BOOK AND JOB PRINTING NEATLY EXECUTED AT THE DISPATCH PRINTING HOUSE, TWELFTH AND MAIN STREETS.

THEY LEAVE TO-DAY.

THE T. P. A. DELEGATION TO DEPART FOR NEW ORLEANS.

TRAVEL IN A SPECIAL CAR.

Rhode Island and Other Northern Delegations to Travel With the Virginians—Hope to Bring Next Year's Convention Here.

The Virginia delegation to the Travelers' Protective Association National Convention, in New Orleans, will be accompanied by delegations from Rhode Island and other Northern States. All will leave for New Orleans to-day at noon in a special car, Southern Railway. Banners will be attached to the car, which will indicate the names of the organizations, and the destination of the car.

Handsome badges for the delegation will be handed them at the train. A unique button will be pinned on those attending the convention at New Orleans, inviting the national convention to Richmond in 1901.

The badge of the Virginia Division is very handsome and unique; it is of five satin bows, of white and Nile green, with wreaths of gold tinsel, and in the center a handsome medallion, enclosing in brilliant tints the emblem of the State of Virginia, with "Virginia" at the top and "Sic Semper Tyrannis" at the bottom. Two handsome streamers of Nile green satin ribbon hang gracefully from the bow, and on these are printed in gold letters "Virginia Division" and "New Orleans, 1901," with the Travelers' Protective button. This will undoubtedly be one of the handsomest badges at the convention, and will be generally sought after by the delegates from other States. Those who will go from Virginia Division are Colonel John S. Harwood, national chairman, Legislative Committee; C. W. Wainwright, secretary, Virginia Division; Joseph Wallstein, ex-national president; R. B. Walthall, secretary Virginia Division; H. Lee Lorraine, president Post A. C. W. Harris, chairman of Hotel Committee; Post A. C. W. Harris, chairman Board of Directors, State Division; Richmond; and J. S. Oliver, Danville; B. K. James, Alexandria, and W. W. Warren, Petersburg.

THE CONVENTION PROGRAMME.

The programme for the national convention is as follows: Tuesday Morning, May 22—Delegates will assemble at the St. Charles Hotel at 9:30 o'clock, and then proceed through the business streets of the city to the Athenaeum, which has been secured for the convention. This building is the largest and best of its class in the city, situated at 8th Street, and on the corner of the city street, and together with the club-rooms attached, is at the disposal of the visiting Travelers' Protective Associations. In the evening at 8 o'clock, opening exercises at the Athenaeum, including welcoming address by the Mayor, and speeches by prominent citizens and visitors. In conclusion there will be a reception and dance.

Wednesday, May 23—Business session. In the afternoon a trolley ride for the ladies. In the evening at 7 o'clock a trip to West End (the Coney Island) on New Orleans, on Lake Ponchartrain. The programme arranged is to be kept secret, but visiting delegates are assured of a treat.

Thursday, May 24—Business session. At night a trip to Athletic Park with an entertainment, which will be enjoyed by all.

Friday, May 25—Business session. Friday night has been left to the visiting delegates, and it is understood that Missouri Division will hold a reception, and present their officers and wives. This will also improve the opportunity to return the courtesies extended by the people of New Orleans.

Saturday, May 26—Steamboat ride to Reserve sugar plantation, one of the finest in the world. This will consume the entire day. On board the boat will be music, dancing, and something good to eat.

During the entire week the ladies' auxiliary will attend to the entertainment of the visiting ladies. The gentlemen managing the flower show have extended an invitation to the ladies to attend on a holiday.

SEND THE NEWS HOME. The members of the Travelers' Protective Association will be posted as to the news of the convention, through the chairman of the Press Committee, John B. Culpeper, who will receive it from Mr. R. B. Walthall, secretary.

The delegates from Virginia Division are well-known business-men, and are active in the Press Committee. The Virginia Division's interest in their hands will be looked after.

UP IN HIGHLAND.

A Gloomy Outlook for Cattle-Men—Small-Pox.

MONTEREY, Va., May 19.—(Special.)—The people of Highland—which is pre-eminently a grazing county—have never stood face to face with a more gloomy prospect than that which confronts them at this time. The drought, meadows and grass-lands generally are at a standstill, and in many cases the mountain range has been totally destroyed by the terrible forest fires now raging.

In one instance, Mr. Leonard Harper, of Circleville, Pendleton county, Va., lost one or two fine steers while attempting to get them to his range in the Alleghenies. The fires closed in on both sides of the narrow mountain road until the cattle, being confused by the dense smoke, fell over the embankment, and one or two were burned in sight of the drovers. Mr. Charles Hull, who resides on the Staunton and Parkersburg pike, four miles west of here, came near losing his home on Friday. He removed all his household effects as the flames approached, but by the aid of a score of neighbors, saved his house.

Mrs. J. C. Boggs, of Monterey, after many months of intense suffering, died on Thursday last, and was buried from the Presbyterian church, of which she was a member, the services being conducted by the pastor, Rev. John Huff, assisted by Rev. J. R. Hillery, of the Methodist church. Mrs. Boggs's maiden name was Masters.

Dr. H. H. Jones, of Doe Hill, one of the leading physicians of the county, was on Thursday last united in marriage to Mrs. Mohler, a widow, of Rockingham county.

Dr. I. H. Trimble, secretary of the Board of Health, has received official notice of another case of small-pox in the family of Dick Robertson, of Bolan. Dr. Suddeth is still firm in his belief that the disease is small-pox, and in this opinion he is supported by Dr. Nickle, of Milboro'. A guard has been placed at O. R. Carpenter's, eight miles south of Monterey.

Dr. H. H. Jones, S. W. Sterrett, W. H. Vance, Willis Gibson, and O. Wilson have been appointed the Confederate Pension Board for the county by the honorable Judge of the Circuit Court of the county, and a meeting of the board has been called for Thursday, May 24th.

Mr. Byron Boggs, postmaster at Franklin, accompanied by Misses Katie McCoy and Sallie and Eva Priest, spent Tuesday in Monterey.

Mrs. Hilda V. Hook, who died this week near Bybee, Fluvanna county, was a daughter of the late T. M. Devericks, of Highland, her husband, Mr. E. V. Hook, being a native of the county.

Madison-Ward Assessment. The assessors of real estate for this city having finished Madison Ward, can be found at the City Hall during the coming week in Room No. 14 (third floor), between the hours of 9 A. M. and 2 P. M. All parties interested can call and inspect the books.

FREE BLOOD CURE.

To Prove That B. B. B. Will Cure Blood and Skin Diseases, Sufferers May Have a Sample Bottle Free.

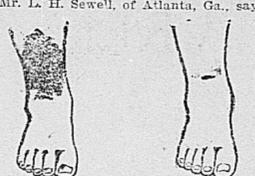

C. W. Robinson, Augusta, Ga., writes: S. C. cured of a terrible itching eczema of thirteen years standing. W. A. Bryant, Moody, Tex., cured of salt rheum on hand.

"Not long ago my face was a mass of sores and eruptions, but now, owing to B. B. B. it is as smooth as any one's, and my blood is getting pure and rich."

If the thousands of unfortunate people who are sick and despairing with weak, thin, diseased blood, producing pains back or joint, all run down, Foul Breath, Lack of Vitality, Eczema, Pimples, Itch, Sores, Ulcers, Scrofula, Eruptions, Itchy Skin, Pailing Hair, Swollen Joints, Glands, Rheumatism, Crusts and Scabs, or any form of Blood or Skin Disease, will try only one large bottle of B. B. B. (Botanic Blood Balm), they will find it a positive specific and cure. B. B. B. cures by draining the Humors out of the Blood, and making new, rich Blood. Hundreds of hopeless cases have been quickly cured, among them Mrs. M. L. Adams, of Fredonia, Ala., cured of a terrible cancer after nine doctors had given her up. Mrs. Lee Sadler, No. 213 1/2 East Thirtieth street, Manchester, Va., cured by eight bottles, of ulcer in the ear. Julia E. Johnson, Stafford Postoffice.

The following two pictures (from photo), show the remarkable effect of B. B. B. in healing Ulcers on the Leg—Mr. L. H. Sewell, of Atlanta, Ga., says:

"The first bottle of B. B. B. caused the ulcers to open, and run very freely, and he used three more bottles, and he healed the sore, and to-day it is well. B. B. B. accomplished for me leg what doctors, hospitals, and other remedies had made worse."

Dispatch readers are advised to give B. B. B. a trial. Thoroughly tested for thirty years. Sold at drugstores, \$1 per large bottle, including directions for home treatment. So sufferers may test B. B. B. a trial bottle given away. For trial bottle address BLOOD BALM COMPANY, No. 124 Mitchell street, Atlanta, Ga. Describe your trouble and free personal medical advice given. Don't hesitate but write at once. Help is at hand, as B. B. B. cures permanently and quickly.

A Popular Drugstore
