Digests what you Eat

Dyspepsia Cure

A healthy stomach, capable of digesting a good, square meal, is a great blessing. It keeps the body strong by insuring plenty of nourishment. In fact, it means perfect health. But something must be done when the stomach is so tired that it can't digest what you eat, for undigested food poisons the blood.

We can recommend a preparation that completely digests all classes of foods—that is **KODOL DYSPEPSIA CURE**. It gives the food that is necessary for maintaining health. It never fails to cure indigestion, after everything else has failed. It is pleasant to take and can be used in all conditions.

"For many years I suffered from chronic indigestion, and it seemed as though nothing was going to do me any good. On the advice of a friend I commenced using Kodol Dyspepsia Cure. It gave me immediate relief and I continued its use, until now I feel that I am cured."—Henry F. Cramer, Wendolville, N. Y.

It can't help but do you good

TWO TRAMPS KILLED.

FATAL WRECK OF A SEABOARD AIR-LINE FREIGHT TRAIN.

ANOTHER WILL PROBABLY DIE.

The Dead and Four Others Who Were Seriously Injured Were All Vanquished—The Victims Unidentified.

Ten or More Cars Smashed.

PETERSBURG, VA., September 30.—(Special.)—A very serious accident occurred on the Seaboard Air-Line railway, about midnight last night, between Notowidjo river and McKenney Station, in Dinwiddie county, by which two men were killed, four others more or less seriously injured, and ten or a dozen cars of the fast through south-bound freight train were derailed and partially wrecked. The cause of the accident is not clearly stated. One supposition is that it was due to the breaking of a truck of one of the cars nearly midway of the train, causing the train to divide into two sections; another that the train was divided by the breaking of a coupling pin, and the jumping the track of one of the mid-cars. It was the rear section of the train that was wrecked, the cars being derailed, piled up on one another, and for the time being blocking the track. None of the trainmen received injuries—the dead and injured men all being tramps, who were trespassers on the cars and stealing their passage South.

The bodies of the two dead men, one white and one negro, were brought to the city this morning and every possible effort was made to learn their names and places of residence, but nothing was found about their persons to give the least information on these points, and their fellow-travellers, who were wounded, disclaimed all knowledge of them. The white man was terribly mangled across the chest, and the negro's head was crushed and his neck broken.

Injured tramps were also brought to Petersburg this morning, and sent by the railway authorities to the Home for the Sick for care and medical attention. Their names and homes are given as follows:

Charles Fissell (white), Indianapolis, Ind.; serious injuries about the head and leg broken.

James Allgood (white), Sweet Water, Tenn.; injured internally and left ribs broken.

George Goshen (white), Chicago; severely hurt about head and face.

William Tysoll (negro), from Edgecombe county, N. C.; head and face cut, ribs broken, and injured internally; will probably die.

Two of the injured were sitting, at the time of the accident, on a flat car, which was a large tank oil. The men and the tank were pitched off, but the latter was uninjured.

The railroad authorities have just cause of complaint against the tramps, who, of negroes, who are crowding the freight trains on all the lines, going hither and thither. Two negroes were sentenced by the Mayor this morning for trespassing upon the cars of the Norfolk and Western railway. They were fined \$5 each, and supplied with money, and from the way they sought to avoid the police before arrest it is thought they are wanted elsewhere.

Sick Women

Mrs. Valentino Tells How Lydia E. Pinkham's Vegetable Compound Cured Her.

Happiness will go out of your life forever, my sister, if you have any of the symptoms mentioned in Mrs. Valentino's letter, unless you get promptly. Procure Lydia E. Pinkham's Vegetable Compound at once. It is absolutely sure to help you. Then write for advice if there is anything about your case you do not understand.

You need not be afraid to tell the doctor you could not explain to the doctor—your letter will be seen only by women. All the persons who see private letters at Mrs. Pinkham's Laboratory, at Lynn, Mass., are women. All letters are confidential and advice absolutely free.

Here is the letter:—"It is with pleasure that I add my testimony to your list, hoping it may induce others to avail themselves of the benefit of your valuable remedy. Before taking Lydia E. Pinkham's Vegetable Compound I felt very badly, was terribly nervous, and I tired, had sick headaches, no appetite, and a gnawing pain in stomach, pain in my back and right side, and so weak I could scarcely stand. I was not able to do anything. Had sharp pains all through my body. Before I had taken half a bottle of your medicine, I found myself improving. I continued its use until I had taken four bottles, and felt so well that I did not need to take any more. I am like a new person, and your medicine shall always have my praise."—Mrs. W. P. VALENTINE, 566 Ferry Avenue, Camden, N. J.

\$5000 will be paid if this testimonial is not genuine.

East had reported at the Grand-Street Station, he was allowed to proceed, with the rest of the guard, in command of Lieutenant R. Bishop, Jr. Meener was unconscious when he reached the hospital, and the doctors stated that he was in a precarious condition.

REPUBLICANS WILL NOMINATE.

With Rival Democratic Candidates Defeat in Charlotte Feared.

KEYSVILLE, VA., September 30.—(Special.)—On account of the split in the Democratic party in Charlotte, the Republicans will almost certainly run a candidate for the Legislature. The committee is considered a first class man and is very popular in the county.

The State Executive Committee may take hold of this matter, and cause both candidates to settle the trouble, or without any let or hindrance a new man be nominated, who would harmonize all disaffected elements. If this was done, I am sure there would be no Republican opposition.

Mr. R. L. Gauley, leader of the Democracy, visited his daughter, Mrs. C. I. Phillips, in Richmond.

Dr. Thompson Morton was on a visit to his old home, at "Morton Hall," on Tuesday. He is located at Lunenburg Court-house.

Little Floyd, the 20-month-old son of Mr. Ed. King, supervisor of Southern railway here, has a wonderful talent for music. He can sing many difficult songs with accuracy, and knows the words.

FULTON NOMINATED

For House by Wise, Dickenson, and Buchanan Democrats.

FREDERICKSBURG, VA., September 30.—(Special.)—The Democrats of the legislative district composed of the counties of Wise, Dickenson, and Buchanan, met in convention at Clintondale on Thursday, to nominate a candidate after the usual routine of business. W. B. Fulton, son of Judge E. M. Fulton, of Wise, was unanimously nominated. The convention was well attended, and the utmost harmony seemed to prevail. Speeches were made by Judge Alfred A. Skeen, H. L. Ash, Russell S. McFall, and W. W. G. Dotson.

It is generally conceded that Mr. Fulton is a strong candidate, and that he will win at the coming election.

TURPIN AND MURRELL.

Nearly Complete Returns from Bedford Show Turpin's Nomination.

BEDFORD, VA., September 30.—(Special.)—The result of the primary election of Saturday for representatives in the House of Delegates, as far as Bedford is now in fine order.

Mr. C. A. Turpin, of Middleburg, is seriously ill in Charlottesville, but is, it is reported, about to go to Hot Springs for treatment and rest.

Mr. Samuel J. Johnston has purchased of Clinton Saunders, administrator of Mrs. B. P. Sheetz, the brick building in which the Mirror is printed, on Market street, Leesburg, and will improve it. He has also bought of Robert B. Wildman, executor of John W. Wildman, the brick store-house on King street, occupied as the Loudoun Book Store, for \$1,900. Mr. Johnston will also improve this fine store.

Old Gold and Silver Taken in Exchange at Full Value for New Goods.

MANILA, Sunday.—A disastrous fight between United States troops and insurgents occurred yesterday in the Island of Samar near Balangiga. A large body of insurgents attacked Company C, of the Ninth Infantry, only twenty-four members of the company escaping. All the others are reported killed. The company was at breakfast when the attack was made, a determined resistance, but the overwhelming numbers of insurgents compelled them to retreat. Of the survivors, who have arrived at Basey, eleven are wounded. According to the latest returns, the strength of the company was seventy-two. The survivors include Captain W. Connell, First-Lieutenant Edward A. Thomas, and Major R. S. Griswold, surgeon. Captain Edward E. Bookmiller, of the Ninth Infantry, reports that General Hughes is assembling a force to attack the insurgents. The insurgents captured all the stores and ammunition of the company and all rifles except twelve. Major Lawrence J. Hearn, of the Twenty-first Infantry, reports a severe engagement with insurgents near Candaba, the Americans losing one killed and two wounded. The insurgent loss was not ascertained. The Americans captured 5,000 pounds of rice and several hundred rounds of ammunition. The municipal authorities have passed an ordinance doubling the size of the rates of the water city in their part of the city. It is possible that the military authorities will object.

FIERCE LABOR FIGHT IN SAN FRANCISCO.

Seven Men Shot, One Probably Fatal in a Street Battle Between Strikers and Policemen.

SAN FRANCISCO, September 30.—A pitched battle between strikers and policemen occurred shortly after 1 o'clock yesterday morning in Kearney street. Seven men are known to have been wounded, one probably fatally, and it is thought that several others who escaped arrest were injured. Not less than fifty shots were fired. Several of the injured were innocent passersby. A number of plate-glass windows were broken by flying bullets. Four special policemen and a recently discharged naval man were made targets for an assault by a mob of strikers and sympathizers numbering at least 20.

The following are known to have been wounded: William Miller, striking teamster, shot in the left breast, still probably dangerous to life; J. P. Bledsoe, special officer, shot in the leg; G. Wissel, druggist, shot in the knee; Eddie Fuller, messenger, shot in the leg; J. Doyno, lacerated scalp wound, inflicted with the butt end of a revolver; MacDonald, shot in the hand; Peter Johnson, a boxmaker, shot in the hand.

The party of special policemen was on the way home from a variety theatre. They noticed a large crowd of strikers and asked Patrolman John Tillman to accompany them. Just as the party reached Kearney street, a shot was fired. It was followed in quick succession by several others. A regular rifle-sillade ensued. The police arrested thirty of the strikers, and a policeman Tillman, who was attempting to protect the specials, when the first shot was fired, one of the mob fired at him at short range. The bullet just grazed Tillman's ear.

The funeral of young Emma Lewis, who committed suicide in jail Friday night, was held yesterday afternoon. The remains were interred in the City Cemetery. The affair was one of the saddest that has occurred in years.

The damage done to the electric light plant by the recent blowing away of the lobby is being rapidly repaired. The contractors hope to finish in thirty days. The cost will be about \$3,000. At present the dynamo are being run by the wooden mills power.
