ordered their execution. He Stanley's gun, the landing was received with three volleys. Two of the Americans were killed and two mortally wounded. Every man was hit, and Gilmore received a flesh wound in the leg. It was a choice between surrender and being slaughtered. Major Johnston, of General MacArthur's staff, brought here by special train, Christian, Secretary of the Treasury in the so-called Filipino government, and Mariana Lin Gap, a Chinese half-breed, Director of Railroads and Post-Offices, both of whom surrendered in Bayambang, with their families and servants. Their goods filled four cars. Christian maintained that civilians were exempt from imprisonment, and he was deeply chagrined when he found himself placed incommunicado with Buencavino.

AGUINALDO'S MOTHER IN MANILA.

MANILA, December 1.—1250 A. M.—Aguinaldo's mother has arrived here, and has been given shelter by Senor Legarda, a prominent "amigo," who was Secretary of the Treasury before the outbreak, and who resigned when it came. It seems that Aguinaldo's party took refuge in a bandit village, which had offered Aguinaldo an asylum, intending to sell him to the Americans. The bandits assassinated half of Aguinaldo's guard and proposed to keep Aguinaldo's mother for ransom.

Navy-Yard—The Land-Grabbers' Act to Be Tested.

NORFOLK, VA., November 30.—(Special.)—Some 600 of the 700 machinists recently furloughed from the Norfolk navy-yard on account of shortage of the November appropriation, will, it is stated, be recalled to-morrow and put immediately to work on the army transport Sumner, formerly the naval collier Gascon, which has been badly delayed by the shortage. The transport is needed at present by the army for Philippines service.

Reardon was elected temporary secretary. Mr. Gaskins announced the purposes of the meeting, one of the principal business objects of which he said would be the election of a salaried State business agent and organizer. A SUCCESSOR TO SETTLE.

Democratic Nominating Convention Renews Louisville Platform.

FRANKFORT, KY., November 30.—The Seventh District Democratic Congressional Convention convened to-day to nominate a candidate to succeed Settle, Congressman Settle, John H. Allen, of Lexington, and June W. Gayle, are the two leading candidates, with J. R. Julian, of Frankfort, a strong third.

The convention, which was expected to sound the ante-election keynote for the Goebel Democracy, as well as to nominate a candidate to succeed Settle, convened at 2 o'clock, but it ended in a tie, and nothing was done beyond reaffirming the platform of the Louisville Convention, which Goebel was nominated. Two members of the Committee on Resolutions, who objected to the confirmation of the Louisville platform, gave up, and resolutions confirming both the Chicago platform of 1886 and the Louisville platform, with denunciation of Governor Bradley for calling out the militia on election-day, were passed.
